policies, including additional and renewal policies, to holders of the Note, and in case of insurance about to expire, to deliver renewal policies not less than ten days prior to the respective dates of expiration; then Trustee of the holders of the Note may, but need not, make any payment or perform any act hereinbefore set forth in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereof, or redeem from any tax sale or forfeiture affecting said premises or contest any tax or assessment. All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorney's fees, and any other moneys advanced by Trustee or the holders of the Note to protect the mortgaged premises and the lien hereof, plus reasonable compensation to Trustee for each matter concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at a rate equivalent to the post maturity rate set forth in the note securing this Trust Deed, if any, otherwise the highest lawful rate per annum. Inaction of Trustee or holders of the Note shall never be considered as a waiver of any right accruing to them on account of any of the provisions of this paragraph.

2. The Trustee or the holders of the Note hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof.

3. At the option of the holders of the Note and without notice to First Party, its successors or assigns, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the Note or in this Trust Deed to the contrary, become due and payable (a) immediately in the case of default in making payment of any installment of principal or interest on the Note, or (b) in the event of the failure of First Party or its successors or assigns to do any of the things specifically set forth in paragraph one hereof and such default shall continue for three days, said option to be exercised at any time after the expiration of said three day period.

4. When the indebtedness hereby secured shall become due whether by acceleration or otherwise, holders of the Note or Trustee shall have the right to foreclose the lien hereof. of the Note may deem to be reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title to or the value of the premises. All expenditures and expenses of the nature in this paragraph mentioned shall become so much additional indebtedness secured hereby and immediately due and payable, with interest thereon at a rate equivalent to the post maturity rate set forth in the Note securing this Trust Deed, if any, otherwise at the highest lawful rate per annum, when paid or incurred by Trustee or holders of the Note in connection with (a) any proceeding, including probate and bankruptcy proceedings, to which either of them shall be a party, either as plaintiff, claimant or defendant, by reason of this trust deed or any indebtedness hereby secured; or (b) preparations for the commencement of any suit for the foreclosure hereof after accrual of such right to foreclose whether or not actually commenced; or (c) preparations for the defense of any threatened suit or proceeding which might affect the premises or the security hereof, whether or not actually commenced.

5. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof, second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the Note with interest thereon as herein provided; third, all principal and interest remaining unpaid on the Note; fourth, any overplus to First Party, its legal representatives or assigns, as their rights may appear.

6. Upon, or at any time after the filing of a bill to foreclose this Trust Deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency at the time of application for such receiver, of the person or persons, if any, liable for the payment of the indebtedness secured hereby, and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not as well as during any further times when First Party, its successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The court from time to time may authorize the receiver to apply the net income in his hands as payment, in whole or in part, of: (a) the indebtedness secured hereby, or by any decree foreclosing this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; and/or (b) the deficiency in a case of a sale and deficiency.

Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the Note, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine Note herein described any note which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as the makers thereof. Where the release is requested of the original trustee it may accept as the genuine note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as makers thereof.

14. First Party agrees that, in order more fully to protect the security of this Trust Deed, first party will deposit with the holder of the Note, on the first day of each month, beginning with first installment, one twelfth of the amount (as estimated by the holder of the note) which will be sufficient to pay taxes, special assessment and other charges on the real estate that will become due and payable during the ensuing year plus the amount necessary to purchase required insurance for one year. The holder of the Note shall hold such monthly deposits in trust, without any allowance of interest, and shall use fund for the payment of such items when the same are due and payable. If at any time the fund so held by the holder of the Note is insufficient to pay any such item when the same shall become due, the holder of the Note shall advise first party of the deficiency and first party shall, within ten days after receipt of such notice, deposit with the holder of the Note such additional funds as may be necessary to pay such items. Failure to make any deposit when due shall be a breach of this mortgage. If at any time there is default in any of the provisions of this mortgage, the holder of the Note may at its option apply any money in the fund on any of the mortgage obligations and in such order and manner as it may elect.

15. It is expressly agreed and understood that in the event of transfer of title to real estate described herein or in the event present beneficiaries under the trust agreement assign their beneficial interest in the trust without first obtaining the written consent of the holder of the Note secured hereby, the entire balance due on the Note shall then become due and payable in full.

16. If all or any part of the property covered by this Trust Agreement is commercial property, then First Party hereby waives any and all rights of redemption from sale under any order or decree of foreclosure of this Trust Deed, to the extent that such rights concern commercial property, on its own behalf and on behalf of each and every person, except decree or judgement creditors of the First Party, acquiring any interest in or title to the premises subsequent to the date of this Trust Deed.

17. That it is the intent hereof to secure payment of said Note whether the entire amount shall have been advanced at the date hereof or at a later date, or having been advanced, shall have been repaid in part and further advances made at a later date. It is understood that at any time before the cancellation and release of this Trust Deed, the Note and Trust Deed, including the terms of repayment thereof, may from time to time be modified or amended in writing thereon by the parties liable thereon and the holder thereof to include any future advance or advances for any purpose made by the holder, as its option, to or for said parties liable thereon. First Party covenant and agree that this Trust Deed secures any and all such future advance or advances whether the same are of the same or a different kind or quality as the original advances, and whether or not related to the original advances together with the specified interest thereon as well as the hereinbefore described principal and interest now evidenced by said Note, the total principal secured hereby not to exceed \$550,000.00 Dollars at any one time.
