Inaction of Trustee or holders of the notes shall never be considered as a waiver of any right accruing to them on account of any default hereunder on the part of the Mortgagors.

3. The Trustee or the holders of the notes hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without injury to the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof.

At the option of the holders of the principal notes, or any of them, and without notice to Mortgagors, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the principal notes or in this Trust Deed to the contrary, become due and payable (a) immediately in the case of default in making payment of any of the principal notes, or (b) when default shall occur and continue for three days in the payment of any interest or in the performance of any other agreement of the Mortgagors herein contained.

8. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute accrued indebtedness additional to that evidenced by the principal notes with interest thereon as herein provided; third, all principal and interest remaining unpaid on the principal notes; fourth, any overplus to Mortgagors, their heirs, legal representatives or assigns, as their rights may appear.

Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of the Mortgagors at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have the power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Mortgagors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management, and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (a) The indebtedness secured hereby, or by any decree foreclosing this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (b) the deficiency in case of sale and deficiency.

10. No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would go to good and available to the party interposing same in an action at law upon the notes hereby secured.
