THE COVENANTS, CONDITIONS AND PROVISIONS REFERRED TO ON PAGE 2: (CONTINUED)

suit for the foreclosure hereof after accrual of such right to foreclose whether or not actually commenced; or (c) preparations for the defense of any threatened suit or proceeding which might affect the premises or the security hereof, whether or not actually commenced.

8. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the Note, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the Note; fourth, any overplus to Trustors, their heirs, legal representatives or assigns, as their rights may appear.

9. Upon, or at any time after the filing of a bill to foreclose this Trust Deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Trustors at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Trustors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (a) The indebtedness secured hereby or, by any decree foreclosing this Trust Deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale, (b) the deficiency in case of a sale and deficiency.

10. No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the Note hereby secured. If Trustors voluntarily shall set or convey the premises, in whole or in part, or any interest in that premises or by some act or means divest themselves of title to the premises without obtaining the written consent of the Holders of the Note or Trustee, then the Holders of the Note or Trustee shall have the option to declare the unpaid balance of the indebtedness immediately due and payable. This option shall not apply if (a) the sale of the premises is permitted because the purchaser's creditworthiness is satisfactory to the Holders of the Note and (b) that purchaser, prior to the sale, has executed a written assumption agreement containing terms prescribed by the Holders of the Note including, if required, an increase in the rate of interest payable under the Note.

11. Trustee or the Holders of the Note shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.

12. Trustee has no duty to examine the title, location, existence or condition of the premises, or to inquire into the validity of the signatures or the identity, capacity, or authority of the signatories on the Note or Trust Deed, nor shall Trustee be obligated to record this Trust Deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require indemnities satisfactory to it before exercising any power herein given.

13. Trustee shall release this Trust Deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid; and Trustee may execute and deliver a release hereof to and at the request of any person who shall either before or after maturity thereof, produce and exhibit to Trustee the Note, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine Note herein described any Note which bears an identification number purporting to be placed thereon by a prior trustee hereunder or which conforms in substance with the description herein contained of the Note and which purports to be executed by the persons herein designated as the makers thereof; and where the release is requested of the original trustee and it has never placed its identification number on the Note described herein, it may accept as the genuine Note herein described any Note which may be presented and which conforms in substance with the description herein contained of the Note and which purports to be executed by the persons herein designated as makers thereof.

14. Trustee may resign by instrument in writing filed in the office of the Recorder or Registrar of Titles in which this instrument shall have been recorded or filed. In case of the resignation, inability or refusal to act of Trustee, the then Recorder of Deeds of the county in which the premises are situated shall be Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee.

15. This Trust Deed and all provisions hereof, shall extend to and be binding upon Trustors and all persons claiming under or through Trustors, and the word "Trustors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or any part thereof, whether or not such persons shall have executed the Note or this Trust Deed.

Trustee or the Holders of the Note shall have the option to pay the scheduled monthly instalments on the prior mortgage and, to the extent of the amount so paid, become subrogated to the rights of the trustee identified on the prior mortgage. All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorney's fees, and any other moneys advanced by Trustee or the Holders of the Note to protect the premises and the lien hereof, plus reasonable compensation to Trustee for each matter concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at a rate equivalent to the post maturity rate set forth in the Note securing this Trust Deed, if any, otherwise the prematurity rate set forth therein. Inaction of Trustee or the Holders of the Note shall never be considered as a waiver of any right accruing to them on account of any default hereunder on the part of Trustees.
