Where a release is requested of a successor trustee, such successor trustee may accept as the genuine notes herein described any notes which bear an identification number purporting to be placed thereon by a prior trustee hereunder or which conform in substance with the description herein contained of the principal notes and which purport to be executed by the persons herein designated as the makers thereof; and where the release is requested of the original trustee and it has never placed its identification number on the principal notes described herein, it may accept as the genuine principal notes herein described any notes which may be presented and which conform in substance with the description herein contained of the principal notes and which purport to be executed by the persons herein designated as makers thereof.

10. Trustee may resign by instrument in writing filed in the office of the Recorder of Registrar of Titles in which this instrument shall have been recorded or filed. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee.
