Borrower acknowledges (a) that Lender would not have agreed to make the loan evidenced by the Nove or notes secured by this Security Instrument if the Property were not to be owner-occupied, and (b) that the interest rate rat firth on the face of the Note and other terms of the loan were determined as a result of Borrower's representation that the Property would be owner-occupied. Borrower further acknowledges that, among other things (1) purchasers of loans (including agencies, associations and conporations created by the federal and state governoers for the purchase of loans) typically require that proporties securing loans acquired by such purchasess be owner-occupied, and will reject for purchase loans for which security properties are not owner-occupied, (ii) Lender's shility to sell a loan or an interest in a loan (which it often does in the ordinary course of business) will thereby be impaired why to a security property is not owner-occupied, (iii) the risks involved and the costs of holding and administering a loan the time higher in the case of a loan in which the security property is not owner-occupied, and (iv) if and when Lender makes a loan on the security of non-owner occupied property. Lender typically makes such a loan on terms different from those of loans secured by owner-occupied properties. Accordingly, in the event that (a) within sixty (60) days following recordation of this Security Instrument the Property is not occupied by Horrower as Borrower's primary residence, or (b) Borrower does not continuously live in the Property for at least twelve (12) months immediately following recordation of this Security Instrument, Lender may declare all sums secured by this Security Instrument to be immediately due and payable.
