LOAN NO. 0945270

Lender may, at any time, collect and hold amounts for Escrow Items in an aggregate amount not to exceed the maximum amount that may be required for Borrower's escrow account under the Real Estate Settlement Procedures Act of 1974, 12 U.S.C. Section 2601 et seq. and implementing regulations, 24 CFR Part 3500, as they may be amended from time to time ("RESPA"), except that the cushion or reserve permitted by RESPA for unanticipated disbursements or disbursements before the Borrower's payments are available in the account may not be based on amounts due for the mortgage insurance premium.

If the amounts held by Lender for Escrow Items exceed the amounts permitted to be held by RESPA, Lender shall account to Borrower for the excess funds as required by RESPA. If the amounts of funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may notify the Borrower and require Borrower to make up the shortage as permitted by RESPA.

The Escrow Funds are pledged as additional security for all sums secured by this Security Instrument. If Borrower tenders to Lender the full payment of all such sums, Borrower's account shall be credited with the balance remaining for all installment items (a), (b), and (c) and any mortgage insurance premium installment that Lender has not become obligated to pay to the Secretary, and Lender shall promptly refund any excess funds to Borrower. Immediately prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any balance remaining for all installments for items (a), (b), and (c).

**3. Application of Payments.** All payments under paragraphs 1 and 2 shall be applied by Lender as follows:

First, to the mortgage insurance premium to be paid by Lender to the Secretary or to the monthly charge by the Secretary instead of the monthly mortgage insurance premium;

Second, to any taxes, special assessments, easement payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

Third, to interest due under the Note;

Fourth, to amortization of the principal of the Note; and

Fifth, to late charges due under the Note.

**4. Fire, Flood and Other Hazard Insurance.** Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies, including fire, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. Borrower shall also insure all improvements on the Property, whether now in existence or subsequently erected, against loss by floods to the extent required by the Secretary. All insurance shall be carried with companies approved by Lender. The insurance policies and any renewals shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order in paragraph 3, and then to prepayment of principal, or (b) to the restoration or repair of the damaged Property. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property that extinguishes the indebtedness, all right, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

7. **Charges to Borrower and Protection of Lender's Rights** In the Property, Borrower shall pay all governmental or multifamily charges, fines and impositions [hereinafter "Fees"] not included in paragraph 2. Borrower shall pay these obligations on time directly to the entity which is owed the payment. If failure to pay would adversely affect Lender's interest in the Property, upon Lender's request Borrower shall promptly furnish to Lender receipt(s) evidencing payment of these payments.

If Borrower fails to make these payments or the payments required by paragraph 2, or fails to perform any other covenants and agreements contained in this Security Instrument, (a) there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for cardemination or to enforce laws or regulations); (b) Lender may go into bankruptcy or become liable for disbursements, (c) the Note rate, and at the option of Lender, shall be immediately due and payable.

Any amounts disbursed by this Security Instrument. These amounts shall bear interest from the date of and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

Borrower shall promptly discharge any lien which has priority over this Security Interest unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) commutes in good faith the lien by, or depletes against enforcement of the lien, in, legal proceedings which in the opinion of the Lender is substantially satisfactory to the Lender; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may affect Borrower's interest in the Property, Lender may give Borrower a notice identifying the lien. FHA Case No.  
131:8878822/729**ADJUSTABLE RATE RIDER**

THIS ADJUSTABLE RATE RIDER is made this 12th day of September , 1997 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Note ("Note") to COVENANT MORTGAGE CORPORATION

(the "Lender") of the same date and covering the Property described in the Security Instrument and located at:

490 MOHAVE , HOFFMAN ESTATES, IL 60194

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

**INTEREST RATE AND MONTHLY PAYMENT CHANGES****(A) Change Date**

The Interest rate may change on the first day of January , 1999 , and on that day of each succeeding year. "Change Date" means each date on which the interest rate could change.

**(B) The Index**

Beginning with the first Change Date, the interest rate will be based on an Index. "Index" means the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. "Current Index" means the most recent Index figure available 30 days before the Change Date. If the Index (as defined above) is no longer available, Lender will use as a new Index any index prescribed by the Secretary. As used in this Rider, "Secretary means the Secretary of Housing and Urban Development or his or her designee." Lender will give Borrower notice of the new Index.

# **UNOFFICIAL COPY**

A new interest rate calculated in accordance with paragraphs (C) and (D) of this Rider will become effective on the first payment date which occurs at least 25 days after Lender makes a payment in the new monthly amount beginning on the first payment date which occurs at least 25 days after Lender has received Borrower's notice of changes required by paragraph (F) of this Rider. Borrower shall have no obligation to pay any increase in the monthly payment amount calculated in accordance with paragraph (E) of this Rider for any payment date occurring less than 25 days after Lender has given the required notice. If the monthly payment amount calculated in accordance with paragraph (E) of this Rider is increased for any reason to give timely notice of the decrease and Borrower made any monthly payment but Lender failed to give timely notice of the decrease and Borrower made any monthly payment amounts exceeding the payment amount which should have been stated in a timely notice, or (ii) requested that any excess payment, with interest thereon at the Note rate, be applied as payment of principal. Lender's obligation to return any excess payment with interest thereon at the Note rate is otherwise assuaged before the demand for return is filed by notice, or (iii) requested that any excess payment, with interest thereon at the Note rate, be applied as payment of principal.

(G) Effective Date of Changes

(F) Notice of Changes  
Lender will give notice to Borrower of any change in the interest rate and monthly payment amount. The notice must be given at least 25 days before a new monthly payment amount is due. Under no circumstance may be required by law from time to time.

(F) Notice of Changes

(e) Calculation of Future Change Date  
If the interest rate changes on a Change Date, Lender will calculate the amount of monthly payment of principal and interest which would be necessary to repay the unpaid principal balance in full at the new interest rate through substantially equal payments. In making such calculation, Lender will use the unpaid principal balance which would be owed on the Change Date if there had been no default in payment of Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.

**(E) Calculation of Payment Change**

(D) Luminous credit interest rate changes

The easiest way to answer this question is to consider the extreme cases. If the interest rate increases by more than 100%, the principal will never be repaid. Conversely, if the interest rate decreases by more than 50%, the principal will never be repaid. The only case where the principal will be repaid is if the interest rate increases by less than 100% and decreases by less than 50%. This corresponds to the range of 50% to 100%.

#### D) Liens on Interest Rate Changes

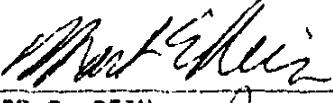

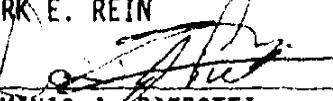

(C) Calculation of Interest Rate Changes  
Before each Change Date, Lender will calculate a new interest rate by adding a margin of Two and Three / Quarters percentage points (e.g. 2,750 %) to the current index rounded to the nearest one-eighth of one percent (0,125%). Subject to the limits stated in paragraph (D) of this Rider, this rounded amount will be the new interest rate until the next Change Date.
