Grantor shall provide Lender with the original and fully executed Leases, all modifications thereto, and all records relating thereto on demand by Lender. Grantor will not convey to tenants or any other person or entity, the fee title to the Real Property or any portion thereof.

TERMS OF ASSIGNMENT. With respect to the Leases and Rents, Grantor agrees as follows:

Assignment of Leases. The rights assigned hereunder by Grantor in connection with the Leases includes all of Grantor's right and power to modify, terminate, accept, surrender or to waive or release tenants from performance or observance of any obligation or condition of the Leases. Prior to an Event of Default, however, Grantor shall have the right, without joinder of Lender, to enforce the Leases.

Assignment of Rents. Grantor's assignment of all Leases and Rents to Lender hereunder is subject to a license hereby granted by Lender to Grantor to collect and receive all of the Rents (such license evidenced by Lender's acceptance of this Assignment), subject to the terms and conditions hereof; provided, however, upon the occurrence of any event or circumstance which with the lapse of time or the giving of notice or both would constitute an Event of Default hereunder, such licensee shall automatically and immediately terminate and Grantor shall hold all Rents paid to Grantor thereafter in trust for use and benefit of Lender and Lender shall have the right, power and authority, whether or not it takes possession of the Property, to seek enforcement of any such lease, contract or bond and to demand, collect, receive, sue for and recover in its own name any and all of the above described amounts assigned hereby and to apply the sum(s) collected, first to the payment of expenses incident to the collection of same, and the balance to the payment of the Indebtedness; provided further, however, that Lender shall not be deemed to have taken possession of the Property except on the exercise of its option to do so, evidenced by its demand and overt act for such purpose. It shall not be necessary for Lender to institute any type of legal proceedings or take any other action whatsoever to enforce the assignment provisions in this Assignment. Notwithstanding anything contained herein or in any of the other Related Documents to the contrary, this Assignment is an absolute, unconditional and presently effective assignment, and not a security interest.

Right to Rely. Grantor hereby irrevocably authorizes and directs the tenants under the Leases to pay Rents to Lender upon written demand by Lender without notice or consent of Grantor, and the tenants may rely upon any written statement delivered by Lender to the tenants. Any such payment to Lender shall constitute payment to Grantor under the Lease. The provisions of this paragraph are intended solely for the benefit of the tenants and shall never inure to the benefit of Grantor or any person claiming through or under Grantor, other than a tenant who has not received such notice. The assignment of Leases and Rents set forth herein is not contingent upon any notice or demand by Lender to the tenants.

FULL PERFORMANCE. If Grantor pays all of the Indebtedness when due and otherwise performs all the obligations imposed upon Grantor under this Assignment, the Note, and the Related Documents, Lender shall execute and deliver to Grantor a suitable satisfaction of this Assignment and suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Rents and the Property. Any termination fee required by law shall be paid by Grantor, if permitted by applicable law. If, however, payment is made by Borrower, whether voluntarily or otherwise, or by guarantor or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment (a) to Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, (b) by reason of any judgment, decree or order of any court or administrative body having jurisdiction over Lender or any of Lender's property, or (c) by reason of any settlement or compromise of any claim made by Lender with any claimant (including without limitation Borrower), the Indebtedness shall be considered unpaid for the purpose of enforcement of this Assignment and this Assignment shall continue to be effective or shall be reinstated, as the case may be, notwithstanding any cancellation of this Assignment or of any note or other instrument or agreement evidencing the Indebtedness and the Property will continue to secure the amount unpaid or recovered to the same extent as if that amount never had been originally received by Lender, and Grantor shall be bound by any judgment, decree, order, settlement or compromise relating to the Indebtedness or to this Assignment.

EXPENDITURES BY LENDER. Grantor will pay to Lender the amount of any and all costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) which Lender may incur in connection with (i) the preservation of the interest created hereunder, (ii) the exercise or enforcement of any rights of Lender hereunder, or (iii) the failure by Grantor to perform or observe any of the provisions hereof. Any amount that Lender incurs in connection with the foregoing will bear interest at the default rate of interest charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor and shall be secured hereunder.

DEFAULT. Each of the following, at the option of Lender, shall constitute an event of default ("Event of Default") under this Assignment:

Default on Indebtedness. Failure of Borrower to make any payment when due on the Indebtedness.

Abandonment. Grantor abandons all or a portion of the Property.

Action by Other Lienholder.
