5. The Trustee or the holders of the notes hereby secured making any payment herey authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without injury into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, foreclosure, tax lien or title or claim thereof.

Such receiver shall have the power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Mortgagees, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management, and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (a) The indebtedness secured hereby, or by any decree foreclosing this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (b) the deficiency in case of sale and deficiency.
