THE NOTE LIMITS THE AMOUNT THE CORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE ADJUSTABLE RATE TO A FIXED RATE.

ADDITIONAL COVENANTS. in addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

6.500 %. The Note provides for changes in the adjustable The Note provides for an initial interest rate of interest rate and the monthly payments, as follows:

4. ADJUSTABLE INTEREST RATE AND MONTHLY JAYMENT CHANGES

(A) Change Dates

JUNE 1 The adjustable interest rate I will pay may change on the first day of month thereafter. Each date on which my adjustable interest rate could change 12 th that day every is called a "Rate Change Date."

(B) The Index

Beginning with the first Rate Change Date, my adjustable interest rate will be prised on an Index. The "Index" is the twelve-month average of monthly yields on actively traded United States Treasury Securities, adjusted to a constant maturity of one year.

My index is calculated by adding together the yields of one-year Treasury Constant Maturities (as published in Federal Reserve Statistical Release G-13), for the preceding twelve months available as of the dr.c. 5 days before each Rate Change Date, and dividing the result by twelve. The result of this calculation is called the "Current Index."

6.135 The most recent Index figure available on the date this Note was prepared was

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Rate Change Date, the Note Holder will calculate my new interest rate by adding

2.750%) to the Current Index. The Note Holder will then round the 2.750 percentage point(s) (result of this addition to the next highest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Rate Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Rate Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Rate Change Date will not be greater than 4.500 %. Thereafter, my interest rate will never be increased or decreased on any single Rate Change Date by more than 2.000 % from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 12.375 %, which is called the "Maximum Rate."

(E) Effective Date of Changes

My new interest rate will become effective on each Rate Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Rate Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver of mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to corvert from an adjustable interest rate with interest rate limits to a fixed interest rate, as follows:

5. FIXED INTEREST RATE CONVERSION OPTION

(A) Option to Convert to Fixed Interest Rate

I have a Conversion Option which I can exercise in accordance with the requirements of this Section 5. The "Conversion Option" is my option to convert the interest rate I am required to pry by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(C) below.

The Conversion Option will be available to me only during the period beginning on the twelfth payment due date and ending on the 50TH payment due date. The date on which I notify the Note Holder that I am exercising the Conversion Option is called the "Exercise Date." Provided that all the requirements of this Section 5 are met, the new, fixed interest rate will be effective beginning on the first day of the second month following the month in which the Exercise Date occurred. The date the fixed interest rate becomes effective is called the "Conversion Date."

Once I notify the Note Holder of my decision to exercise the Conversion Option, the Note Holder will forward to me any documents necessary to effect the conversion. I must complete and sign the documents provided by the Note Holder and return them to the Note Holder together with the fees as specified in 5(B) below. If the required fees and properly completed documents are not received by the Note Holder by a date or dates specified by the Note Holder, my adjustable interest rate will not be converted to a fixed interest rate and I will forfeit my right to exercise the Conversion Option in the future.

(B) Conditions

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (i) I must give the Note Holder notice that I want to exercise the Conversion Option; (ii) I must not be in default under the Note or the Security Instrument at any time from the Exercise Date through the Conversion Date; (iii) I must pay the Note Holder a non-refundable conversion fee in the amount of U.S. \$ 250.00; (iv) I must not have been 30 days or more delinquent in making any payment I was required to make under this Note during the 12 months immediately preceding the Exercise Date; (v) I must meet the Note Holder's property and credit standards in effect as of the Exercise Date for home loans with fixed interest rates converted from adjustable interest rates; (vi) by a date specified by the Note Holder I must supply to the Note Holder any requested information to complete an updated credit review and

I must pay any credit report fees paid by the Note Holder; (vii) if the Note Holder believes the value of the property described in the Security Instrument may have declined since the Note date, the Note Holder must have received an updated appraisal of the property described in the Security Instrument prepared by an appraiser acceptable to the Note Holder and I must pay any related appraisal fee by a date specified by the Note Holder; and (viii) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

(C) Calculation of Fixed Rate

My new, fixed interest rate on the Conversion Date will be equal to the Federal National Mortgage Association's required net yield as of a date and time specified by the Note Holder, for the purchase of: (i) if the original term of this Note is greater than 15 years, 30-year fixed rate mortgage loans under 60-day mandatory delivery commitments, plus

5/8 OF 1% rounded to the next highest one-eighth of one percentage point (0.125%), or (ii) if the original term of this Note is 15 years or less, 15-year fixed rate mortgage loans under 60-day mandatory delivery commitments plue 5/8 OF 1%

, rounded to the next highest one-eighth of one percentage poin (0.125%); provided, however, that if Note Polder's required yield, as of the same date and time for adjustable rate loans converting to fixed rates is less than the applicable Federal National Mortgage Association's required net yield plus the percentage indicated above, my new fixed interest rate will equal the Note Holder's required yield. If these applicable yields cannot be determined for any reason, the Note Holder will determine my new fixed interest rate by using comparable information. My new fixed interest rate calculated under this Section 5(C) will not be greater than the Maximum Rate stated in Section 4(D) above.

(D) New Payment Amount and Effective Date

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal [artexpected to owe on the Conversion Date in full on the Maturity Date at my new, fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the Maturity Date, when I will pay in fall the remaining balance owed.

C. TRANSFER OF THE PROPERTY OR A BENEFICIAL EXCEREST IN BORROWER

1. Until Borrower exercises the Conversion Option under the contains stated in Section B of this Adjustable Rate Rider, Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Portover is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate paymen, in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee; and (b) Lender rear opably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any expenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower.

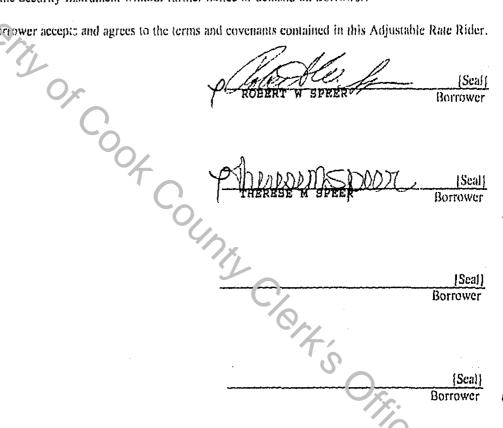

UNOFFICIAL

2. If Borrower exercises the Conversion Option under the conditions stated in Section B of this Adjustable Rate Rider, the amendment to Uniform Covenant 17 of the Security Instrument contained in Section C1 above shall then cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall instead be in effect, as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lander exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower.
