1. **Assignment.** Assignor hereby absolutely grants, transfers, sets over and assigns to Assignee all of Assignor's right, title and interest in and to (a) all leases of the Premises or portions thereof and all related agreements now or hereafter entered into and any renewals and/or modifications thereof, including without limitation, the Hotel Lease and the Collateral Agreement (as defined in the Mortgage) (collectively, the "Leases"), (b) all rents, accounts, deposits, rent equivalents, receipts, insurance proceeds, royalties, issues, profits, revenue, income, charges for services rendered and any and all consideration of whatever form or nature received by Assignor or its agents or employees from any and all sources relating to the use, enjoyment and occupancy of the Premises, or the sale, lease, sublicense, license, concession or other grant of right to use or occupy any portion thereof and other benefits of the Premises (collectively, the "Rents"), together with the immediate and continuing right to collect and receive all Rents, and (c) all cash or securities deposited by the lessee under any such Leases and all guarantees of the obligations of the lessee under any such Leases. All capitalized terms not herein defined shall have the respective meanings ascribed thereto in the Mortgage. This Assignment is intended to be, and shall be construed as creating, an absolute present assignment unto Assignee, and not an assignment for security, and to such extent shall be unconditional and irrevocable, except as hereinafter expressly provided to the contrary.

2. **Representations, Warranties and Covenants.** The representations and warranties made by Assignor in Section 3.20 of the Loan Agreement, and the covenants made by Assignor in Section 4.6 of the Loan Agreement, are hereby incorporated in this Assignment by this reference with the same force and effect as if such representations, warranties and covenants were set forth at length herein.

3. **Remedies of Assignee; Notice to Tenants.** Assignee and Assignor further agree that unless and until there shall have occurred an Event of Default, Assignor is hereby granted permission to collect all Rents arising under the Leases and retain the use of and enjoy the same, subject to the terms of the Loan Documents and the Prudential Mortgage. Upon or at any time after any Event of Default, Assignee may, at its option, without notice and without regard to the adequacy of any security for the payment or performance of any

duties and obligations arising under the aforesaid Loan Documents, either in person or by agent, with or without bringing any action or proceeding, or by receiver appointed by court (without the necessity of notice to Assignor), subject to the rights of the holder of the Prudential Mortgage, take possession of the Premises and hold, manage, let, and operate the same on such terms and for such period of time as Assignee may deem proper and, with or without taking possession of the Premises, demand, sue for, or otherwise collect all Rents (through exercise of Assignee's right under any guarantee of the Leases or otherwise), including those past due and unpaid, with full power to make from time to time all such alterations, renovations, repairs and replacements as may seem proper to Assignee, and apply such Rents to (x) all expenses of managing and securing the Premises, including, without limitation, the salaries, fees and wages of a managing agent and such other employees or agents as Assignee may deem necessary or desirable and all expenses of operating and maintaining the Premises, including, without limitation, all taxes, charges, claims, assessments, water charges, sewer rents and any other liens, and premiums for all insurance which Assignee may deem necessary or desirable, and the cost of all alterations, renovations, repairs or replacements, and all expenses incident to taking and retaining possession of the Premises and (y) the Obligations, together with all reasonable costs and attorneys' fees, in such order of priority as to any of the items mentioned in this Section 3(a) as Assignee in its sole discretion may determine; any statute, law, custom or use to the contrary notwithstanding. In addition to the rights which Assignee may have herein, upon the occurrence of an Event of Default, Assignee, at its option, may, subject to the rights of the holder of the Prudential Mortgage, either require Assignor to pay monthly in advance to Assignee, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Premises as may be in possession of Assignor or any affiliate of Assignor or require Assignor or such affiliate to vacate and surrender possession thereof to Assignee or to such receiver and, in default thereof, Assignor or such affiliate, as the case may be, may be evicted by summary proceedings or otherwise. For the purposes of this Section 3(a), Assignor grants to Assignee, as of the date hereof, its irrevocable power of attorney, coupled with an interest, to take any and all of the aforementioned actions and any or all other actions designated by Assignee for the proper management and preservation of the Premises; provided, however, that Assignee agrees not to take any action under such power of attorney prior to the occurrence of an Event of Default. Exercise or nonexercise by Assignee of the options granted in this Section 3(a), or collection and application of Rents by Assignee or its agent, shall not be considered a waiver of any default by Assignor under this Assignment, the Loan Agreement, the Mortgage, or any other Loan Document.

(b) Assignor hereby authorizes and directs each and every lessee named in a Lease or any other or future lessee or occupant of the Premises or any part thereof, and each and every guarantor under any guarantee of any such Lease, upon receipt of written notice from Assignee, to pay to Assignee all rents, income, profits and other Rents accruing under the Leases or from the Premises or any amounts payable under any guarantees of any

Lease and to continue to do so until otherwise notified in writing by Assignee, subject to the rights of the holder of the Prudential Mortgage.

4. **No Liability of Assignee.** Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Premises or any part thereof or from any other act of omission of Assignee in managing the Premises, unless such loss is caused by the willful misconduct or gross negligence of Assignee. Assignee shall not be obligated to perform or discharge, nor does Assignee undertake to perform or discharge, any obligation, duty or liability under the Leases or under or by reason of this Assignment. This Assignment shall not operate to place responsibility for the control, care, maintenance or repair of any part of the Premises upon Assignee, nor shall it operate to make Assignee responsible or liable for any waste committed on the Premises by any lessee or any other parties, or for any dangerous or defective condition of the Premises, or for the removal or cleanup of any Hazardous Substance which, under applicable Environmental Laws, is or may be required to be removed from the Premises or for any negligence in the management, upkeep, repair or control of the Premises, except if any of the foregoing is caused by Assignee's gross negligence or willful misconduct after taking possession of the Premises, if at all, in the exercise of Assignee's rights hereunder.

5. **Termination of Assignment.** Upon the release and discharge from the Premises of the Mortgage in strict accordance with the terms and conditions set forth therein, and the payment in full of all amounts, if any, due to Assignee hereunder, this Assignment shall cease, terminate and be of no further effect.

6. **Other Remedies; Other Security.** No action undertaken by Assignee with respect to any of the Obligations or to any security or guarantee given for the payment or performance thereof, or to any other document or instrument evidencing or relating thereto, shall in any manner affect, impair or prejudice any of Assignee's rights and privileges under this Assignment or discharge, release or modify any of Assignor's duties or obligations hereunder. Assignee may take or release other security for the payment of the Obligations, may release any party primarily or secondarily liable therefor and may apply any other security held by it to the reduction or satisfaction of the Obligations without prejudice to any of its rights under this Assignment.

7. **Notices.** All notices, requests, demands and other communications hereunder shall be in writing, sent in the manner, and be deemed to have been duly given, as provided for in the Loan Agreement.

8. **No Mortgagee in Possession.** Nothing herein contained shall be construed as constituting Assignee a "mortgagee in possession" in the absence of the taking of actual possession of the Premises by Assignee.

Assignor shall not be relieved of Assignor's obligations hereunder by reason of (a) failure of Assignee to comply with any request of Assignor or any other party to take any action to enforce any of the provisions hereof or of the Loan Agreement, the Mortgage, the Note, or any of the other Loan Documents, (b) the release, regardless of consideration, of the whole or any part of the Premises, or (c) any agreement or stipulation by Assignee extending the time of payment or otherwise modifying or supplementing the terms of this Assignment, the Note, the Loan Agreement, the Mortgage or any of the other Loan Documents. Assignor acknowledges and agrees that this Assignment is independent of any other security or collateral granted to Assignee in connection with the Loan. In the event of any bankruptcy of Assignor occurring after an Event of Default, the Leases and Rents shall not constitute property of Assignor's estate under the United States Bankruptcy Code, and Assignor shall have no interest therein.
