Illinois Statutory Short Form Power of Attorney for Property

(NOTICE: The purpose of this power of attorney is to give the person you designate (your "agent") broad powers to handle your property, which may include powers to pledge, sell or otherwise dispose of any real or personal property without advance notice to you or approval by you. This form does not impose a duty on your agent to exercise granted powers; but when powers are exercised, your agent will have to use due care to act for your benefit and in accordance with this form and keep a record of receipts, disbursements and significant actions taken as agent. A court can take away the powers of your agent if it finds the agent is not acting properly. You may name successor agents under this form but not co-agents. Unless you expressly limit the duration of this power in the manner provided below, until you revoke this power or a power acting on your behalf terminates it, your agent may exercise the powers given here throughout your lifetime, even after you become disabled. The powers you give your agent are explained more fully in Section 3-4 of the Illinois "Statutory Short Form Power of Attorney for Property Law" of which this form is a part (see the back of this form). That law expressly permits in lieu of any different form or power of attorney you may desire. (If there is anything about this form that you do not understand, you should ask a lawyer to explain it to you.)
