Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. BALLOON ADJUSTABLE RATE RIDER Loan # 3012

(libor index - rate caps)

THIS ADJUSTABLE RATE RIDER is made this 27th day of May, 1997 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to PRIMESTAR FINANCIAL CORP.

(the "Lender") of the same date and covering the property

described in the Security Instrument and located at:

7311 SOUTH PERRY.

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

Additional Coveracts. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further, covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 9.500 % The Note provides for changes in the interest rate and the interfally payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of December, 1997, and on that day every six months thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the London InterBank Offered Rate for dollar deposits having a maturity of six months ("LIBOR") as reported in the Wall Street Journal published in Orlando, Florida. The most recent Index figure available as of the 15th day of the month or next business day thereafter of the month which is two notations prior to the change date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of the choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Seven and Five one-hundredths percentage points (____7_050_%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my or w interest rate in substantially equal payments based on an assumed three hundred sixty month amortization term. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 10.500 % or less than 9.500 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than one percentage point (1.00%) from the rate of interest I have been paying for the preceding six months. My interest rate will never be greater than 21.050 % nor less than the initial rate.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(G) Balloon Payment

on I will make a final payment of the remaining unpaid principal balance of my loan together with any outstanding unpaid interest or other charges. The balloon payment may be refinanced under terms acceptable to the Note Holder provided (1) I have not been and am not in default under any obligation to the Note Holder at the time of such refinancing (2) the security for the new loan shall be the same and its value adequate; and (3) I meet all of the Lender's normal loan requirements and pay all fees normally charged by the Lender for such transactions. My option to refinance must be exercised no later than 20 days prior to the due date of the balloon payment. Time is of the essence of this Note.

B. TRANSFER OF THE PROPERTY OF A BENEFICIAL INTEREST IN BORROWER Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferce as if new loan were being made to the consferce; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated where the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in rull, I ander shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrumer. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

By signing below, Borrower accepts and agrees to the terms and covenants contained in the Adjustable Rate Rider.
