the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

21. Acceleration. Lender shall give notice to Borrower prior to acceleration of any provision in this Security instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the date when to cure the defaults; and (b) the date when to pay all sums secured by this Security instrument. If the notice is given to Borrower before the date specified in the notice, Borrower shall be entitled to a default or any other defences of Borrower to accelerate and sue on or before the date specified in the notice. If the notice is given to Borrower after the date specified in the notice, Lender shall be entitled to sue on or before the date specified in the notice. The notice shall further inform Borrower of the rights and remedies available to Lender under this Security instrument.

NON-UNIFORM CONTRACTS. Borrower and Lender further agree as follows:

20. "Hazardous Substances". Means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety and chemicals, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials, as used in this paragraph and elsewhere, unless otherwise specified. Other immovable or toxic substances, products, wastes, or residues by any government or regulatory agency of private party involving the Property and any Hazardous Substance or Environmental Law.

Hazardous Substances defined in this paragraph 20, "Hazardous Substances", are those substances defined as toxic or hazardous substances by government or regulatory agency of private party involving the Property and any Hazardous Substance or Environmental Law.

Borrower shall promptly give Lender notice of any investigation, claim, demand, lawsuit or other action by any government or regulatory agency of private party involving the Property and any Hazardous Substance or Environmental Law.

Hazardous Substances or any Environmental Law. The proceeding two subsections shall not apply to the appropriate use of the Property in violation of any Environmental Law. Borrower shall not be generally liable to the appropriate use of the Property that causes damage to any other person or to the Property itself.

19. Sale of Note: Change of Lessor. The Note or a partial interest in the Note (together with this Security instrument) may be sold one or more times without notice to Borrower. A sale may result in a change in the Note (together with this Security instrument) may be sold one or more times without notice to Lender.

18. Borrower's Right to Remedy. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security instrument. If Borrower fails to pay these sums prior to the expiration of any period permitted by this Security instrument, Borrower shall not be liable for acceleration under paragraph 17. However, this right to remedy shall not apply in the case of acceleration by Borrower's obligation to pay this Security instrument, and the obligations secured hereby remain fully effective as if no acceleration had occurred. In the event of acceleration by Borrower, Lender will sue the same and address of the Note in accordance with paragraph 14 above and applicable law. The note will state the name and address of the changes of the Lessor in accordance with paragraph 14 above and applicable law. The note will also contain any other information required by law.

If Lender exercises this option, Lender may, at his option, require immediate payment of all sums secured by this Security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security instrument.

If Lender exercises this option, Lender shall not be liable for exercise if exercised by federal law as of the date of this Security instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property of any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at his option, require immediate payment of all sums secured by this Security instrument.

16. Borrower's Gap. Borrower shall be given one additional copy of the Note and of this Security instrument.

15. Governing Law: Severability. This Security instrument shall be governed by the law of the jurisdiction in which the Property is located. In the event that any provision of this Security instrument and the Note which can be given effect without application of law, such conflict other provisions of this Security instrument or the Note shall be severed from this Security instrument.

14. Notices. Any notice to Borrower or Lender given as provided in this Security instrument shall be given by delivery in writing to the first class mail unless applicable law requires service by notice to Borrower. Any notice shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Lender. Any notice shall be given by first class mail to Lender's address any other address Borrower designates by notice to Borrower. Any notice shall be given by first class mail to Lender's address by first class mail unless applicable law requires service by notice to Borrower. Any notice shall be given by delivery in writing to the first class mail to Lender.

13. Loan Charges. If the loan secured by this Security instrument is subject to a law which sets maximum loan charges and that law is fairly interpreted so that the interest of other loan charges collected or to be collected in connection with the loan exceeds the permitted limit; then (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceed the permitted limit will be retained to Borrower. Lender may choose to make this reduction by reducing the principal owed under the Note or by making a direct payment to Borrower. Lender may choose to make this reduction by reducing the principal owed under the Note or by making a direct payment to Borrower. Lender may choose to make this reduction by reducing the principal owed under the Note or by making a direct payment to Borrower. Lender may choose to make this reduction by reducing the principal owed under the Note or by making a direct payment to Borrower.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument to Borrower. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under applicable law.

23. Waiver of Homestead. Borrower waives all right of homestead exemption in the Property.

24. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument.

A. ADDITIONAL PROPERTY SUBJECT TO THE SECURITY INSTRUMENT. D. RENT LOSS INSURANCE. Borrower shall maintain insurance against rent loss in addition to the other hazards for which insurance is required by Uniform Covenant 5.

E. "BORROWER'S RIGHT TO REINSTATE" DELETED. Uniform Covenant 18 is deleted.

F. BORROWER'S OCCUPANCY. Unless Lender and Borrower otherwise agree in writing, the first sentence in Uniform Covenant 6 concerning Borrower's occupancy of the Property is deleted. All remaining covenants and agreements set forth in Uniform Covenant 6 shall remain in effect.

G. ASSIGNMENT OF LEASES. Upon Lender's request, Borrower shall assign to Lender all leases of the Property and all security deposits made in connection with leases of the Property. Upon the assignment, Lender shall have the right to modify, extend or terminate the existing leases and to execute new leases, in Lender's sole discretion. As used in this paragraph G, the word "lease" shall mean "sublease" if the Security Instrument is on a leasehold.

H. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION. Borrower absolutely and unconditionally assigns and transfers to Lender all the rents and revenues ("Rents") of the Property, regardless of to whom the Rents of the Property are payable. Borrower authorizes Lender or Lender's agents to collect the Rents, and agrees that each tenant of the Property shall pay the Rents to Lender or Lender's agents. However, Borrower shall receive the Rents until (i) Lender has given Borrower notice of default pursuant to paragraph 21 of the Security Instrument and (ii) Lender has given notice to the tenant(s) that the Rents are to be paid to Lender or Lender's agent. This assignment of Rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (i) all Rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the Rents of the Property; (iii) Borrower agrees that each tenant of the Property shall pay all Rents due and unpaid to Lender or Lender's agents upon Lender's written demand to the tenant; (iv) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the costs of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by the Security Instrument; (v) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received; and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by the Security Instrument pursuant to Uniform Covenant 7.

Borrower represents and warrants that Borrower has not executed any prior assignment of the Rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph.

Lender, or Lender's agents or a judicially appointed receiver, shall not be required to enter upon, take control of or maintain the Property before or after giving notice of default to Borrower.
