The rents, issues and profits so received by said Assignee shall be applied in such order as it may determine, on account of the following:

1. Reasonable expenses and attorneys' fees incurred by said Assignee, in connection with the execution of this Agreement, or which may hereafter, from time to time, be so incurred in connection therewith.

2. Reasonable expenses incident to the management and operation of said premises, including attorney's fees and management commission, either to said Assignee, or such agent or agents as it may retain.

3. Taxes and assessments levied against said premises.

4. Interest, principal and other charges which shall, from time to time, become due under the terms of the Mortgage above-described and the Note secured thereby, without prejudice to the right of the Mortgagee or the holder or holders and owner or owners of the Note secured thereby to enforce any remedy or remedies which it or they may have by reason of the defaults now existing or which may hereafter, from time to time, exist under the terms of said Mortgage and the Note secured thereby.

The Assignee shall have the right and power to exercise this Absolute and Unconditional Assignment of Leases and Rents with or without notice to Assignor of a default under the Mortgage and/or Note as defined and provided therein. Notwithstanding anything herein contained to the contrary, it is expressly understood and agreed that this Absolute and Unconditional Assignment of Leases and Rents will not be exercised unless and until a default occurs under the terms of said Mortgage and/or said Note, which default shall remain uncured beyond any applicable grace period set forth in either the Mortgage or the Note. The rights and powers of the Assignee hereunder may be assigned by instrument in writing to any subsequent holder of the Note secured by said Mortgage, and such assignee and any successive assignees are hereby given the same rights and powers as the Assignee named herein.

The Assignor hereby agrees to save, defend, indemnify and hold harmless Assignee from and against any and all liability which may arise or has arisen with respect to the holding and refunding of any and all security deposits tendered by any and all tenants, whether under written or oral agreement, at the premises, unless the security deposits are specifically held and maintained by Assignee.
