collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Mortgagor in Possession. Lender shall have the right to be placed as mortgagor in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagor in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Judicial Foreclosure. Lender may obtain a judicial decree foreclosing Grantor's interest in all or any part of the Property.

Deficiency Judgment. If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this section.

Other Remedies. Lender shall have all other rights and remedies provided in this Mortgage or the Credit Agreement or available at law or in equity.

Sale of the Property. To the extent permitted by applicable law, Grantor hereby waives any and all right to have the property marshalled. In exercising its rights and remedies, Lender shall be free to sell all or any part of the Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Property.

Notice of Sale. Lender shall give Grantor reasonable notice of the time and place of any public sale of the Personal Property or of the time after which a private sale or other intended disposition of the Personal Property is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition.

Waiver; Election of Remedies. A waiver by any party of a breach of a provision of this Mortgage shall not constitute a waiver of or prejudice the party's rights otherwise to demand strict compliance with that provision or any other provision. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or take action to perform an obligation of Grantor under this Mortgage after failure of Grantor to perform shall not affect Lender's right to declare a default and exercise its remedies under this Mortgage.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Mortgage, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and on any appeal. Whether or not any court action is involved, if reasonable expenses incurred by Lender that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest from the date of expenditure until repaid at the rate provided for in the Credit Agreement. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses whether or not there is a lawsuit, including attorneys' fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees, and title insurance, to the extent permitted by applicable law. Grantor also will pay any court costs, in addition to all other sums provided by law.

NOTICES TO GRANTOR AND OTHER PARTIES. Any notice under this Mortgage, including without limitation any notice of default and any notice of sale to Grantor, shall be in writing, may be sent by facsimile, and shall be effective when actually delivered, or when deposited with a nationally recognized overnight courier, or, if mailed, shall be deemed effective when deposited in the United States mail first class, certified or registered mail, postage prepaid, directed to the addresses shown near the beginning of this Mortgage. Any party may change its address for notices under this Mortgage by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. All copies of notices of foreclosure from the holder of any lien which has priority over this Mortgage shall be sent to Lender's address, as shown near the beginning of this Mortgage. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address.

ASSOCIATION OF UNIT OWNERS. The following provisions apply if the Real Property has been submitted to unit ownership law or similar law for the establishment of condominiums or cooperative ownership of the Real Property:

Power of Attorney. Grantor grants an irrevocable power of attorney to Lender to vote in its discretion on any matter that may come before the association of unit owners. Lender shall have the right to exercise this power of attorney only after default by Grantor; however, Lender may decline to exercise this power as it sees fit.

Insurance. The insurance as required above may be carried by the association of unit owners on Grantor's behalf, and the proceeds of such insurance may be paid to the association of unit owners for the purpose of repairing or reconstructing the Property.
