Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments, or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged. 10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. 13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

BALLOON RIDER (CONDITIONAL RIGHT TO REFINANCE)

THIS BALLOON RIDER is made this 14th day of August, 1997, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure the Borrower's Note to LaSalle Bank, F.S.B., A Corp. of the United States of America (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

6640 N. Ashland Ave., Chicago, IL 60626
(PROPERTY ADDRESS)

The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand the Lender may transfer the Note, Security Instrument and this Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

ADDITIONAL COVENANTS. In addition to the covenants and agreements in the Security Instrument, Borrower and Lender further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

1. CONDITIONAL RIGHT TO REFINANCE

At the maturity date of the Note and Security Instrument (the "Maturity Date"), I will be able to obtain a new loan ("New Loan") with a new Maturity Date of September 1, 2027, and with an interest rate equal to the "New Note Rate" determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Refinancing Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinance or modify the Note, or to extend the Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

2. CONDITIONS TO OPTION

If I want to exercise the Conditional Refinancing Option at maturity, certain conditions must be met as of the Maturity Date. These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Maturity Date; (3) no lien against the Property (except for taxes and special assessments not yet due and payable) other than that of the Security Instrument may exist; (4) the New Note Rate cannot be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

3. CALCULATING THE NEW NOTE RATE

The New Note Rate will be a fixed rate of interest equal to the Federal National Mortgage Association's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one-half of one percentage point (0.5%), rounded to the nearest one-eighth of one percentage point (0.125%) (the "New Note Rate"). The required net yield shall be the applicable net yield in effect on the date and time of day that the Note Holder receives notice of my election to exercise the Conditional Refinancing Option. If this required net yield is not available, the Note Holder will determine the New Note Rate by using comparable information.

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the New Note Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal,
