The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in early Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower Interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Sorrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid center shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are piedged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. In the amount of the Funds held by Lender at any time to not sufficient to pay the Escrow Itania when due, Lender may so notly Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Unless Lender and Borrower otherwise aresets writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. Borrower may cure such a default and reinstate, as provided in paragraph 8, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfrault of the Borrower's interest in the Property or other material impairment of the ilen created by this Security instrument, in Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave metarially talse or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the toan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of he Property as a principal residence. #### 1. CONDITIONAL RIGHT TO REFINANCE

At the maturity date of the Note and Sucurity instrument (the "Maturity Date"), I will be able to obtain a new loan ("New Loan') with a new Maturity Date of MARCH 1 2006 \_ , and with an interest rate aqual to the 'New Note Rate' determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Refinancing Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinence or modify the Note, or to extend the Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to land me the money to repay the Note.

#### 2. CONDITIONS TO OPTION

If I want to exercise the Conditional Refinencing Option at maturity, certain conditions must be mut as of the Maturity Date. These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the 'Property'); (2) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Maturity Date. (3) no lien against the Property (except for taxes and special assessments not yet due and payable) other than that of the Security instrument may exist; (4) the New Note Rate cannot be more than 5 percentage points above the Note Hate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

#### 3. CALCULATING THE NEW NOTE RATE

The New Note Rate will be a lixed rate of interest equal to the Federal National Mortgage Association's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one half of one percent (0.5%), rounded to the nearest one-eighth of one percent (6.125%) (the "New Note Pate"). The required net yield shall be the applicable net yield in effect on the date and time of day that the Note Holder receives notice of my election to exercise the Conditional Refinancing Option. If this required net yield is not available, the Note Holder will determine the live Note Rate by using comparable information.

#### 4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the New Note Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note flate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest, plus (c) all other sums I will owe under the Note and Security instrument on the Maturity Date (essuming my monthly payments then are current, as required under Section 2 above), over the term of the New Note at the New Note Rate in equal monthly payments. The result of this calculation will be the amount of my new principal and interest payment every month until the New Note is fully paid.

#### 5. EXERCISING THE CONDITIONAL REFINANCING OPTION

The Note Holder will notify me at least 60 calandar days in advance of the Maturity Date and arrivse me of the principal, accrued but unpaid interest, and all other sums I am expected to owe on the Maturity Date. The Note Holder also will advise me that I may exercise the Conditional Refinancing Option if the conditions in Section 2 above are met. The Note Holder will provide my payment record information, together with the name, title and address of the person representing the Note Holder that I must notify in order to exercise the Conditional Refinancing Option. If I meet the conditions of Section 2 above, I may exercise the Conditional Refinancing Option by notifying the Note Holder no later than 45 calendar days prior to the Maturity Date. The Note Holder will calculate the fixed New Note Rate based upon the Federal National Mortgage Association's applicable published required net yield in effect on the date and time of day notification is received by the Note Holder and as calculated in Section 3 above. I will then have 30 calendar days to provide the Note Holder with acceptable proof of my required ownership, occupancy and property lien status. Before the Maturity Date the Note Holder will advise me of the new interest rate (the New Note Rate), new monthly payment amount and a date, time and place at which I must appear to sign any documents required to complete the required refinancing. I understand the Note Holder will charge me a \$250 processing fee and the costs associated with updating the title insurance policy, if any.
