Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If for any reason, the mortgage insurance coverage required by Lender ceases to be in effect, Borrower shall pay the premium required to obtain coverage immediately equivalent to the coverage previously in effect, from a company approved by Lender to be in one-twelfth of the year. Lender shall pay to Lender the premium paid by Borrower when the insurance coverage was terminated. If the coverage is terminated by Lender, the premium paid by Borrower will be retained by Lender to be applied to the premium due on the next payment date. Lender may require Borrower to pay the premium due on the next payment date if the coverage is terminated by Lender.
9. **Inspection.** Lender or its agent may make reasonable entries upon and inspect all parts of the Property. Lender shall give written notice to the Borrower at least ten days prior to inspection specifying cause for the inspection. Borrower shall cooperate with Lender in the inspection of the Property, and shall furnish Lender with any information concerning the Property which Lender may require. Lender shall be entitled to inspect all parts of the Property, or any part of the Property, or for conveyance in lieu of condemnation, or hereby assigned and shall be entitled to receive a copy of the report of the inspection.

- Whether or not there is a partial taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not the sums are due.
- If the Property is condemned by Lender or its agent, whether or not the sums are due, this Security instrument, whether or not the sums are due, and Lender's interest in the Property, shall be applied to the sums secured by Lender and Borrower shall be liable to Lender for damages resulting from the taking, unless the Property is immediately before the taking is less than the amount of the sums secured by Lender, unless Lender is awarded or settles a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to settle a claim for damages, Borrower or Lender, or Lender's successor in interest, shall not be liable to Lender or Borrower for payment of such amounts.
11. **Borrower Not Released; Robeरame By Lender Not A Waiver.** Extension of time for payment of principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2, or change the amount of such payments.
- Unless Lender and Borrower otherwise agree in writing, any assignment of proceeds to principal shall not affect this Security instrument, whether or not the sums are due.
- If the Property is condemned by Lender or its agent, whether or not the sums are due, this Security instrument, whether or not the sums are due, and Lender's interest in the Property, shall be applied to the sums secured by Lender and Borrower shall be liable to Lender for damages resulting from the taking, unless the Property is immediately before the taking is less than the amount of the sums secured by Lender, unless Lender is awarded or settles a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to settle a claim for damages, Borrower or Lender, or Lender's successor in interest, shall not be liable to Lender or Borrower for payment of such amounts.

Any Borrower who co-signs this Security instrument but does not execute the Note, (a) is co-signing this Security instrument only to mortgage, grant and convey that Borrower's interest in the property under the terms of this Security instrument, (b) is not personally obligated to pay the sums secured by this Security instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forgive or make any accommodations or instruments of this Security instrument, (d) any sums already collected from Borrower which exceeded permitted limits, and (e) any sums already collected from another loan which shall be reduced by the amount necessary to reduce the charge to the loan that law finally interprets so that the interest or other loans charges collected or to be collected in connection with the loan exceed the permitted limits, then:
- Lender may choose to make this reduced by reducing the principal owed under the Note or by making a direct payment to Borrower. If a direct payment is made, the reduced principal will be reduced to Borrower.
13. **Loan Charges.** If the loan secured by this Security instrument is subject to a law which sets maximum loan charges, which regard to the terms of this Security instrument or the Note without any prepayment charge under the Note, if the amount of the loan charges is reduced by the Note without that Borrower's consent.

TITLE OF OFFICER

BALLOON RIDER

(CONDITIONAL RIGHT TO REFINANCE)

LOAN NUMBER: 5658588

810110700 107

THIS BALLOON RIDER is made this 17TH day of OCTOBER, 1997, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure the Borrower's Note to PHH MORTGAGE SERVICES CORPORATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

1755 WEST FLETCHER STREET CHICAGO IL 60657
(Property Address)

The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand the Lender may transfer the Note, Security Instrument and the Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

ADDITIONAL COVENANTS. In addition to the covenants and agreements in the Security Instruments, Borrower and Lender further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

1. CONDITIONAL RIGHT TO REFINANCE

At the maturity date of the Note and Security instrument (the "Maturity Date"), I will be able to obtain a new loan ("New Loan") with a Maturity Date of NOVEMBER 1ST, 2027, and with an interest rate equal to the "New Note Rate" determined in accordance with Section 3 below if all the condition provided in Section 2 and 5 below are met (the "Conditional Refinancing Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinance or modify the Note, or to extend the Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

2. CONDITIONS TO OPTION

If I want to exercise to Conditional Refinancing Option at maturity, certain conditions must be met as of the Maturity Date. These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Maturity Date; (3) no lien against the Property (except for taxes and special assessments not yet due and payable) other than that of the Security Instrument may exist; (4) the New Note Rate cannot be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

3. CALCULATING THE NEW NOTE RATE

The New Note Rate will be a fixed rate of interest equal to the Federal National Mortgage Association's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one-half of one percent (0.5%), rounded to the nearest one-eighth of one percent (0.125%) (the "New Note Rate"). The required net yield shall be the applicable net yield in effect on the date and time of the day that the Note Holder receives notice of my election to exercise the Conditional Refinancing Option. If this required net yield is not available, the Note Holder will determine the New Note Rate by using comparable information.

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the New Note Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest, plus (c) all other sums I will owe under the Note and Security Instrument on the Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over the term of the New Note at the New Note Rate in equal monthly payments. The result of this calculation will be the amount of my principal and interest payment every month until the New Note is fully paid.
