premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30 day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of the payments. If under paragraph 17 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately *prior* to the acquisition.

5 Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds; Condominiums; Planned Unit Developments. Unless Borrower's loan application and Lender's loan approval provided that the Property was not required to be occupied as Borrower's principal residence, Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least 1 year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall not permit, or be alleged to have permitted, the Property to be used in connection with any illegal activity. In that regard, Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

If this Security Instrument is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development and constituent documents.

6 Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, paying insurance premiums, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repair. Although Lender may take action under this paragraph 6, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 6 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these

ADJUSTABLE RATE RIDER (LIBOR 6 Month Index (As Published in *The Wall Street Journal*) - Rate Caps)

SB500J9812

THIS ADJUSTABLE RATE RIDER is made this 3rd day of December, 1996, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Centennial Mortgage Company, a Division of Superior Bank FSB (the "Lender") of the same date and covering the property described in the Security Instrument and located at:
1724 Lake Avenue, Wilmette, IL 60091 (Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

1. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 10.250% (the "Initial Rate"). The Note provides for changes in the interest rate and the monthly payments as follows:

This Note is not payable in installments of equal amounts. Larger installments may be due as provided herein. The interest rate in effect on the date of this Note ("Initial Rate") is 10.250% per year, which, except for odd days' interest, if any, will be applied to a 360 day year consisting of 12 months with 30 days each. Interest begins to accrue on the date set forth in Section 2.

The interest rate I will pay may change on the 1st day of January, 1999, and on that day every 6th month thereafter. Each date on which my interest rate could change is called a "Change Date."

Beginning with the first Change Date, the interest rate will be based on an Index. The "Index" is the average of interbank offered rates for 6 month U.S. dollar-denominated deposits in the London market ("LIBOR") as published in *The Wall Street Journal* "Money Rates" table. The "Current Index" is the most recent Index value available as of the date forty-five (45) days before each Change Date if such date falls on a Friday or, if such date does not fall on a Friday, then the "Current Index" is the most recent Index value available as of the Friday immediately preceding the date forty-five (45) days before each Change Date. Before each Change Date the Note Holder will calculate the new interest rate, which, except for any odd days' interest upon prepayment in full, will be applied to a 360 day year consisting of 12 months with 30 days each, by adding 5.750 percentage points (the "Margin") to the Current Index. When a new rate is determined, the rate will be rounded to the nearest 1/8%. The Note Holder will then determine the amount of the level monthly payment that will be sufficient to repay the then unpaid principal in full by the maturity date of this Note, assuming that all delinquent payments are made and that all future payments are made when due.
