COOK COUNTY RECORDER

THIS MORTGAGE IS A SECOND MORTGAGE

## MORTGAGE, ASSIGNMENT OF RENTS & SECURITY AGREEMENT (CHATTEL MORTGAGE)

THIS MORTGAGE ("Security Instrument") is given on June 14, 1995, by Milton Echeverria, divorced and not since remarried, ("Mortgagor"). This Security Instrument is given to Mid Town Bank and Trust Company of Chicago, which is organized and existing under the laws of the State of Illinois, and whose address is 2021 North Clark Street, Chicago, Illinois 60614 ("Lender"). Mortgagor is justly indebted to Lender in the principal sum of Seventy-Five Thousand and 00/100 (\$75,000.00) Dollars, which indebtedness is evidenced by a certain note dated of even date herewith ("Note"), which Note provides for payments of the indebtedness as set forth below:

### Interest

Borrower promises and agrees to pay to Lender interest on the unpaid principal balance evidenced by this Note at the following rate: 8.875% per annum.

The rate stated above is a special rate offered by Lender to Borrower on the strict condition that the Borrower maintain a checking account with Lender which will be automatically debited for payments due under the loan. If Borrower fails to maintain an account with a sufficient balance when needed to be debited automatically for each payment, when due, then, at Lender's option, the interest rate will increase one-half percent (0.5%) per annum, and such increase will be effective as of the first day of the month preceding the month in which a payment is not automatically debited.

Borrower shall have no obligation to maintain a checking account with Lender or to continue with the automatic debiting of the account. At any time Borrower may instruct Lender to close such checking account or discontinue the automatic debiting of such account; provided, however, that if the interest rate is automatically increased as herein provided (whether on account of a default or voluntary action of the Borrower), Lender shall have no obligation to reinstate the lower interest rate if the Borrower cures any default or later requests reinstatement of the automatic debiting procedure.

If the Initial Interest Rate is increased, the amount of each remaining Monthly Installment will be higher than the amount stated herein.

of the Premises which is Lender's security for the loan. It is recognized that Lender is entitled to keep its own portfolio at current interest rates by either making new loans at such rates or collecting assumption fees and/or increasing the interest rate on a loan the security for which is purchased by a party other than the original Mortgagor and/or its beneficiary (if applicable). Mortgagor and/or its beneficiary (if applicable) further recognize that any secondary or junior financing placed upon the Premises, or the beneficial interest of beneficiary in Mortgagor:

- a. may divert funds which would otherwise be used to pay the Note secured hereby;
  - b. could result in acceleration and foreclosure by any such junior encumbrancer which would force Lender to take measures and incur expenses to protect its security;
  - c. would detract from the value of the Premises should Lender come into possession thereof with the intention of selling same; and
  - d. impair Lender's right to accept a deed in lieu of foreclosure, as a foreclosure by Lender would be necessary to clear the title of the Premises.
2. In accordance with the foregoing and for the purposes of:
    - a. protecting Lender's security, both of repayment of the indebtedness and of value of the Premises;
    - b. giving Lender the full benefit of its bargain and contract with Mortgagor and/or beneficiary (if applicable) and Mortgagor;
    - c. allowing Lender to raise the interest rate and/or collect assumption fees; and
    - d. keeping the Premises and the beneficial interest (if applicable), free of subordinate financing liens, beneficiary (if appropriate) and Mortgagor agree that if this Paragraph be deemed a restraint on alienation, that it is a reasonable one and that any sale, conveyance assignment, further encumbrance or other transfer of title to the Premises or any interest therein (whether voluntary or by operation of law) without the Lender's prior written consent shall be an event of default hereunder. For the purpose of, and without limiting the generality of, the preceding sentence, the occurrence at any time of any of the following events shall be deemed to be an unpermitted transfer of title to the Premises and therefore an event of default hereunder:
      - (1) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, all or any part of the title to the Premises or the beneficial interest or power of direction under the trust agreement with the Mortgagor, if applicable;
      - (2) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any share of stock of the Mortgagor (if a corporation) or the corporation which is the beneficiary or one of the beneficiaries under the trust agreement with the Mortgagor, or of any corporation directly or indirectly controlling such beneficiary corporation;
      - (3) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any general partnership interest of the limited partnership or general partnership (herein called the "Partnership") which is the Mortgagor or the beneficiary or one of the

default hereunder or under the Note, it shall have the privilege of collecting and retaining the rents accruing under the leases assigned hereby, until such time as Lender shall elect to collect such rents pursuant to the terms and provisions of this Security Instrument.

6. The Lender shall not be obliged to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under any leases, and the Mortgagor shall and does hereby agree to indemnify and hold the Lender harmless of and from any and all liability, loss or damage which it may or might incur under said leases or under or by reason of the assignment thereof and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in said leases. Should the Lender incur any such liability, loss or damage under said leases or under or by reason of the assignment thereof, or in the defense of any claims or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured hereby, and the Mortgagor shall reimburse the Lender therefor immediately upon demand.

M. Application of Rents. The Lender, in the exercise of the rights and powers hereinabove conferred upon it by Paragraph 11 hereof, shall have full power to use and apply the avails, rents, issues and profits of the Premises to the payment of or on account of the following, in such order as the Lender may determine:

1. To the payment of the operating expenses of the Premises, including cost of management and leasing thereof (which shall include reasonable compensation to the Lender and its agent or agents, if management be delegated to any agent or agents, and shall also include lease commissions and other compensation and expenses of seeking and procuring tenants and entering into leases), established claims for damages, if any, and premiums on insurance hereinabove authorized;
2. To the payment of taxes and special assessments now due or which may hereafter become due on the Premises;
3. To the payment of all repairs, decorating, renewals, replacements, alterations, additions, betterment, and improvements of the Premises, and of placing said property in such condition as will, in the judgment of the Lender, make it readily rentable;
4. To the payment of any indebtedness secured hereby or any deficiency which may result from any foreclosure sale.

N. Environmental Matters. Mortgagor represents that it is currently in compliance with, and covenants and agrees that, it will manage and operate the Premises and will cause each tenant to occupy its demised portion of the Premises in compliance with, all federal, state and local laws, rules, regulations and ordinances regulating, without limitation, air pollution, soil and water pollution, and the use, generation, storage, handling or disposal of hazardous or toxic substances or other materials (including, without limitation, raw materials, products, supplies or wastes). Mortgagor further covenants and agrees that it shall not install or permit to be installed in the Premises asbestos or any substance containing asbestos and deemed hazardous by or in violation of federal, state or local laws, rules, regulations or orders respecting such material. Mortgagor shall send to Lender within five (5) days of receipt or completion thereof, any report, citation, notice

Without limitation of the foregoing, Lender shall not be deemed to be such a partner or joint venturer on account of its becoming a mortgagee in possession or exercising any rights pursuant to this Security Instrument or pursuant to any other instrument or document evidencing or securing any of the indebtedness secured hereby, or otherwise.

Q. Future Advances. This Security Instrument is given to secure a non-revolving credit loan and shall secure not only the existing indebtedness, but also such future advances, whether such advances are obligatory or to be made at the option of the Lender, or otherwise, as are made within twenty years from the date hereof, to the same extent as if such future advances were made on the date of execution of this Security Instrument, although there may be no advance made at the time of execution of this Security Instrument, and although there may be no indebtedness outstanding at the time any advance is made.
