premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of the payments. If under paragraph 17 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**5. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds; Condominiums; Planned Unit Developments.** Unless Borrower's loan application and Lender's loan approval provided that the Property was not required to be occupied as Borrower's principal residence, Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least 1 year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall not permit, or be alleged to have permitted, the Property to be used in connection with any illegal activity. In that regard, Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

If this Security Instrument is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development and constituent documents.

**6. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, paying insurance premiums, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 6, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 6 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these

Lender shall not be required to commence proceedings against any successor in interest, or refuse to extend time for payment to amortization of the original Borrower or Borrower's successors in interest. Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of such payments.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 60 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security instrument, whether or not then due.

8. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for convenience in lieu of condemnation, are hereby assigned and shall be paid to Lender and applied to the amount secured by this instrument, unless Lender shall be entitled to the persons legally entitled to it.

notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph 12.

**13. Governing Law; Severability.** This Security Instrument shall be governed by federal law, Illinois law and any local law that applies in the place in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**14. Borrower's Copy.** Borrower acknowledges receipt of photocopy or a conformed copy of the Note and of this Security Instrument.

**15. Sale of Note, Change of Loan Servicer.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 12 and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

**16. Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 16, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, lead based paint, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 16, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

**17. Lender's Rights if Borrower Fails to Keep Promises and Agreements.** If any of the events or conditions described in subparagraphs (A), (B), (C), (D), (E) or (F) of this paragraph 17 shall occur, Lender, after giving Borrower any timely notice of Borrower's right to cure as may then be required by applicable law and Borrower's failure to cure within the time period set forth in such notice, may require that Borrower pay immediately the entire amount remaining unpaid under the Note and this Security Instrument. This requirement will be called "Immediate Payment in Full."

If Lender requires Immediate Payment In Full, Lender may bring a lawsuit to take away all of Borrower's remaining rights in the Property and to have the Property sold. At this sale Lender or another person may acquire the Property. This is known as "foreclosure and sale." If the proceeds of this sale are

the holder of an assignment of rents which has priority over this Security Instrument; (i) all rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the rents received by Borrower, and to the extent that rents are not being collected by Lender gives notice of breach to Borrower, and to the extent that rents are not being collected by the holder of an assignment of rents which has priority over this Security Instrument, (iii) all rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument.

19. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's Agent(s) to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's Agent(s), except that Lender shall not be entitled to collect such rents and revenues if and to the extent such rents and revenues are being collected by the holder of an assignment of rents which has priority over this Security Instrument. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of rents which has priority over this Security Instrument and to the extent such rents and revenues are being collected by the holder of an assignment of rents which has priority over this Security Instrument, Lender shall be entitled to collect such rents and revenues if and to the extent such rents and revenues are being collected by the holder of an assignment of rents which has priority over this Security Instrument. The assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

18. Assignment of Leases. Borrower hereby assigns to Lender all leases of the Property and all security deposits made in connection with leases of the Property. Upon Lender's notice to Borrower of modification, extend or terminate the existing leases and to execute new leases, Lender shall have the right to Borrower's breach of any covenant or agreement in this Security Instrument. As used in this paragraph 18, the word "lease" shall mean "sublease" if the Security Instrument is on a leasehold.

(F) Any representation made or information given to Lender by Borrower in connection with Borrower's application for the loan evidenced by the Note; is false or misleading in any material respect.

(E) Borrower fails to keep any other promise or agreement in this Security Instrument within the time set forth, or if no time is set forth in this Security Instrument, then within the time set forth in the notice sent to Borrower by Lender; or

(D) Borrower fails to make any payment required by any senior mortgagee, deed of trust or other security instrument encumbering the Property; or

(C) On application of Lender, two or more insurance companies licensed to do business in the State in which the Property is located refuse to issue policies insuring the buildings and improvements on the Property; or

(B) Except in those circumstances in which federal law otherwise provides, all or any part of the Property, or any right in the Property, is sold or transferred without Lender's prior written consent (or, if Borrower is not a natural person, if a beneficial interest in Borrower is sold or transferred); or

(A) Borrower fails to make any payment required by the Note or this Security Instrument when it is due; or

Lender may require immediate Payment In Full under this paragraph 17, if:

SecuritY instrument to repay Lender the amounts due to Lender from Borrower under the Note and under this SecuritY instrument, Lender may, to the extent not limited or prohibited by law, obtain a court judgment against Borrower personally for the difference between all amounts due from Borrower under the Note and this SecuritY instrument for the amount of the sale proceeds. In any lawsuit for foreclosure and sale, Lender will have the right to collect all costs and expenses of the foreclosure and sale allowed by law. This includes attorney's fees and costs of title evidence permitted by applicable law and Rules of Court, and reasonable attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction). All such sums as may come due will be secured by the lien of this Security Instrument. All such sums as may come due will be secured by the lien of this Security Instrument.

## ADJUSTABLE RATE RIDER

SB50013799

**(LIBOR 6 Month Index (As Published in The Wall Street Journal) - Rate Caps)**

THIS ADJUSTABLE RATE RIDER is made this 15th day of May, 1997, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Superior Bank FSB (the "Lender") of the same date and covering the property described in the Security Instrument and located at: 11 E. 116th Street, Chicago, IL 60628

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

**I. INTEREST RATE AND MONTHLY PAYMENT CHANGES**

The Note provides for an initial interest rate of 12.250% (the "Initial Rate"). The Note provides for changes in the interest rate and the monthly payments as follows:

This Note is not payable in installments of equal amounts. Larger installments may be due as provided herein. The interest rate in effect on the date of this Note ("Initial Rate") is 12.250% per year, which, except for odd days' interest, if any, will be applied to a 360 day year consisting of 12 months with 30 days each.

The interest rate I will pay may change on the 1st day of June, 1999, and on that day every 6th month thereafter. Each date on which my interest rate could change is called a "Change Date."

Beginning with the first Change Date, the interest rate will be based on an Index. The "Index" is the average of interbank offered rates for 6 month U.S. dollar-denominated deposits in the London market ("LIBOR") as published in *The Wall Street Journal* "Money Rates" table. The "Current Index" is the most recent Index value available as of the date forty-five (45) days before each Change Date if such date falls on a Friday or, if such date does not fall on a Friday, then the "Current Index" is the most recent Index value available as of the Friday immediately preceding the date forty-five (45) days before each Change Date. Before each Change Date the Note Holder will calculate the new interest rate, which, except for any odd days' interest upon prepayment in full, will be applied to a 360 day year consisting of 12 months with 30 days each, by adding 7.250 percentage points (the "Margin") to the Current Index. When a new rate is determined, the rate will be rounded to the nearest 1/8%. The Note Holder will then determine the amount of the level monthly payment that will be sufficient to repay the then unpaid principal in full by the maturity date of this Note, assuming that all delinquent payments are made and that all future payments are made when due.

At the first Change Date, the interest rate will not be increased to more than Two (2.0) percentage point(s) above or One (1.0) percentage point(s) below the Initial Rate and, at all subsequent Change Dates, the interest rate will never be increased or decreased on any single Change Date by more than One (1.0)

percentage point(s) from the rate of interest charged during the preceding six (6) months. The interest rate will never be greater than 18.25 percent per year, nor will it ever be less than One (1.0) percentage point(s) below the Initial Rate during the entire term of this loan and at no time during the term of this loan will the rate be increased above the rate permitted by law. The new interest rate will become effective on the Change Date. The new monthly payment will begin on the first monthly payment date after the Change Date and will remain in effect until the monthly payment changes again. The Note Holder will deliver by mail to me a notice of any change in the interest rate and the amount of the new monthly payment at least twenty-five (25) days before the effective date of any payment change. The notice will include information required by law and possibly certain other information as well.

Except in the case of a Current Index and Margin less than One (1.0) percentage point(s) below the Initial Rate and subject to the One (1.0) percentage point limitation on rate changes described above, rate decreases will be mandatory upon decreases in the Index determined on Change Dates, but rate increases based upon increases in the Index will be optional with the Note Holder. However, the fact that the Note Holder may not have made a permissible increase in whole or in part will not be considered a waiver of the Note Holder's right subsequently to make any other permissible increase within the limits stated in this Section 4.

Adjustments in the rate will be given effect by changing the dollar amounts of remaining equal monthly installments so that the total amount due under this Note will, if all delinquent payments are made and all future payments are made when due, be paid by the original maturity date of this Note. As stated in Section 2, however, interest will accrue until payment in full is actually made.

**2. Paragraph 2 of the Security Instrument is hereby deleted in its entirety and replaced with the following:**

**APPLICATION OF BORROWER'S PAYMENTS**

Unless applicable law provides otherwise, Lender will apply each of Borrower's regular monthly payments under the Note first to accrued and unpaid interest under the Note as if the payment is made on its due date, regardless of when the payment is actually received and the remainder, if any, to the unpaid principal balance under the Note. Any late charges, prepayment charges, collection costs and expenses, dishonored check charges and payments made by Lender to enforce the Note and/or to protect Lender's interests under this Security Instrument will be assessed separately.
