ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. ADJUSTABLE RATE AND HON HAY PAYMENT CHANGES

% The Note provides for changes in the adjustable The Note provides for an initial interest ratue) 7.125 interest rate and the morthly payments, as follows:

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The adjustable interest rate I will pay may change on the first day of October, 2000 every 12th month thereafter. Each date on which my adjustable letterest rate could change is called a "Change Date."

Beginning with the first Change Date, my adjustable interest rate wall be based on an Index. The "Index" is the weakly everage yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Peserve Board. The most recent Index figure available as of the data 45 days before each Change Date is called the Current Index.*

If the Index is no longer available, the Note Holder will choose a new train which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Times of Three Quarters percentage points (2.750 %) to the Current Index. The Note Holder will then round the exult of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section (40) balow, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to receive unpaid principal that I am expected to own at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 2.125 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single less than 5.125 percentage points (2.000 %) from the rate of interest 1 Change Date by more than Two have been paying for the preceding 12 months. My interest rate will never be greater than 13.125 % which is called the Maximum Rate.
