**FULL PERFORMANCE.** If Borrower pays all the Indebtedness when due, terminates the credit line account, and otherwise performs all the obligations imposed upon Grantor under this Mortgage, Lender shall execute and deliver to Grantor a suitable satisfaction of this Mortgage and suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Rents and the Personal Property. Grantor will pay, if permitted by applicable law, any reasonable termination fee as determined by Lender from time to time. If, however, payment is made by Borrower, whether voluntarily or otherwise, or by guarantor or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment (a) to Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, (b) by reason of any judgment, decree or order of any court or administrative body having jurisdiction over Lender or any of Lender's property, or (c) by reason of any settlement or compromise of any claim made by Lender with any claimant (including without limitation Borrower), the Indebtedness shall be considered unpaid for the purpose of enforcement of this Mortgage and this Mortgage shall continue to be effective or shall be reinstated, as the case may be, notwithstanding any cancellation of this Mortgage or of any note or other instrument or agreement evidencing the Indebtedness and the Property will continue to secure the amount repaid or recovered to the same extent as if that amount never had been originally received by Lender, and Grantor shall be bound by any judgment, decree, order, settlement or compromise relating to the Indebtedness or to this Mortgage.

**DEFAULT.** Each of the following, at the option of Lender, shall constitute an event of default ("Event of Default") under this Mortgage: (a) Grantor commits fraud or makes a material misrepresentation at any time in connection with the credit line account. This can include, for example, a false statement about Grantor's income, assets, liabilities, or any other aspects of Grantor's financial condition. (b) Grantor does not meet the repayment terms of the credit line account. (c) Grantor's action or inaction adversely affects the collateral for the credit line account or Lender's rights in the collateral. This can include, for example, failure to maintain required insurance, waste or destructive use of the dwelling, failure to pay taxes, death of all persons liable on the account, transfer of title or sale of the dwelling, creation of a lien on the dwelling without Lender's permission, foreclosure by the holder of another lien, or the use of funds or the dwelling for prohibited purposes.

**RIGHTS AND REMEDIES ON DEFAULT.** Upon the occurrence of any Event of Default and at any time thereafter, Lender, at its option, may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

**Accelerate Indebtedness.** Lender shall have the right at its option, without notice to Borrower to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Borrower would be required to pay.

**UCC Remedies.** With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

**Collect Rents.** Lender shall have the right, without notice to Grantor or Borrower, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

**Mortgagee in Possession.** Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

**Judicial Foreclosure.** Lender may obtain a judicial decree foreclosing Grantor's interest in all or any part of the Property.

**Deficiency Judgment.** If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this section.

**Other Remedies.** Lender shall have all other rights and remedies provided in this Mortgage or the Credit Agreement or available at law or in equity.

and every Borrower. This means that each of the persons signing below is responsible for all obligations in this Mortgage.

**Severability.** If a court of competent jurisdiction finds any provision of this Mortgage to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Mortgage in all other respects shall remain valid and enforceable.

**Successors and Assigns.** Subject to the limitations stated in this Mortgage on transfer of Grantor's interest, this Mortgage shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Property becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Mortgage and the Indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Mortgage or liability under the Indebtedness.

**Time Is of the Essence.** Time is of the essence in the performance of this Mortgage.

**Waiver of Homestead Exemption.** Grantor hereby releases and waives all rights and benefits of the homestead exemption laws of the State of Illinois as to all indebtedness secured by this Mortgage.

**Waivers and Consents.** Lender shall not be deemed to have waived any rights under this Mortgage (or under the Related Documents), unless such waiver is in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by any party of a provision of this Mortgage shall not constitute a waiver of or prejudice the party's right otherwise to demand strict compliance with that provision or any other provision. No prior waiver by Lender, nor any course of dealing between Lender and Grantor or Borrower, shall constitute a waiver of any of Lender's rights or any of Grantor or Borrower's obligations as to any future transactions. Whenever consent by Lender is required in this Mortgage, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required.

EACH GRANTOR ACKNOWLEDGES HAVING READ ALL THE PROVISIONS OF THIS MORTGAGE, AND EACH GRANTOR AGREES TO ITS TERMS.
