Other Remedies. Lender shall have all other rights and remedies provided in this Mortgage or the Note or available at law or in equity.

The interest change date will always precede the payment change date by approximately 30 days. Your new interest rate will be calculated by adding the margin (number of points over the index as stated on your note) to the index rate that is in effect 10 days prior to the interest change date. This new interest rate will take effect on the interest change date and will stay in effect until the following interest change date.
