premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of the payments. If under paragraph 17 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall not permit, or be alleged to have permitted, the Property to be used in connection with any illegal activity. In that regard, Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

11. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law or regulation which sets maximum loan charges, and that law or regulation is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted amount under such regulation, then the creditor will be entitled to receive the difference between the principal owed under the Note as by making a direct payment to his creditor by reducing the principal owed under the Note as by making a direct payment to his creditor, if a return of the principal which accrued prior to the time it will be received as a partial repayment.

10. Successors and Assigns Bound; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lenders and Borrower subject to the provisions of paragraph 17.(B). Borrower's conveyances and assignments shall be joint and several. Any Borrower who assigns this Security Instrument shall do so in the name of the assignee and provide the assignee with a copy of this instrument.

9. Borrower Not Responsible; Lender Not a Waverer. Extensions of the time for payment of modifications of amortization of the loans secured by this Security Instrument granted by Lender to Borrower or to any successor in interest, or to any beneficiary of Borrower shall not operate to render the liability of Lender to Borrower or to any beneficiary of Borrower in respect of the obligations of Borrower under this Security Instrument greater than the amount of principal and interest then due and payable.

Unless Letter and Document otherwise agrees in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of such payments.

If the Borrower is abandoned by his Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award of settle a claim for damages, Borrower fails to respond to Lender within 30 days after the notice is given, Lender is authorized to collect and apply the proceeds at its option, either to satisfaction of the property or to the sums secured by this Security instrument, whether or not due.

**8. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender and applied to the amount secured by this instrument, subject to the terms of any senior mortgage, deed of trust or other security interest herein. Any excess will be paid to the persons legally entitled to it.

notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph 12.

**13. Governing Law; Severability.** This Security Instrument shall be governed by federal law, Illinois law and any local law that applies in the place in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**14. Borrower's Copy.** Borrower acknowledges receipt of photocopy or a conformed copy of the Note and of this Security Instrument.

**15. Sale of Note; Change of Loan Servicer.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 12 and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

**16. Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substances or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substances affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 16, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, lead-based paint, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 16, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

**17. Lender's Rights if Borrower Fails to Keep Promises and Agreements.** If any of the events or conditions described in subparagraphs (A), (B), (C), (D), (E) or (F) of this paragraph 17 shall occur, Lender, after giving Borrower any timely notice of Borrower's right to cure as may then be required by applicable law and Borrower's failure to cure within the time period set forth in such notice, may require that Borrower pay immediately the entire amount remaining unpaid under the Note and this Security Instrument. This requirement will be called "Immediate Payment in Full."

If Lender requires Immediate Payment in Full, Lender may bring a lawsuit to take away all of Borrower's remaining rights in the Property and to have the Property sold. At this sale Lender or another person may acquire the Property. This is known as "foreclosure and sale." If the proceeds of this sale are

Borrower authorizes Lender or Lender's agent(s) to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agent(s). Except that Lender shall not be entitled to collect such rents and revenues if and to the extent that Lender shall fail to pay the rents to Lender or Lender's agent(s), Lender shall not be entitled to collect such rents and revenues if and to the extent that Lender fails to pay the rents to Lender or Lender's agent(s).

18. **A disaggregation of leases.** Borrower hereby agrees to lend all liability of the Property and all security interests made in connection with leases of the Property. Upon demand, notice to Borrower of any assignment of leases, Borrower hereby assents to lend all liability of the Property and all security interests made in connection with leases of the Property. Upon demand, notice to Borrower of any assignment of leases, Borrower hereby assents to lend all liability of the Property and all security interests made in connection with leases of the Property.

(f) Any representation made or information given to a lender by Borrower in connection with Borrower's application for the loan evidenced by the Note is final and irrevocable in any material respect.

rents of the Property; and (iii) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent(s) on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents, except to the holder of a mortgage, deed of trust or other encumbrance which has priority over this Security Instrument and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 19 which Lender presently has, or any rights to which Lender may become entitled in the future as a result of the release, satisfaction or invalidity of a presently existing assignment of rents.

Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall not cure or waive any default or invalidate any other rights or remedies of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

**20. Appointment of Receiver; Lender in Possession.** Upon acceleration under paragraph 17 or abandonment of the Property and at any time thereafter Lender, in person, by agent or by judicially appointed receiver, shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property, including those past due, pursuant to paragraph 19. However, Lender shall be under no obligation to enter upon, take control of or maintain the Property. Any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Security Instrument. ## ADJUSTABLE RATE RIDER (1 Year Treasury Index - Rate Caps)

SB50003765

THIS ADJUSTABLE RATE RIDER is made this 22nd day of May, 1996, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Centennial Mortgage Company, a division of Superior Bank FSB (the "Lender") of the same date and covering the property described in the Security Instrument and located at: 5732 W. Garthling Road, Cicero, IL 60650

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### 1. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 9.125% (the "Initial Rate"). The Note provides for changes in the interest rate and the monthly payment as follows:

This Note is not payable in installments of equal amounts. Larger installments may be due as provided herein. The interest rate in effect on the date of this Note ("Initial Rate") is 9.125% per year, which, except for odd days' interest, if any, will be applied to a 360 day year consisting of 12 months with 30 days each.

The interest rate I will pay may change on the 1st day of December, 1996 and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

Beginning with the first Change Date, the interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year as published by the Federal Reserve Board in Federal Reserve Statistical Release H.15 (512). The "Current Index" is the most recent Index value available as of the date forty-five (45) days before each Change Date if such date falls on a Wednesday or, if such date does not fall on a Wednesday, then the "Current Index" is the most recent Index value available as of the Wednesday immediately preceding the date forty-five (45) days before each Change Date. Before each Change Date the Note Holder will calculate the new interest rate, which, except for any odd days' interest upon prepayment in full, will be applied to a 360 day year consisting of 12 months with 30 days each, by adding 5.500 percentage points ("the Margin") to the Current Index. When a new rate is determined, the rate will be rounded off to the nearest 1/8%. The Note Holder will then determine the amount of the level monthly payment that will be sufficient to repay the then unpaid principal in full by the maturity date of this Note, assuming that all delinquent payments are made and that all future payments are made when due.
