(A) All oral and written leases with, or other agreements for use or occupancy made by any person or entity (including, without limitation, any leases which may be described in any separate schedule which may be attached hereto or in any supplement to this Assignment recorded hereafter), and any and all amendments, extensions, renewals, modifications and replacements thereof pertaining to all or any part of the Mortgaged Property, whether such leases or other agreements have been heretofore or are hereafter made or agreed to (such leases and other use and occupancy agreements being collectively referred to herein as the "Leases");

(F) To make such repairs to the Mortgaged Property as Assignee may deem advisable; and

(G) To do any and all other things with respect to the Mortgaged Property and the Collateral which an absolute owner or landlord has the right to do.

COVENANTS AND WARRANTIES

1.1. **Present Assignment.** Notwithstanding that this Assignment constitutes a present assignment of leases and rents, Assignor may collect the Rents and manage the Mortgaged Property in the same manner as if this Assignment had not been given, but only if and so long as an Event of Default (defined hereafter) has not occurred. If an Event of Default occurs, the right of Assignor to collect the Rents and to manage the Mortgaged Property shall thereupon automatically terminate and such right together with the other rights, powers and authorizations contained herein shall belong exclusively to Assignee.

1.2. **Power Coupled with Interest.** This Assignment of Leases and Rents confers upon Assignee a power coupled with an interest and cannot be revoked by Assignor.

1.3. **No Other Assignment.** Assignor represents, covenants and warrants as follows: (i) Assignor is the sole owner of the lessor's entire interest in the Leases and the other Collateral and has full right to assign the Collateral; (ii) there has been no previous assignment and, without Assignee's prior written consent, Assignor will permit no future assignment (as collateral or otherwise) of the lessor's right, title or interest in any of the Leases or other Collateral (other than pursuant to the other Loan Instruments); (iii) the Leases are valid and enforceable in accordance with their terms and have not been altered, modified or amended in any manner whatsoever; (iv) the lessees are not in default under the Leases and have no defenses, set-offs or counterclaims against the lessor under the Leases and, except as disclosed in the copies of the Leases delivered to Assignee, have not been granted any concessions by the lessor; (v) no rent reserved in the Leases has been assigned; and (vi) no rent for any period subsequent to the date hereof has been collected more than thirty (30) days in advance of the time when said rent becomes or would become due under the terms of the Leases.

1.4. **Covenants.** Assignor covenants that (i) it will not modify, change, alter, supplement, amend, cancel, surrender or accept surrender of any of the Leases without Assignee's consent, nor will it execute any new Lease without Assignee's consent; (ii) it will not consent to any assignment or subletting of the lessee's interest under any of the Leases without Assignee's consent; (iii) it will not accept rent more than thirty (30) days in advance of the due date thereof under any of the Leases; (iv) it will dispose of all security deposits only as permitted by the terms and provisions of the Leases; and (v) it will not assert any claim or take any action against any lessee under any of the Leases, or otherwise seek recovery, damages or other relief against any such lessee, which would have the effect of relieving such lessee from any obligation or liability or which would affect, impair or discharge any right of Assignee and, if Assignor shall recover any such sums from such lessee, and if an Event of Default (as hereinafter defined) has occurred and is continuing, Assignor will forthwith pay over the same to Assignee for application to the indebtedness secured hereby.

1.5. **Further Assurances.** Assignor shall execute and deliver, at the written request of Assignee, all such further assurances and assignments as Assignee from time to time shall determine are necessary to effectuate the terms and provisions of this Assignment.

1.6. Assignee to be Creditor of Lessees. Assignee shall be deemed to be the creditor of each lessee under the Leases in any assignments for the benefit of creditors and bankruptcy, reorganization, insolvency, dissolution, receivership or probate proceedings affecting such lessee (without any obligation on the part of Assignee to file claims or otherwise to pursue creditor's rights in such proceedings). All monies received in connection with any such proceedings or occurrences shall constitute additional Rents hereunder.

II
DEFAULTS AND REMEDIES

2.1. Event of Default. The term "Event of Default," wherever used in this Assignment, shall mean any one or more of the following events:

(a) If Assignor shall fail to keep, perform or observe any covenant, condition or agreement on the part of Assignor in this Assignment and such failure shall continue for thirty (30) days following the delivery of written notice to Assignor; provided, however, if such default is of the kind or nature that (in Assignee's judgment) it is curable but is not capable of being cured within thirty (30) days, and provided, further, that Assignor has promptly commenced and is diligently proceeding to cure, then if such default is not cured within ninety (90) days following the delivery of such notice.

(b) If a default shall occur under any of the Loan Instruments and the same is not cured within such cure, grace or other period, if any, provided in such Loan Instrument.

(c) If an "Event of Default" shall occur under and as defined in any of the other Loan Instruments.

2.2. Exercise of Assignee's Rights.

(a) Assignee may exercise its rights as provided in this Assignment without regard to the adequacy of the security and without waiving any other remedy available to Assignee and without waiving such default;

(b) In the event Assignee elects to invoke any of its rights hereunder and thereafter, for any reason, relinquishes to Assignor such rights, this Assignment shall not be terminated, but shall remain in full force and effect until Borrower's Liabilities are paid in full, it being the intent of the parties that Assignee shall, until release of this Assignment, have all the rights granted hereby and be able to exercise them from time to time if an Event of Default occurs.

2.3. Nature of Remedies. No delay or omission on the part of Assignee in the exercise of any remedy for an Event of Default shall operate as a waiver thereof. The remedies

available to Assignee under this Assignment shall be in addition to, and exercisable in any combination with, any and all remedies available by operation of law and under the other Loan Instruments. Said remedies shall be cumulative and concurrent, may be pursued separately, successively or together against Assignor or the Mortgaged Property at the sole discretion of Assignee and may be exercised as often as occasion therefor shall arise.

2.4. Application of Rents. Assignee may apply the Rents, after payment of certain expenses and capital expenditures relating to the Mortgaged Property, on account of Borrower's Liabilities in such order and manner as Assignee may elect. Without limitation of the foregoing, the expenses and capital expenditures relating to the Mortgaged Property may include taxes, insurance, assessments, management fees, usual and customary commissions to real estate brokers for leasing real estate, and the reasonable expenses and fees of all attorneys, agents and employees engaged in connection with the exercise of the rights and powers granted to Assignee hereunder. The receipt by Assignee of any Rents pursuant to this Assignment following an Event of Default and the exercise of any remedies provided for herein or in the other Loan Instruments shall not cure such Event of Default or affect or prejudice the exercise of such remedies.

2.5. Limitation of Assignee's Obligations. Assignee's obligations as to any Rents actually collected shall be discharged by application of such Rents to any of the purposes specified in Section 2.4 hereof. Assignee shall not be liable for uncollected Rents or for failure to collect Rents or for any claim for damages or set-offs arising out of Assignee's management of the Mortgaged Property. Assignee shall not be liable to any lessee for the return of any security deposit made under any Lease unless Assignee shall have received such security deposit from the lessor or such lessee. Assignee shall not by reason of this Assignment or the exercise of any right granted herein be obligated to perform any obligation of the lessor under any of the Leases, nor shall Assignee be responsible for any act committed by the lessor, or any breach or failure to perform by the lessor with respect to any of the Leases. Nothing contained herein shall be deemed to have the effect of making Assignee a mortgagee in possession of the Mortgaged Property or any part thereof.

2.6. Reimbursement. Assignor shall reimburse Assignee for and indemnify Assignee against all expenses, losses, damages and liabilities which Assignee may incur by reason of this Assignment or the exercise of any of the rights granted hereunder. Any and all amounts due to Assignee under this Section 2.6 shall be immediately due and payable, shall be added to Borrower's Liabilities, shall bear interest after disbursement by Assignee at the Default Rate (as described in the Note) and shall be secured by this Assignment and the other Loan Instruments.

2.7. Authorization to Lessees. Each present and future lessee under any of the Leases is hereby authorized and directed to pay the rent payable thereunder to Assignee upon written demand from Assignee stating that an Event of Default has occurred without inquiry as to whether any such default has occurred or whether Assignee is rightfully entitled to such rent. Following receipt of any such demand, no lessee shall be given credit for any rent paid other than to Assignee thereafter until Assignee instructs such lessee otherwise in writing.

III
MISCELLANEOUS

3.1. **Modification of Loan Terms.** If the time of payment of any indebtedness secured hereby is extended at any time or times, if the Note is renewed, modified or replaced or if any security for the Note is released, Assignor and any other parties now or hereafter liable therefor or interested in the Mortgaged Property shall be deemed to have consented to such extensions, renewals, modifications, replacements and releases, and their liability and the lien hereof and of the other Loan Instruments shall not be released and the rights created hereby and thereby shall continue in full force, the right of recourse against all such parties being reserved by Assignee.

3.2. **Successors and Assigns.** This Assignment shall inure to the benefit of Assignee and be binding upon Assignor, the heirs, legal representatives, successors and assigns of Assignor and all persons and entities (including owners and lessees) which may hereafter have any interest in the Mortgaged Property.

3.3. **No Merger.** Notwithstanding the conveyance or transfer of title to any or all of the Mortgaged Property to any lessee under any of the Leases, the lessee's leasehold estate under such Lease shall not merge into the fee estate and the lessee shall remain obligated under such lease as assigned by this Assignment.
