in the Security Interests. If Lender determines that any part of the Property is subject to a lien which may impair or reduce the value of the title or (c) security from the holder of the lien or government authority to Lender's satisfaction, Lender may, at Lender's option, exercise all rights and remedies available to Lender to protect the title to the Property or the interest of the title holder in the Property.

If Borrower makes any payments directly to Lender under this Paragraph to Lender's satisfaction, Lender shall pay to Borrower such amounts as are necessary to cover any amounts paid by Lender to the title holder or to the person whose payment Lender made, plus interest thereon at the rate of 9% per annum, plus costs and expenses of collection, including attorney's fees, if any. Borrower shall pay to Lender any amounts deposited in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion, until such amounts are distributed to the title holder, or to Lender's satisfaction, or to any other party entitled thereto. Lender shall pay to Lender any amounts deposited by Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion, until such amounts are distributed to the title holder, or to Lender's satisfaction, or to any other party entitled thereto. Lender shall pay to Lender any amounts deposited by Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion, until such amounts are distributed to the title holder, or to Lender's satisfaction, or to any other party entitled thereto. Lender shall pay to Lender any amounts deposited by Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion, until such amounts are distributed to the title holder, or to Lender's satisfaction, or to any other party entitled thereto.

4. Changes. Lender may modify over this Security Interest, documents, changes, times and limitations applicable to the Property, to the extent that such change does not impair the title to the Property, so long as such changes do not affect the Note, and that, to the best knowledge of Lender, such changes do not violate any law, regulation, or rule.

5. Assignment of Proceeds. Lender shall distribute the proceeds of any sale, assignment, or transfer of Lender's interest in the Property to the Noteholders in proportion to their respective interests in the Property. If Lender's interest in the Property is sold, transferred, or otherwise disposed of, Lender shall assign to the new owner of Lender's interest all rights and obligations of Lender under this Security Interest, and 2 shall be replaced by the Noteholders' interest in the Note, prior to the disposition of Lender's interest.

6. Payment in Full. Upon payment in full of all sums secured by this Security Interest, Lender shall promptly release to Borrower any sums deposited by Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion.

If the Funds held by Lender exceed the amount deposited by Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion, Lender may use such excess to apply to the principal, interest or fees due to the Noteholder, or to pay to Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion, or to pay to the Noteholder the amount deposited by Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion.

If the Funds held by Lender exceed the amount deposited by Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion, Lender may deposit any such excess to the Noteholder, or to pay to the Noteholder, or to pay to the Noteholder the amount deposited by Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion, or to pay to the Noteholder the amount deposited by Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion.

If the Funds held by Lender exceed the amount deposited by Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion, Lender may deposit any such excess to the Noteholder, or to pay to the Noteholder, or to pay to the Noteholder the amount deposited by Lender in escrow, account, trust or similar trust account, or held for Lender in Lender's discretion.

The Funds shall be held in an escrow or trust account deposited by a bonded attorney, notary public, or entity.

Borrower agrees to disburse the amount of Funds due on the basis of current fair and reasonable estimates of expenditures of funds. Lender may estimate the amount of Funds due on the basis of current fair and reasonable estimates of expenditures of funds. Lender may require payment of Funds due in any manner, in any time, or at any time, to any time, collects and holds Funds in an amount not to exceed the lesser amount than is required to disburse, to the Noteholder, in accordance with the Note, (a) S.A.P.A., unless otherwise directed by the Noteholder. Funds held by Lender shall apply to the Noteholder, in accordance with the Note, unless otherwise directed by the Noteholder. Funds held by Lender shall apply to the Noteholder, in accordance with the Note, unless otherwise directed by the Noteholder. Funds held by Lender shall apply to the Noteholder, in accordance with the Note, unless otherwise directed by the Noteholder. Funds held by Lender shall apply to the Noteholder, in accordance with the Note, unless otherwise directed by the Noteholder. Funds held by Lender shall apply to the Noteholder, in accordance with the Note, unless otherwise directed by the Noteholder.

2. Funds for Taxes and Insurance. Subject to stipulations set forth in the Note and any prepayment and early payoff of the Note, the Noteholder shall pay to Lender the amount due to Lender for taxes and insurance premiums.

3. Payment of and interest on the debt evidenced by the Note and any prepayment and early payoff of the Note.

4. Repayment of Prepaid and Unearned Premium and Late Charges. Borrower shall pay to Lender the amount due to Lender for prepaid and unearned premium and late charges.

5. Unpaid Covenants. Borrower and Lender covenant and agree as follows:

THIS SECURITY INTERESTMENT constitutes a continuing obligation continuing until payment in full of all amounts owing hereunder.

BORROWER COVENANTS that Borrower to secure property rights in the Property to Lender, subject to any encumbrances of record.

BORROWER COVENANTS that Borrower to furnish all documents and records, subject to any encumbrances of record.

BORROWER COVENANTS that Borrower to furnish all documents and records, subject to any encumbrances of record.

BORROWER COVENANTS that Borrower to furnish all documents and records, subject to any encumbrances of record.

In this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Lienholding. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security instrument is on a household, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the household and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender requires mortgage insurance as a condition of making the loan secured by this Security instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapsed or ceases to be in effect, Borrower shall pay the premium required to

Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to ensure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unbroken. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above, and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument that not prior to acceleration under paragraph 17 unless

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The initial fixed interest rate I will pay will change to an adjustable interest rate on the first day of MAY , 2004, and the adjustable interest rate I will pay may change on that day every 12th month thereafter. The date on which my initial fixed interest rate changes to an adjustable interest rate, and each date on which my adjustable interest rate could change, is called a "Change Date."

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument.
