(c) to the payment of any sum secured by a lien or encumbrance upon the premises; and

(d) to the cost of completing any improvements being constructed on or about the premises.

The manner of application of such sums and the items which shall be credited or paid out of same shall be within the sole discretion of Assignee and nothing herein contained shall obligate Assignee to use any such sums for a purpose other than reducing the indebtedness hereby secured unless it shall elect so to do. Assignee shall be subrogated to any lien discharged out of the rents, income and profits of the premises.

The Assignor hereby further covenants that the Assignor will upon request of the Assignee, execute and deliver such further instruments and do and perform such other acts and things as the Assignee may reasonably deem necessary or appropriate to more effectively vest in and secure to the Assignee the rights and rents which are intended to be assigned to the Assignee hereunder. Assignor irrevocably waives any right it now or hereafter may have to off-set any claim or liability owing from it to any obligor on any Lease against sums due or to become due from such obligor under any Lease.

Assignor covenants and agrees to observe and perform all of the obligations imposed on it under the Leases and not to do or permit to be done anything to impair the security thereof, not to execute any Lease on terms and conditions less satisfactory to the lessor than are usual and customary in leases with a similar term and for similar types of space in the general market area where the premises are located, not to further assign or encumber its rights under any Lease to be subordinated to any other liens or encumbrances whatsoever, any such subordination to be null and void unless done with the written consent of Assignee. Assignor further covenants and agrees not to amend, modify or terminate any Lease without the prior written consent of Assignee. Assignor further covenants and agrees that it will, at the request of Assignee, submit the executed originals of the Leases to Assignee.

Assignor warrants that it has heretofore delivered to Assignee a true and correct copy of the Leases, that the Leases have not been amended or modified in any respect, that the same continue in full force and effect and that both the lessor and the lessee thereunder are in full compliance with all of their respective covenants therein contained and that no event for terminating any Lease by either the lessor or the lessee thereunder exists.

The acceptance by the Assignee of this Assignment with all of the rights, powers, privileges and authority so created, shall not, prior to entry upon and taking of actual physical possession of the premises by the Assignee, be deemed or construed to constitute the Assignee as a mortgagee in possession nor impose any obligation whatsoever upon the Assignee, it being understood and agreed that the Assignee does not hereby undertake to perform or discharge any obligation, duty or liability of the landlord under the Leases or under or by reason of this Assignment. Assignee shall have no liability to Assignor or any one for any action taken or omitted to be taken by it hereunder, except for its willful misconduct. Should the Assignee incur any liability, loss or damage under or by reason of this Assignment or for any action taken by the Assignee hereunder, or in defense against any claim or demand whatsoever which may be asserted against the Assignee arising out of any Lease, the amount thereof, including costs, expenses and reasonable attorneys' fees, together with interest thereon at the rate applicable to the Mortgage at the time of incurrence shall be secured by this Assignment and by the Mortgage, and the Assignor shall reimburse the Assignee therefore immediately upon demand. Assignor's obligation to so pay to survive payment of the indebtedness hereby secured and the release of this Assignment.

The rights and remedies of the Assignee hereunder are cumulative and are not secondary to or in lieu of but are in addition to any rights or remedies which the Assignee shall have under the said Mortgage, or any other instrument or document or under applicable law and the exercise by Assignee of any rights and remedies herein contained shall not be deemed a waiver of any other rights or remedies of Assignee, whether arising under the Mortgage, or otherwise, each and all of which may be exercised whenever Assignee deems it in its interest to do so. The rights and remedies of the Assignee may be exercised from time to time and as often as such exercise is deemed expedient and the failure of the Assignee to enforce any of the terms, provisions and conditions of this Assignment for any period of time, at any time or times, shall not be construed or deemed to be a waiver of any rights under the terms hereof.

The right of the Assignee to collect and receive the rents assigned hereunder or to exercise any of the rights or powers herein granted to the Assignee shall, to the extent not prohibited by law, extend also to the period from and after the filing of any suits to foreclose the liens of the Mortgage, including any period allowed by law for the redemption of the premises after any foreclosure sale.
