legally described on Exhibit B (the "Easement Premises"), to survey, construct, operate, use, maintain, own, test, inspect, repair, remove, and replace or abandon in place (collectively the "Installation") **Sanitary Sewer & Water Main** and any appurtenances thereto (the "Facilities") together with all reasonable rights of ingress and egress over, along, across, and upon the Subject Property necessary for the exercise of the rights granted herein. The Village shall, at its sole cost and expense, complete the Installation of the Facilities in a good and workmanlike manner.

3. GRANT AND USE OF TEMPORARY CONSTRUCTION EASEMENT. The Owner grants, conveys, and warrants to the Village a temporary construction easement directly adjacent to the perpetual easement for the Installation of the Facilities in, at, over, along, across and upon that portion of the Subject Property legally described on Exhibit C (the "Easement Premises"). The Temporary Easement Premises shall be used by the Village only during periods of actual Installation activity and for any necessary restoration of the Easement Premises.

4. HOLD HARMLESS. The Village agrees to hold the Owner harmless from all claims, causes of action, suits, damages, or demands that arise directly from the Installation of the Facilities on the Easement Premises or any restoration of the Easement Premises and Temporary Easement Premises.

5. RESERVED RIGHT. The Owner retains the right to use the Easement Premises in any manner that will not prevent or interfere in any way with the exercise by the Village of the rights granted herein; provided, however, that the Owner shall not permanently or temporarily improve or obstruct the Easement Premises or cause any improvements or obstructions to

6. ADDITIONAL EASEMENTS. The Owner shall have the right to grant other non-exclusive easements over, along, across or upon the Easement Premises and the Temporary Easement Premises; provided, however, that any such other easements shall be subject to this Agreement granted hereby; and provided further, that the Village Manager shall have first consented in writing to the terms, nature, and location of any such other easements.

7. VILLAGE RESTORATION. Upon completion of any Installation, the Village agrees to (a) replace and grade any and all topsoil removed by the Village; (b) restore to condition immediately preceding the Installation any and all fences, pavements and improvements that are damaged or removed as a direct result of the Installation; (c) replace any and all natural grass removed with sod of like quality.

8. COVENANTS RUNNING WITH THE LAND. The easements and rights granted in this Agreement, the restrictions imposed by this Agreement, and the agreements and covenants contained in this Agreement shall be easements, rights, restrictions, agreements and covenants running with the land, shall be recorded against the Subject Property and shall be binding upon and inure to the benefit of the Owner and the Village and their respective heirs, executors, administrators, successors, assigns, agents, licensees, invitees, and representatives, including, without limitation, all subsequent owners of the Subject Property, or any portion thereof, and all persons claiming under them. If any of the easements, rights, restrictions, agreements, or covenants created by this Agreement would otherwise be unlawful or void for violation of (a) the rule against

9. ASSIGNMENT OF RIGHTS. The Owner agrees that the Village may assign its rights or delegate its duties under this Agreement to any assignee: (a) who is reasonably competent to exercise the rights granted herein and the obligations imposed herein; and (b) who makes adequate assurances to the Owner that any activity performed pursuant to such assignment or delegation shall be conducted in a good and workmanlike manner.
