If so, Lender may require for Borrower's account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, collect and hold Funds in an amount not to exceed the lesser amount. Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leasholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing which consent shall not be unreasonably withheld; or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this security instrument, Borrower shall pay the premium required to maintain the mortgage insurance coverage until payment in full of the principal amount of the mortgage.
9. Inspection. Lender or its agent may make reasonable entries upon and inspect all portions of the property at the time of or prior to an inspection specifically cause for the inspection. Lender shall give written agreement between Borrower and Lender or applicable law.
10. Cancellation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation of other taking of any part of the property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.
- In the event of a total taking of the property in which the fair market value of the property immediately before the taking is equal to or greater than the amount of the sums secured by this security instrument, unless Borrower and Lender otherwise agree in writing, the sums secured by the following fraction:
- $$\frac{\text{Value of the Property immediately before the taking}}{\text{Value of the property immediately before the taking}}$$
- whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the property in which the fair market value of the property immediately before the taking is less than the amount of the sums secured by the property shall be paid to Lender.
- If the event of a partial taking of the property, the proceeds shall be applied to the sums secured by this security instrument whether or not the sums are due.
- If the property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to escrow or repair or to the sums secured by this security instrument whether or not the sums are due.
- Lender and Borrower otherwise agree in writing or unless a applicable law otherwise provides, the proceeds shall be applied to the sums secured by Lender or Borrower for damages, unless Lender is awarded or settles a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to escrow or repair or to the sums secured by this security instrument whether or not the sums are due.
11. Borrower Not Released; Rebararance by Lender Not a Waiver. Extension of time for payment of such payments.
- Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 2 or change the amount of such payments.
12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security instrument but does not execute the Note; (a) is co-signing this Security instrument only to mortgage, grant and convey that Borrower's interest in the property under the terms of this Security instrument to another, (b) is not personally obligated to pay the sums secured by this Security instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forgive or make any accommodations last minute; and (d) any sums already collected from Borrower which exceeded permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeds maximum loan charges, and this law is finally interpreted so that the interest of other loans charged to it is a law which sets maximum loan charges, with regard to the terms of this Security instrument or the Note without that Borrower's consent.
13. Loan Charges. If the loan accrued by this Security instrument is subject to a law which sets maximum loan charges, Lender may choose to make this reduced by reducing the principal repayment without charging a late fee under the Note; and (b) any sums already collected from Borrower which exceeded permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeds maximum loan charges, and this law is finally interpreted so that the interest of other loans charged to it is a law which sets maximum loan charges, with regard to the terms of this Security instrument or the Note without that Borrower's consent.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

BALLOON RIDER (CONDITIONAL RIGHT TO REFINANCE)

LOAN NUMBER: 9523523
310130700 307

THIS BALLOON RIDER is made this 01ST day of MAY, 1997, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure the Borrower's Note to PHH MORTGAGE SERVICES CORPORATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

1050 WEST BERWYN AVENUE CHICAGO IL 60640
(Property Address)

The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand the Lender may transfer the Note, Security Instrument and the Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

ADDITIONAL COVENANTS. In addition to the covenants and agreements in the Security Instruments, Borrower and Lender further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note):

1. CONDITIONAL RIGHT TO REFINANCE

At the maturity date of the Note and Security Instrument (the "Maturity Date"), I will be able to obtain a new loan ("New Loan") with a Maturity Date of JUNE 01ST, 2027, and with an interest rate equal to the "New Note Rate" determined in accordance with Section 3 below if all the conditions provided in Section 2 and 5 below are met (the "Conditional Refinancing Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinance or modify the Note, or to extend the Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

2. CONDITIONS TO OPTION

If I want to exercise the Conditional Refinancing Option at maturity, certain conditions must be met as of the Maturity Date. These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Maturity Date; (3) no lien against the Property (except for taxes and special assessments not yet due and payable) other than that of the Security Instrument may exist; (4) the New Note Rate cannot be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

3. CALCULATING THE NEW NOTE RATE

The New Note Rate will be a fixed rate of interest equal to the Federal National Mortgage Association's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one-half of one percent (0.5%), rounded to the nearest one-eighth of one percent (0.125%) (the "New Note Rate"). The required net yield shall be the applicable net yield in effect on the date and time of the day that the Note Holder receives notice of my election to exercise the Conditional Refinancing Option. If this required net yield is not available, the Note Holder will determine the New Note Rate by using comparable information.

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the New Note Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal, plus (b) accrued but unpaid interest, plus (c) all other sums I will owe under the Note and Security Instrument on the Maturity Date (assuming my monthly payments then are current, as required under Section 2 above), over the term of the New Note at the New Note Rate in equal monthly payments. The result of this calculation will be the amount of my principal and interest payment every month until the New Note is fully paid.

Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. Hazard Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy on the Condominium Project which is satisfactory to Lender and which provides insurance coverage in the amounts, for the periods, and against the hazards Lender requires, including fire and hazards included within the term "extended coverage," then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of one-twelfth of the yearly premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the Property, whether to the unit or to common elements, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender for application to the sums secured by the Security Instrument, with any excess paid to Borrower.

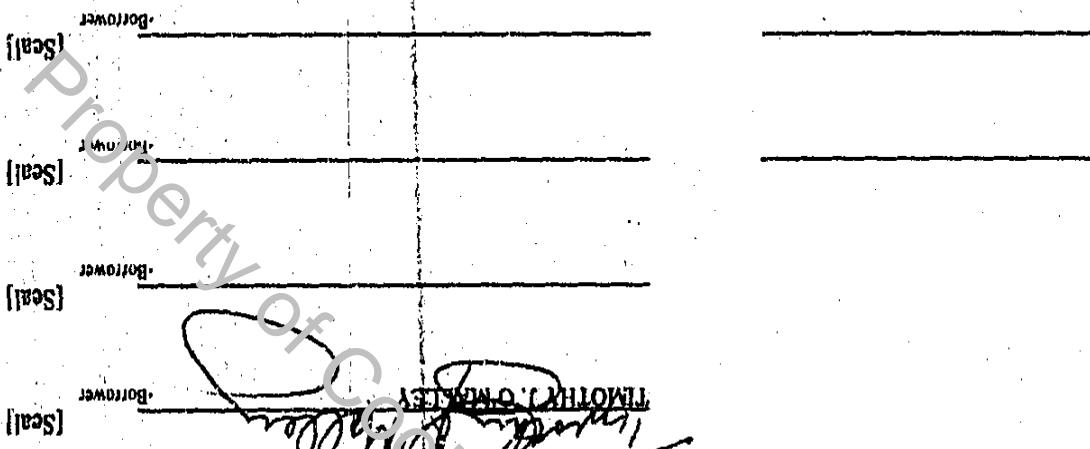

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.
