In such cases, the coverage we purchase will not protect your interests. Also, coverage that we purchase will not pay any claim that you make or any claim that is made against you in connection with the collateral. You may later cancel any insurance purchased by us, but only after providing us with satisfactory evidence that you have obtained insurance as required by our agreement. If we purchase insurance for the collateral, you will be responsible for the costs of that insurance, including interest and any other charges we may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance may be more than the cost of insurance you may be able to obtain on your own even though the insurance we purchase may contain less coverage than the insurance you could purchase on your own."
