assessments against the same and for any other purpose authorized hereunder. Said note or notes shall be secured hereby on a parity with and as fully as if the advance evidenced thereby were included in the note first described above. Said supplemental note or notes shall bear interest at the rate provided for in the principal indebtedness and shall be payable in approximately equal monthly payments for such period as may be agreed upon by the creditor and debtor. Failing to agree on the maturity, the whole of the sum or sums so advanced shall be due and payable thirty (30) days after demand by the creditor. In no event shall the maturity extend beyond the ultimate maturity of the note first described above.

It is expressly provided, however (all other provisions of this mortgage to the contrary notwithstanding), that the Mortgagee shall not be required nor shall it have the right to pay, discharge, or remove any tax, assessment, or tax lien upon or against the premises described herein or any part thereof or the improvements situated thereon, so long as the Mortgagor shall, in good faith, contest the same or the validity thereof by appropriate legal proceedings brought in a court of competent jurisdiction, which shall operate to prevent the collection of the tax, assessment, or lien so contested and the sale or forfeiture of the said premises or any part thereof to satisfy the same.

AND the said Mortgagor further covenants and agrees as follows:

Privilege is reserved to prepay at any time, without premium or fee, the entire indebtedness or any part thereof not less than the amount of one installment, or one hundred dollars (\$100.00), whichever is less. Prepayment in full shall be credited on the date received. Partial prepayment other than on an installment due date, need not be credited until the next following installment due date or thirty days after such prepayment, whichever is earlier.

Subject to applicable law or to a written waiver by Mortgagee, Mortgagor shall pay to Mortgagee on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Mortgagee may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a Mortgagee for a federally related mortgage loan may require for Mortgagor's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Mortgagee may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Mortgagee may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Mortgagee, if Mortgagee is such an institution) or in any Federal Home Loan Bank. Mortgagee shall apply the Funds to pay the Escrow Items. Mortgagee may not charge Mortgagor for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Mortgagee pays Mortgagor interest on the Funds and applicable law permits Mortgagee to make such a charge. However, Mortgagee may require Mortgagor to pay a one-time charge for an independent real estate tax reporting service used by Mortgagee in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Mortgagee shall not be required to pay Mortgagor any interest or earnings on the Funds. Mortgagor and Mortgagee may agree in writing, however, that interest shall be paid on the Funds. Mortgagee shall give to Mortgagor, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

Any deficiency in the amount of any such aggregate monthly payment shall, unless made good prior to the due date of the next payment, constitute an event of default under this Mortgage. At Mortgagee's option, Mortgagor will pay a "late charge" not exceeding four per centum (4%) of any installment when paid more than fifteen (15) days after the due date hereof to cover the extra expense involved in handling delinquent payments, but such "late charge" shall not be payable out of the proceeds of any sale made to satisfy the indebtedness secured hereby, unless such proceeds are sufficient to discharge the entire indebtedness and all proper costs and expenses secured hereby.

If the Funds held by the Mortgagee exceed the amounts permitted to be held by applicable law, Mortgagee shall account to Mortgagor for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Mortgagee at any time is not sufficient to pay the Escrow Items when due, Mortgagee may so notify Mortgagor in writing, and, in such case, Mortgagor shall pay to Mortgagee the amount necessary to make up the deficiency. Mortgagor shall make up the deficiency in no more than twelve monthly payments, at Mortgagee's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Mortgagee shall promptly refund to Mortgagor any Funds held by Mortgagee. If Mortgagee shall acquire or sell the Property, Mortgagee, prior to the acquisition or sale of the Property, shall apply any Funds held by Mortgagee at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.
