Failure to pay such indebtedness within thirty (30) days after notice to Borrower of such acceleration shall constitute an Event of Default. Any use or attempted use by Borrower of the revolving line of credit evidenced by the Note after such an Event of Default shall constitute a separate Event of Default.

As an alternative to declaring all sums secured by this Mortgage to be immediately due and payable, Lender may waive its option to accelerate and agree in writing, prior to close of the sale or transfer to the transferee's assumption of the outstanding obligation under the Note, on terms satisfactory to Lender, subject to Lender's right, described in Paragraph 6.D of the Note, to freeze or reduce the line of credit. Lender's acceptance of the transferee's assumption of the obligation under Note shall not release Borrower from any of obligations under the Note and the Credit Document, and Borrower shall assume the status of the guarantor of the Note until paid in full. Borrower understands that Lender will not permit the assumption of the outstanding balance under the Note in any event and will declare the entire outstanding principal balance plus accrued interest and other charges due to be immediately due and payable (see Paragraph 17 hereof), unless (i) Borrower has submitted to Lender a written acknowledgement from the transferee that the transferee has received (a) a copy of each of the Credit Documents and (b) notice of the amount of Borrower's outstanding principal balance on the line of credit; (ii) Borrower has submitted to Lender a written acknowledgement from transferee that transferee has received such material and understands that Lender's security interest reflected by this Mortgage and the Security Agreement, if any, will remain on the Property and the Beneficial Interest, if any, until the entire outstanding principal balance of Borrower's line of credit as of the date of such sale or transfer or promise, plus any subsequent borrowing made under Borrower's line of credit before Lender has actual knowledge of the sale or transfer, together with accrued interest and other charges, is paid in full; (iii) Borrower causes to be submitted to Lender from the transferee a loan application as required by Lender so that Lender may evaluate the creditworthiness of the transferee as if a new loan were being made to the transferee; and (iv) Lender does not in its sole opinion, believe that (a) its security will be adversely affected, or (b) a breach of any promise or agreement in this Mortgage or the Security Agreement, if any, will occur or (c) such transfer will permit the acceleration of any loan which has priority in right of payment over the indebtedness evidenced by the Note. Further advances on the line of credit will cease as of the date of the written assumption agreement signed by the transferee and Lender. The transferee and Borrower shall retain the right to repay the Note before the final payment date set forth in Paragraph 4 of the Note, in whole or in part, at any time without premium or penalty.

17. **ACCELERATION; REMEDIES (INCLUDING FREEZING THE LINE).** Upon the existence of an Event of Default Lender may, at its sole option, terminate the line, declare all of the sums secured by this Mortgage to be immediately due and payable without further demand, and invoke any remedies permitted by applicable law.

If the line of credit is frozen or reduced, Borrower is not obligated to repay the outstanding principal balance until the final payment date set forth in Paragraph 4 of the Note; provided, however, that Lender will still have the right, in accordance with the terms of the Note, to accelerate the final payment date upon the occurrence of an Event of Default, thus advancing the date principal repayment is due. Any reinstatement of the line of credit shall not prevent Lender from subsequently freezing or reducing the line of credit when permitted to do so by the terms of this paragraph.

Lender shall be entitled to sue in its own name for the amounts so paid, plus interest thereon at the rate of twelve percent (12%) per annum, from the date of payment to the date of payment to Lender or the receiver, whichever is later.
18. ASSIGNMENT OF RENTS; APPENDIMENT OF RECEIVER; LENDER IN POSSESSION. Additionally security hereby assented to Lender the rents of the Property, provided that prior to acceleration of an Event of Default or notice of default hereunder, Borrower shall not pay any amounts due under the Note, except to the extent necessary to pay expenses of collection, including reasonable attorney fees, and in its own name sue for or by judgment apportioned receiver, and without regard to the adequacy, if any, security for the indebtedness secured by this Mortgage, shall be liable to Lender or the receiver for the amounts so paid, plus interest thereon at the rate of twelve percent (12%) per annum, from the date of payment to the date of payment to Lender or the receiver, whichever is later. Lender shall be entitled to sue in its own name for the amounts so paid, plus interest thereon at the rate of twelve percent (12%) per annum, from the date of payment to the date of payment to Lender or the receiver, whichever is later.
