THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Application of Payments. Unless applicable law provides otherwise, all payment received by Lender under paragraph 1 shall be applied; first, to accrued interest; second, to past due insurance; third, to current billed insurance; fourth to past due principal; fifth, to current billed principal; sixth, to charges; seventh, to principal due; and last, to accrued but unbilled insurance.

3. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay them on time directly to the person owed payment. Upon Lender's request, Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph and shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security instrument except for the Prior Mortgage unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender gubordinating the lien to this Security instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument except for the Prior Mortgage, Lender may give

24P1

## **UNOFFICIAL COPY**

Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth

above with 10 days of the giving of notice.

4. Hazard insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property Insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower falls to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 6.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the astoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceed's shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to for rower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the Insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the process to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of the payments. If under paragraph 20 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of

the sums secured by this Security instrument immediately prior to the acquisition.

5. Preservation and Maintenance of Property; Borrower's Application; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit wasts. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the property or otherwise materially impair the lien created by this Security instrument or Lender's security interest. Somewer may cure such a default and reinstate, as provided in paragraph 16, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or falled to provide Lender with any material information) in connection with the loans evidenced by the Agreement. If this Security Instrument is on leasehold, Borrower shall comply vit the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not inerge unless Lender agrees to the merger in writing.

6. Protection of Lender's Rights in the Property. If Borrower falls of priform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as proceeding in bankruptcy, probate, for condemnation, or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 6, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 6 shall become additional dant of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest upon notice from

Lender to Borrower requesting payment.

7. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable value for the inspection.

8. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are

hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.
