INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Date

The interest rate may change on the first day of January 1998, and on that day of each succeeding year. "Change Date" means each date on which the interest rate could change.

(B) The index

Beginning with the first Change Date, the interest rate will be based on an Index. "Index" means the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the reacril Reserve Boarc. "Current Index" means the most recent Index figure available 30 days before the Change Date. I the Index (as defined above) is no longer available, Lender will use as a new Index any index prescribed by the Secretary. As used in this Rider, "Secretary means the Secretary of Housing and Urban Development or his or our designee," Lender will give Borrower notice of the new Index.

(C) Calculation of Interest date Changes

Before each Change Date, Londor will calculate a new interest rate by adding a margin of TWO & THREE-QUARTERS percentage point(s) (2.750 %) to the Current Index and rounding the sum to the nearest one-cightly of one percentage point (0.125%). Subject to the limits stated in paragraph (D) of this Rider, this rounded ancoral vill be the new interest rate until the next Change Date.

(D) Limits on Interest Rate Changes

The existing interest rate will never increase or decrease by more than one percentage point (1.0%) on any single Change Date. The interest rate will never be core than five percentage points (5.0%) higher or lower than the initial interest rate, as stated in paragraph 2 of the 1000.

(E) Calculation of Payment Change

If the interest rate changes on a Change Date, Lender v. of calculate the amount of monthly payment of principal and interest which v ould be necessary to repay the unjust principal balance in full at the Maturity Date at the new interest rate if rough s obstantially equal payments. In making such calculation, Lender will use the unpaid principal balance which would be owed on the Change Date if there had been no default in payment on the Note, reduced by the a nount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.

(F) Notice of Changes

Lender will give notice to Biorrover of any change in the interest rate and morethly payment amount. The notice must be given at least 25 days before the new monthly payment amount is due, and must set forth (i) the date of the notice, (ii) the Change Date, (iii) the old interest rate, (iv) the new interest rate, (v) the new monthly payment amount, (vi) the Current Index and the date it was published, (vii) the method of ca'culaing the change in monthly payment amount, and (viii) any other information which may be required by law (rom) time to time.

(G) Effective Date of Changes

A new interest rate calculated in accordance with paragraphs (C) and (D) of this Rider will become effective on the Change Date.
