Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of the payments. If under paragraph 17 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

4. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amount and for the periods that Lender requires, not to exceed the full replacement cost of the buildings and improvements on the Property. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 6.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attach priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or like one or more of the actions set forth above within 10 days of the giving of notice.

3. Charges: Lender shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attach priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations on time, directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph, and receipts evidencing such payments.

2. Application of Payments. Unless applicable law provides otherwise, Lender will apply each of Borrower's regular monthly payments under the Note first to accrued and unpaid interest under the Note as if the payment is made on its due date, regardless of when the payment is actually received and the remainder, if any, to the unpaid principal balance under the Note. Lender may, at its option, collect costs and expenses, dishonored check charges and payments made by Lender to enforce the Note and to protect Lender's interest under this Security Instrument will be assessed separately.

1. Payment of Principal, Interest and Other Charges. Subject to paragraph 10, Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any late charges, prepayment charges, collection costs and expenses and dishonored check charges as provided in the Note.

Borrower and Lender covenant and agree as follows:

**BORROWER COVENANTS** that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record, Borrower warrants and will defend generally the title to the Property against all claims and demands subject to any incumbrances of record.

Hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter existing on the property, and all easements, rights, together with all the improvements now or hereafter erected on the property, and all easements, rights, and additions shall also be covered by this Security Instrument as the "Property".

5. **Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds; Condominiums; Planned Unit Developments.** Unless Borrower's loan application and Lender's loan approval provided that the Property was not required to be occupied as Borrower's principal residence, Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least 1 year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall not permit, or be alleged to have permitted, the Property to be used in connection with any illegal activity. In that regard, Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

If this Security Instrument is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development and constituent documents.

6. **Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, paying insurance premiums, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 6, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 6 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the rate then in effect under the Note as such rate may change from time to time if permitted by law or, if not, at the highest lawful rate and shall be payable together with such interest, upon notice from Lender to Borrower requesting payment.

7. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

8. **Condemnation.** The proceeds of any award or claim for damages direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for convenience in lieu of condemnation, are hereby assigned and shall be paid to Lender and applied to the amount secured by this Security Instrument. Any excess will be paid to the persons legally entitled to it.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of such payments.

9. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extensions of the time for payment or modifications of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

10. **Successors and Assigns Bound; Joint and Several Liability; Co-Signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower subject to the provisions of paragraph 17 (B). Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (B) is not personally obligated to pay the sums secured by this Security Instrument and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent and without thereby impairing that Borrower's obligations and liability hereunder.

- (B) Except in those circumstances in which federal law otherwise provides, all or any part of the Property, or any right in the Property, is sold or transferred without Lender's prior written consent (or, if Borrower is not a natural person, if a beneficial interest in Borrower is sold or transferred); or
- (C) On application of Lender, two or more insurance companies licensed to do business in the State in which the Property is located refuse to issue policies insuring the buildings and improvements on the Property; or
- (D) Borrower fails to keep any other promise or agreement in this Security Instrument within the time set forth, or if no time is set forth in this Security Instrument, then within the time set forth in the notice sent to Borrower by Lender; or
- (E) Any representation made or information given to Lender by Borrower in connection with Borrower's application for the loan evidenced by the Note is false or misleading in any material respect.

18. **Assignment of Leases.** Borrower hereby assigns to Lender all leases of the Property and all security deposits made in connection with leases of the Property. Upon Lender's notice to Borrower of Borrower's breach of any covenant or agreement in this Security Instrument, Lender shall have the right to modify, extend or terminate the existing leases and to execute new leases, in Lender's sole discretion. As used in this paragraph 18, the word "lease" shall mean "sublease" if the Security Instrument is on a leasehold.

19. **Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agent(s) to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agent(s). However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. The assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (i) all rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the rents of the Property; and (iii) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent(s) on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 19.

Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall not cure or waive any default or invalidate any other rights or remedies of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

20. **Appointment of Receiver; Lender in Possession.** Upon acceleration under paragraph 17 or abandonment of the Property and at any time thereafter Lender, in person, by agent or by judicially appointed receiver, shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property, including those past due, pursuant to paragraph 19. However, Lender shall be under no obligation to enter upon, take control of or maintain the Property. Any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Security Instrument. Lender and any receiver shall be liable to account only for those rents actually received.

21. **Release.** Upon payment of all sums secured by this Security Instrument, Lender shall discharge this Security Instrument without charge to Borrower. Borrower shall pay all costs of recordation, if any.

22. **Waiver of Homestead.** Borrower waives all right of homestead exemption in the Property.

23. **Use of Property; Compliance with Law.** Borrower shall not seek, agree to or make a change in the use of the Property or its zoning classification, unless Lender has agreed in writing to the change. Borrower shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property.

24. **Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument.

## ADJUSTABLE RATE RIDER

(LIBOR 6 Month Index (As Published in *The Wall Street Journal*) - Rate Caps)

Account #: 15384

THIS ADJUSTABLE RATE RIDER is made this 11TH day of JULY, 1997, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to

**CHALLENGE MORTGAGE CORPORATION**

(the "Lender") of the same date and covering the property described in the Security Instrument and located at:  
9238 SOUTH FOREST, CHICAGO, ILLINOIS 60619

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### 1. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 10.0000 % (the "Initial Rate"). The Note provides for changes in the interest rate and the monthly payments as follows:

This Note is not payable in installments of equal amounts. Larger installments may be due as provided herein. The interest rate in effect on the date of this Note ("Initial Rate") is 10.0000 % per year, which, except for odd days' interest, if any, will be applied to a 360 day year consisting of 12 months with 30 days each.

The interest rate I will pay may change on the 1ST day of AUGUST, 1996 and on that day every 6th month thereafter. Each date on which my interest rate could change is called a "Change Date".

Except in the case of a Current Index and Margin less than one (1) percentage point below the Initial Rate and subject to the percentage point limitation(s) on rate changes described above, rate decreases will be mandatory upon decreases in the Index determined on Change Dates, but rate increases based upon increases in the Index will be optional with the Note Holder. However, the fact that the Note Holder may not have made a permissible increase in whole or in part will not be considered a waiver of the Note Holder's right subsequently to make any other permissible increase within the limits stated in this Section 4.

At the first Change Date, the interest rate will not be increased to more than two (2) percentage point(s) higher than the Initial Rate and, at all subsequent Change Dates, the interest rate will never be increased or decreased on any single Change Date by more than one (1) percentage point from the rate of interest charged during the preceding six (6) months. The interest rate will never be greater than 10.0000 percent per year, nor will it ever be less than one (1) percentage point below the Initial Rate during the entire term of this loan and at no time during the term of this loan will the rate be increased above the rate permitted by law. The new interest rate will become effective on the Change Date. The new monthly payment will begin on the first monthly payment date after the Change Date and will remain in effect until the monthly payment changes again. The Note Holder will deliver by mail to me a notice of any change in the interest rate and the amount of the monthly payment at least twenty-five (25) days before the effective date of any payment change. The notice will include information required by law and possibly certain other information as well.

Beginning with the first Change Date, the interest rate will be based on an Index. The "Index" is the average of interbank offered rates for 6 month U.S. dollar-denominated deposits in the London market ("LIBOR") as published in *The Wall Street Journal* "Money Rates" table. The "Current Index" is the most recent Index value available as of the date forty-five (45) days before each Change Date if such date falls on a Friday or, if such date does not fall on a Friday, then the "Current Index" is the most recent Index value available as of the Friday immediately preceding the date forty-five (45) days before each Change Date. Before each Change Date the Note Holder will calculate the new interest rate, which, except for any odd days' interest upon prepayment in full, will be applied to a 360 day year consisting of 12 months with 30 days each, by adding 5.7500 percentage points (the "Margin") to the Current Index. When a new rate is determined, the rate will be rounded to the nearest 1/8%. The Note Holder will then determine the amount of the level monthly payment that will be sufficient to repay the then unpaid principal in full by the maturity date of this Note, assuming that all delinquent payments are made and that all future payments are made when due.

97569929

# UNOFFICIAL COPY

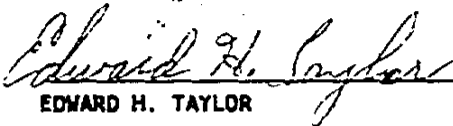

Adjustments in the rate will be given effect by changing the dollar amounts of remaining equal monthly installments so that the total amount due under this Note will, if all delinquent payments are made and all future payments are made when due, be paid by the original maturity date of this Note. As stated in Section 2, however, interest will accrue until payment in full is actually made.

2. Section 2 of the Security Instrument is hereby deleted in its entirety and replaced with the following:

## APPLICATION OF BORROWER'S PAYMENTS

Unless applicable law provides otherwise, Lender will apply each of Borrower's regular monthly payments under the Note and under this Security Instrument, first to accrued and unpaid interest under the Note as if the payment is made on its due date, regardless of when the payment is actually received and the remainder, if any, to the unpaid principal balance under the Note. Any late charges, collection costs and expenses, dishonored check charges and payments made by Lender to enforce the Note and/or to protect Lender's interests under this Security Instrument will be assessed separately.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
