(1) Section 22.2(f) of the Act states:

"Notwithstanding any other provision or rule of law, and subject only to the defenses set forth in subsection (j) of this Section, the following persons shall be liable for all costs of removal or remedial action incurred by the State of Illinois as a result of a release or substantial threat of a release of a hazardous substance:

- (A) The owner and operator of a facility or vessel from which there is a release or substantial threat of release of a hazardous substance;
- (B) Any person who at the time of disposal, transport, storage or treatment of a hazardous substance owned or operated the facility or vessel used for such disposal, transport, treatment or storage from which there was a release or substantial threat of a release of any such hazardous substance;
- (C) Any person who by contract, agreement, or otherwise has arranged with another party or entity for transport, storage, disposal or treatment of hazardous substances owned, controlled or possessed by such person at a facility there is a release or substantial threat of a release of such hazardous substances; and
- (D) Any person who accepts or accepted any hazardous substances for transport to disposal, storage or treatment facilities or sites from which there is a release or a substantial threat of a release of a hazardous substance."

(2) Section 4(g) of the Act states:

"The Agency shall have the authority to provide notice to any person who may be liable pursuant to Section 22.2(f) of this Act for a release or a substantial threat of a release of a hazardous substance. Such notice shall include the identified response action and an opportunity for such person to perform the response action."

(3) Section 22.2(k) of the Act states:

"If any person who is liable for a release or substantial threat of release of a hazardous substance fails without sufficient cause to provide removal or remedial action upon or in accordance with a notice and request by the agency or upon or in accordance with any order of the Board or any court, such person may be liable to the State for punitive damages in an amount at least equal to, and not more than 3 times, the amount of any costs incurred by the State of Illinois as result of such failure to take such removal or remedial action. The punitive damage imposed by the Board shall be in addition to any costs recovered from such person pursuant to this Section and in addition to any other penalty or relief provided by this Act or any other law."

(4) Section 22.18(a) of the Act states:

"Notwithstanding any other provision or rule or law, except as provided otherwise in subsection (g), the owner or operator, or both, of an underground storage tank shall be liable for all costs of preventive action, corrective action and enforcement action incurred by the State of Illinois as a result of a release or a substantial threat of release of petroleum from an underground storage tank."

(5) The text of the statutes set out above is subject to change by amendment. Persons using this form may update it to reflect changes in the text of the statutes cited, but no disclosure statement shall be invalid merely because it sets forth an obsolete or superseded version of such text.

IV. ENVIRONMENTAL INFORMATION

A. Regulatory Information During Current Ownership

1. Has the transferor ever conducted operations on the property which involved the generation, manufacture, processing, transportation, treatment, storage or handling of "hazardous substances," as defined by the Illinois Environmental Protection Act? This question does not apply to consumer goods stored or handled by a retailer in the same form and approximate amount, concentration, and manner as they are sold to consumers, unless the retailer has engaged in any commercial mixing (other than paint mixing or tinting of consumer sized containers), finishing, refinishing, servicing, or cleaning operations on the property.

8ve 0 No

2. Has the transferor ever conducted operations on the property which involved the processing, storage or handling of petroleum, other than that which was associated directly with the transferor's vehicle used?

Yes No

3. Has the transferor ever conducted operations on the property which involved the generation, transportation, storage, treatment or disposal of "hazardous or special wastes," as defined by the Federal Resource Conservation and Recovery Act and the Illinois Environmental Protection Act?

Yes No

4. Are there any of the following specific units (operating or closed) at the property which are used or were used by the transferor to manage waste, hazardous wastes, hazardous substances or petroleum?

Office

If there are "YES" answers to any of the above items and the transfer of property is other than a mortgage or collateral assignment of beneficial interest, attach a site plan which identifies the location of each unit, such site plan to be filed with the Environmental Protection Agency along with this disclosure document. See Exhibit B attached hereto and made a part hereof.

9. Environmental Releases During Transferor's Ownership.

(A) Has any situation occurred at this site which resulted in a reportable "release" of any hazardous substances or petroleum as required under State or federal laws?

Yes No

(B) Have any hazardous substances or petroleum, which were released, come into direct contact with the ground at this site? N/A

Yes No

(C) If the answers to questions (A) and (B) are Yes, have any of the following actions or events been associated with a release on the property? N/A

Use of a cleanup contractor to remove or treat materials including soils, pavement or other surficial materials.

Assignment of in-house maintenance staff to remove or treat materials including soils, pavement, or other surficial materials.

Designation, by the IEPA or the IEMA, of the release as "significant" under the Illinois Chemical Safety Act.

Sampling and analysis of soils.

Temporary or more long-term monitoring of groundwater at or near the site.

Impaired usage of an on-site or nearby water well because of offensive characteristics of the water.

Coping with runoffs from subsurface storm drains or inside basements, etc.

Signs of substances leaching out of the ground along the base of slopes or at other low points on or at other low points on or immediately adjacent to the site.

10. Is the facility currently operating under a variance granted by the Illinois Pollution Control Board?

Yes No

11. Is there any explanation needed for clarification of any of the above answers or responses?

No

3. Site Information Under Other Ownership or Operation

1. Provide the following information about the previous owner or any entity or person the transferor leased the site or to otherwise contracted with for the management of the site or the property:
