(b) Enter upon and take possession of the Premises, either in person or by agent or by a receiver appointed by a court, and have, hold, manage, lease and operate the same on such terms and for such period of time as Assignee may deem necessary or proper, with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as may seem proper to Assignee, to make, enforce, modify and accept the surrender of Leases, to obtain and evict tenants, to fix or modify rents, and to do any other act which Assignee deems necessary or proper;

(c) Either with or without taking possession of the Premises, demand, sue for, settle, compromise, collect, and give acquittances for all rents, issues, income and profits of and from the Premises and pursue all remedies for enforcement of the Leases and all the lessor's rights therein and thereunder, provided that, for such purpose, this Assignment shall constitute an authorization and direction to the tenants under the Leases to pay all rents and other amounts payable under the Leases to Assignee, without proof of default hereunder, upon receipt from Assignee of written notice to thereafter pay all such rents and other amounts to Assignee and to comply with any notice or demand by Assignee for observance or performance of any of the covenants, terms, conditions and agreements contained in the Leases to be observed or performed by the tenants thereunder, and provided, further, that Assignor will facilitate in all reasonable ways Assignee's collection of such rents, issues, income and profits, and upon request will execute written notices to the tenants under the Leases to thereafter pay all such rents and other amounts to Assignee; and

(d) Make any payment or do any act required herein of Assignor in such manner and to such extent as Assignee may deem necessary, and any amount so paid by Assignee shall become immediately due and payable by Assignor with interest thereon until paid at an annual rate ("Default Rate") equal to four percent (4%) plus the applicable Loan Rate (as defined in the Loan Agreement) then in effect under the Note and shall be secured by this Assignment.

6. Application of Proceeds. All sums collected and received by assignee out of the rents, issues, income and profits of the Premises following the occurrence of any one or more Events of Default under the provisions of paragraph 4 of this Assignment shall be applied as follows:

(a) First, to reimbursement of Assignee for and of all expenses (including court costs and reasonable attorneys' fees) of: taking and retaining possession of the Premises; managing the Premises and collecting the rents, issues, income and profits thereof, including without limitation, salaries, fees and wages of a managing agent and such other employees as Assignee may deem necessary and proper; operating and maintaining the Premises, including without limitation, taxes, charges, claims, assessments, water rents, sewer rents, other liens, and premiums for any insurance provided in the Mortgage; the cost of all alterations, renovations, repairs or replacements of or to the Premises which Assignee may deem necessary and proper, with interest thereon at the Default Rate;

(b) Second, to reimbursement of Assignee for and of all sums expended by

(c) The existence of any inaccuracy or untruth in any representation, covenant or warranty contained in this Assignment or any Loan Document, or of any statement or certification as to facts delivered to Assignee by Assignor, any co-maker or guarantor of the Note, or any applicant for the loan evidenced by the Note which materially and adversely affects Assignor's ability to repay the loan evidenced by the Note.

(d) At any time, Assignor, any general partner of Assignor, any joint venturer of Assignor or any guarantor or co-maker of the Note files a voluntary petition in bankruptcy, or is adjudicated a bankrupt or insolvent, or institutes (by petition, application, answer, consent or otherwise) any bankruptcy, insolvency, reorganization, arrangement, composition, readjustment, dissolution, liquidation or similar proceedings under any present or future federal, state or other statute or law, or admits in writing his, her or its inability to pay his, her or its debts as they mature, or makes an assignment for the benefit of his, her or its creditors, or seeks or consents to the appointment of any receiver, trustee or similar officer for all or any substantial part of his, her or its property.

(e) The commencement of any involuntary petition in bankruptcy against Assignor, any general partner of Assignor, any joint venturer of Assignor or any guarantor or co-maker of the Note, or the institution against Assignor, any general partner, any joint venturer of Assignor or any guarantor or co-maker of the Note, of any reorganization, arrangement, composition, readjustment, dissolution, liquidation or similar proceedings under any present or future federal, state or other statute or law, or the appointment of a receiver, trustee or other officer for all or any substantial part of the property of Assignor, any general partner of Assignor, any joint venturer of Assignor or any guarantor or co-maker of the Note, which shall remain undismissed or undischarged for a period of sixty (60) days.

(f) Any sale, transfer, lease, assignment, conveyance, pledge, lien or encumbrance made in violation of the provisions of the Loan Documents.

(g) The making of any levy, judicial seizure or attachment on the Leases or any portion thereof, which shall remain undismissed or undischarged for a period of thirty (30) days.

(h) The death or legal incompetency of any two (2) Guarantors of the Note.

5. Rights and Remedies Upon Default. At any time upon or following the occurrence of any one or more Events of Default hereunder, Assignee may, at its option, exercise any one or more of the following rights and remedies without any obligation to do so, without in any way waiving such Event or Events of Default, without further notice or demand on Assignor, without regard to the adequacy of the security for the obligations secured hereby, without releasing Assignor or any guarantor or co-maker of the Note from any obligation hereunder, and with or without bringing any action or proceeding to foreclose the Mortgage or any other lien granted by the Loan Documents:

(a) Declare the unpaid balance of the principal sum of the Note, together with all accrued and unpaid interest thereon, immediately due and payable;

(j) Assignor shall furnish to Assignee within ten (10) days after the end of each quarter, or within ten (10) days after Lender's written request, a written statement containing the names of all tenants and subtenants of the Premises, unit number, amount of monthly rental, security deposit, term of Lease and whether or not such Lease is in default; and

(k) In the event that any tenant under any Lease is or becomes the subject of any proceeding under the Federal Bankruptcy Code, as amended from time to time, or any other federal, state, or local statute which provides for the possible termination or rejection of the Leases assigned hereby, Assignor covenants and agrees that if any such Lease is so terminated or rejected, and any check in payment of damages for termination or rejection of any such Lease will be made payable both to Assignor and Assignee, provided, however, that any check payable for less than \$5,000.00 shall be made payable solely to Assignor with notice to Assignee. Assignor hereby assigns any such payment to Assignee and further covenants and agrees that upon an Event of Default, it will duly endorse to the order of Assignee any such check, the proceeds of which will be applied in accordance with the provisions of paragraph 6 below.

3. Rights Prior to Default. So long as Assignor is not in default hereunder, Assignee shall not demand from tenants under the Leases or any other person liable thereunder, any of the rents, issues, income and profits assigned hereunder, and Assignor shall have the right to collect at the time, but not more than thirty (30) days in advance of the date, provided for the payment thereof, all rents, issues, income and profits assigned hereunder, and to retain, use and enjoy the same. Any time after an Event of Default, Assignee shall have the right to notify the tenants under the Leases of the existence of this Assignment at any time.

4. Events of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" for purposes of this Assignment:

(a) Failure by Assignor to pay or cause to be paid within (i) within fifteen (15) days after the date when due any installment of principal or interest payable pursuant to the Note or (ii) within fifteen (15) days after notice from Assignee, any other amount payable pursuant to the Note, the Mortgage, the other Loan Documents or this Assignment.

(b) Failure by Assignor to promptly perform or cause to be performed any other obligation or observe any other condition, covenant, term, agreement or provision required to be performed or observed by Assignor under this Assignment, the Note, the Mortgage, or any other Loan Document within the time permitted under the Loan Documents for such performance or observance, after thirty (30) days notice from Assignee provided, however, that in the event such failure cannot be cured within said thirty (30) day period, and Assignor has otherwise diligently commenced to cure within such thirty (30) days, then Assignor shall have such reasonable additional time to cure the default, which default shall in any event be corrected within ninety (90) days after delivery of the above acquired written notice specifying such default, unless the continued operation or safety of the Premises, or the priority, validity or enforceability of the lien created by this Agreement, the Mortgage, or any other loan document or the value of the real estate is impaired, threatened, or jeopardized.

Assignee pursuant to paragraph 5(d) above to make any payment or do any act required herein of Assignor, together with interest thereon as provided herein;

(c) Third, to reimbursement of Assignee for and of all other sums with respect to which Assignee is indemnified pursuant to paragraph 7 below, together with interest thereon as provided herein;

(d) Fourth, to reimbursement of Assignee for and of all other sums expended or advanced by Assignee pursuant to the terms and provisions of or constituting additional indebtedness under any of the Loan Documents, with interest thereon as provided therein;

(e) Fifth, to the payment of all accrued and unpaid interest on the principal sum of the Note;

(f) Sixth, to payment of the unpaid balance of the principal sum of the Note; and

(g) Seventh, any balance remaining to Assignor, its respective heirs, legatees, administrators, legal representatives, successors and assigns.

7. Limitation of Assignee's Liability. Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Premises following the occurrence of any one or more Events of Default under the provisions hereof or from any other act or omission of Assignee in managing, operating or maintaining the Premises following the occurrence of any one or more Events of Default under the provisions hereof. Assignee shall not be obligated to observe, perform or discharge, nor does Assignee hereby undertake to observe, perform or discharge any covenant, term, condition or agreement contained in any Lease to be observed or performed by the lessor thereunder, or any obligation, duty or liability of Assignor under or by reason of this Assignment, and, except as arises out of Assignee's gross negligence or willful misconduct, Assignor shall and does hereby agree to indemnify Assignee for, and to hold Assignee harmless of and from, any and all liability, loss or damage which Assignee may or might incur under any Lease or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligation or undertaking on its part to observe or perform any of the covenants, terms, conditions and agreements contained in any Lease. Should Assignee incur any such liability, loss or damage under any Lease or under or by reason of this Assignment, or in the defense of any such claim or demand, the amount thereof, including costs, expenses and attorneys' fees, shall become immediately due and payable by Assignor with interest hereon at the Default Rate and shall be secured by this Assignment. This Assignment shall not operate to place responsibility for the care, control, management or repair of the Premises or for the carrying out of any of the covenants, terms, conditions and agreements contained in any Lease upon Assignee, nor shall it operate to make Assignee responsible or liable for any waste committed upon the Premises by any tenant, occupant or other party, or for any dangerous or defective condition of the Premises, or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any tenant, occupant, licensee, employee or stranger. Nothing herein or in the Mortgage contained, and no exercise by Assignee of any of the

rights herein or in the Mortgage conferred shall constitute or be construed as constituting Assignee a "mortgagee in possession" of the Premises, in the absence of the taking of actual possession of the Premises by Assignee pursuant to the provisions hereof. Assignee has not received nor been transferred any security deposited by any tenant with the lessor under the terms of any Lease and Assignee assumes no responsibility or liability for any security deposited with Assignor.

8. Non-Waiver. Nothing contained in this Assignment and no act done or omitted to be done by Assignee pursuant to the rights and powers granted to it hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under the Note, the guaranty thereof or any of the Loan Documents; this Assignment is made and accepted without prejudice to any of the rights and remedies of Assignee under the terms and provisions of such instruments; and Assignee may exercise any of its rights and remedies under the terms and provisions of such instruments either prior to, simultaneously with, or subsequent to any action taken by it hereunder. Assignee may take or release any other security for the performance of the obligations secured hereby, may release any party primarily or secondarily liable therefor, and may apply any other security held by it for the satisfaction of the obligations secured hereby without prejudice to any of its rights and powers hereunder.

9. Further Assurances. Assignor shall execute or cause to be executed such additional instruments (including, but not limited to, general or specific assignments of such Leases as Assignee may designate) and shall do or cause to be done such further acts, as Assignee may reasonably request, in order to permit Assignee to perfect, protect, preserve and maintain the assignment made to Assignee by this Assignment.

10. Security Deposits. Assignor hereby acknowledges that Assignee has not received nor been transferred any security deposited by any tenant with lessor under the terms of the Existing Leases and that Assignee assumes no responsibility or liability for any security deposited with Assignor.

11. Severability. The invalidity or unenforceability of any particular provision of this Assignment shall not affect the other provisions, and this Assignment shall be construed in all respects as if such invalid or unenforceable provision had not been contained herein.

12. Benefit. This Assignment is binding upon each Assignor, and his, her or its respective general partners; if any, joint venturers, if any, heirs, legatees, legal representatives, administrators, successors and permitted assigns, and the rights, powers and remedies of Assignee under this Assignment shall inure to the benefit of Assignee and its successors and assigns, including without limitation, the holder from time to time of the Note.

13. Written Modifications. This Assignment shall not be amended, modified or supplemented without the written agreement of Assignor and Assignee at the time of such amendment, modification or supplement.

14. Duration. This Assignment shall become null and void at such time as Assignor

shall have paid the principal sum of the Note, together with all interest thereon, and shall have fully paid and performed all of the other obligations secured hereby and by the Loan Documents.

15. Governing Law. This Assignment shall be governed by and construed in accordance with the substantive laws of the State of Illinois.

16. Notices. All notices and demands which are required or permitted to given or served hereunder shall be deemed sufficiently served when delivered or mailed in the manner and to the persons described in the Mortgage.
