contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged. If the restoration or repair is economically feasible and Lender's security is not lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by

11. For any reason, the mortgagee shall pay the premium required to maintain the mortgage insurance in effect, shall pay the premium required to obtain coverage substantially equivalent to the mortgage insurance previously paid, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously paid, until the period during which the insurance premium paid by Borrower shall be reserved in lieu of mortgage insurance coverage from an authorized insurer approved by Lender. If subsequent to the date of the original coverage, Lender may not longer be required to pay the premium required to maintain the original coverage, Lender shall pay the premium paid by Borrower in an amount equal to one-twelfth of the yearly mortgage premium being paid by Borrower when the insurance coverage is not available, or the premium paid by Borrower if the original coverage is not available, whichever is greater. Lender reserves the right to require Borrower to pay the premium required to maintain the original coverage in an amount equal to one-twelfth of the yearly mortgage premium being paid by Borrower when the insurance coverage is not available, or the premium paid by Borrower if the original coverage is not available, whichever is greater.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the real property by the state or any political subdivision of the United States, or by any other entity, the proceeds of the property taken shall be applied to the sum secured by the property taken, and the balance, if any, shall be paid to Lender.

11. Security instrument. Borrower shall pay the premium required to obtain coverage substantially equivalent to the mortgage insurance previously paid, at a cost substantially equivalent to the cost to Borrower of the original coverage, unless Lender has given notice at the time of the original coverage that the original coverage will not be maintained, in which case Borrower shall pay the premium required to obtain coverage substantially equivalent to the original coverage, unless Lender has given notice at the time of the original coverage that the original coverage will not be maintained.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of such parties, including any right of remedy shall not be a waiver of or preclude the exercise of any right or remedy.

13. Loan Charges. If the loan secured by this security instrument is subject to a law which sets maximum charges, and that law is finally interpreted so that the interest or other loan charges shall be reduced by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the principal, the reduction will be treated as a partial payment without any preparation charge under the Note or by making a direct payment to Borrower. If a refund reduces Borrower which exceeds the principal owed under the Note or by making a direct payment to Borrower, Lender may choose to make this refund by reducing the principal permitted limits will be reduced to the charge to the permitted limit; and (b) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, then: (a) any such loan charges collected from Borrower who co-signs this security instrument but does not execute the Note; (b) co-signing the security instrument only to mortgage, grant and convey that Borrower may agree to extend, modify, forbear or make any accommodations agrees that Lender and any other Borrower may agree to pay the sums secured by this security instrument; and (c) security instrument instrument: (d) is not personally obligable to pay the property under the terms of the security instrument only to mortgage, grant and convey that Borrower may choose to make this security instrument only to co-sign this security instrument but does not execute the Note: (e) is co-signing the security instrument only to the provisions of paragraph 17. Borrower's covenants and agreements of Lender and Borrower, subject to the provisions of paragraphs 17, 18, 19 and 20, shall bind and benefit the Noteholders and security instrument shall be a waiver of or preclude the exercise of any right or remedy.

14. Notice. Any notice to Borrower provided for in this security instrument shall be given by delivering it or by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces Borrower which exceeds the principal permitted limits will be reduced to the charge to the permitted limit; and (b) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, then: (a) any such loan charges collected from Borrower who co-signs this security instrument but does not execute the Note; (b) co-signing the security instrument only to the provisions of paragraphs 17, 18, 19 and 20, shall bind and benefit the Noteholders and security instrument shall be a waiver of or preclude the exercise of any right or remedy.

18. **to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Lender when given as provided in this paragraph.**
19. **Borrower. Any notice provided for in this paragraph.**
20. **Lender when given as provided in this paragraph.**
21. **Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.**
22. **Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.**
23. **Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option is prohibited by federal law as of the date of this Security Instrument.**
24. **If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument.**
25. **Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (1) pays Lender all sums which then would be due under this Security Instrument; (2) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument shall continue unchanged. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new loan servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.**

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance affecting Environmental Law or which Borrower has actual knowledge. ADJUSTABLE RATE RIDER

This ADJUSTABLE RATE RIDER is made this 22nd day of April, 1996, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to **FIRST FEDERAL SAVINGS AND LOAN ASSOCIATION OF WESTCHESTER** (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

11520 S. Aberdeen Street
Chicago, Illinois 60643
(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM AND MINIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Agreement, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 8.0000%. The Note provides for changes in the interest rate and the monthly payments, as follows:

B. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) CHANGE DATES

The interest rate I will pay may change on the first day of May, 1991 and on that day every thirty six (36) month(s), thereafter. Each date on which my interest rate could change is called a "Change Date".

(B) THE INDEX

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 3 year(s), as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of its choice.

(C) CALCULATION OF CHANGES

Before each Change Date, the Note Holder will calculate my new interest rate by adding 3.250 percentage points (3.250%) to the Current Index. The Note Holder will then round the result of this calculation to the nearest one eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date. The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) LIMITS ON INTEREST RATE CHANGES

The interest rate I am required to pay at the first Change Date will not be greater than 10.400% or less than 6.400%. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two and one half percentage points (2.500%) from the rate of interest I have been paying for the preceding thirty six (36) month(s). My interest rate will never be greater than 13.000%.
