This Security Instrument combines uniform covenants for national use and non-infform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Reai Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reas mable estimates, of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall he held in an institution whose deposits are instituted by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender incorrection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may tgree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual acrow using of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law. Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up to deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument. Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; se and, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground reads; if any, Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of an ounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender selvor-dinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Horrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Bostower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Bostower subject to Lender's approval which shall not be unreasonably withheld. If Bostower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. I ender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is began that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a defeat and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in i.e. or's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the tien created by this Security Instrument or Lender's security interest. Porrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Eander (or failed to provide Leader with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Boylover shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.
- 7. Protection of Lender's Rights in the Property. If Bortower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall be interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect. Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available. Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to previde a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceed shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."
(B) The Index
Beginning with the first Change Date, my interest rate will be based on an Index. The "index" is the weekly
average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as more available by the
Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called
the "Current Index."
If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable

information. The Note Holder will give me notice of this choice.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Tracter of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of his Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender intornation required by Lender to evaluate the intended transferce as if a new loan were being made to the transferce; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be additional under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies provided by this Security Instrument without further notice or demand on Borrower.

By Signing Below. Borrower accepts and agrees to the terms on covenants contained in this Adjustable Rate Rider.

ADDENDUM TO RIDER TO SECURITY INSTRUMENT

(Fixed Rate Conversion Option)

This Addendum to Rider to Security Instrument is made this 22ND day of JULY, 1996, and is incorporated into and shall be deemed to amend and supplement the Rider to Security Instrument (the "Rider"), dated the same date as this Addendum and given by the undersigned (the "Borrower") to secure Borrower's Promissory Note, with Addendum at Promissory Note, to FIRST NATIONWIDE MORTGAGE CORPORATION

(the "Lender") and dated the same date as this Addendum to Promissory Note

(the "Note"), covering the property described in the Security Instrument and located at:

5243 N. LIANO AVE., CHICAGO, ILLINOIS 60630-0000

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument and the Rider, Borrower and Lender further covenant and agree as follows:

1. CONVERSION PERIOD

I can make a written request to convert my loan to a fixed rate loan only during the Conversion Period, which begins on the due date of the 15th regularly scheduled monthly payment, and ends on the due date of the 69th regularly scheduled monthly payment. If the option is not exercised within this period, the loan will remain an adjustable rate loan for the remainder of the original term.

2. CONVERSION CONDITIONS

A PERSONAL PROPERTY OF THE PRO

To qualify to exercise my conversion option 1 must pay the conversion fee in certified funds, and sign the Modification Agreement. I also must be current on my loan, and must not have had any delinquencies of 30 days or more during the preceding 12 months.

3. CONVERSION INTEREST RATE

- (A) The fixed interest rate in effect on my loan after conversion is called the "Conversion Interest Rate." The Conversion Interest Rate will be calculated by adding 0.625 % to the Federal National Mortgage Association's ("FNMA") required net yield for fixed rate mortgages covered by the applicable 60-day mandatory delivery requirements ("FNMA yield"), and rounding the result to the nearest one-eighth of one percent (0.125%). If my mortgage has a 30-year term, FNMA yield will mean the relevant net yield on 30-year fixed rate mortgages; if my mortgage has a 15-year or shorter term, FNMA yield will mean the relevant net yield on 15-year fixed rate mortgages. If the required FNMA yield is not available, the Lender will determine my Conversion Interest Rate by using a comparable figure.
- (B) The Lender has the right to select a more current FNMA yield.
- (C) The maximum Conversion Interest Rate is the same as the Maximum Interest Rate stand in the Promissory Note.

4. CONVERSION PROCEDURE

(A) Conversion Request. The conversion procedure begins when I notify the Lender in writing of my request to convert my loan. I must send my request to the Lender either by certified or express mail. Upon receipt of my written request and the conversion fee in certified funds, the Lender will send me a Modification Agreement, which I will sign and return to the Lender by a specified due date. Cancellations will not be allowed after receipt by the Lender of the signed Modification Agreement.

If I exercise my option to convert, the date on which my written request and fee are received by the Lender is called the "Registration Date." The "Conversion Date" will be the date the Conversion Interest Rage

becomes effective. If the Registration Date is on or before the 15th calendar day of the month, the Conversion Date will be the first calendar day of the month following the Registration Date. If the Registration Date falls between the 16th calendar day and the end of the month, the Conversion Date will be the first calendar day of the second month following the Registration Date.

- (B) Conversion Fee. The Conversion Fee is \$250.00 . If I fail to submit my signed Modification Agreement to the Lender by the specified due date, the Lender will not guarantee the Conversion Interest Rate, and I will be required to pay an additional \$125.00 to the Lender to redraw a Modification Agreement with the current Conversion Interest Rate. If I fail to return the Modification Agreement to the Lender by the second due date, I will forfeit all conversion fees paid. If I choose to convert at some time in the future, I will be required to pay the conversion fee again at that time. The conversion fee is refundable if the Lender disapproves my request to convert because my loan is not current, or has had one or more delinquencies within the last 12 months. The conversion fee is nonrefundable if I have not submitted certain supplementary information requested by the Lender within the time allotted.
- (C) The Limits. The Conversion Interest Rate quoted in my Modification Agreement will be valid for a specified period of time beginning on the Registration Date. If the Lender requests any supplementary information, I must provide it within this period. If I do not provide the information within the time allotted, I will not be able to convert at the Conversion Interest Rate specified in the Modification Agreement, and my conversion [2007/11] not be refunded.
- (D) Modification Agreement. If the Lender approves my request to convert, the Lender and I will prepare a Modification Agreement, modifying the Promissory Note. Under the Modification Agreement, the Conversion Interest Rate will go into affect on the Conversion Date. As a result of the new interest rate, the amount of my monthly payment will change, beginning on the first calendar day of the month following the Conversion Date, and will remain the same for the remaining term of the loan. My new monthly payment will be an amount sufficient to repay my loan based on the Conversion Interest Rate, outstanding principal balance on the Conversion Date, and the remaining term of the loan. The remaining term of the loan after conversion will be the same as before conversion.

5. DUE-ON-SALE

After the Conversion Date, my loan is no longer transferable. The Modification Agreement will contain a provision revising the Due-on-Sale clause in the Note.
