8. Inspection. Landor or his agent may make reasonable entries upon and inspect any parts of the property, under such title or name as Borrower may assume, to determine whether Borrower is complying with any term of this instrument.

9. Mortgage Insurance. Landor required mortgage insurance as a condition of making the loan. Landor shall pay the premium annually in advance. Landor shall pay for any premium which becomes due prior to the date on which it becomes payable, and shall be liable for any premium which becomes payable after the due date.

10. Insurance. Landor shall carry insurance for the property and its contents, including the fixtures, for the full amount of the unpaid principal balance, plus interest, taxes, insurance premium, attorney's fees, and costs of collection, and shall keep the same in force until the date of maturity of this instrument. Landor shall pay to the insurance company the amount of the premium due on the policy for the period from the date of the last payment on the note to the date of maturity of this instrument.

11. Security Interest. This instrument creates a valid security interest in the property in favor of Landor.

Any amounts disbursed by Landor under this paragraph 7 shall become additional debt of Borrower, secured by the Security instrument. Landor shall require payment of all amounts due and owing upon notice from Landor to Borrower requesting payment, which amounts shall bear interest from the date of disbursement at the rate and shall be payable, with accrued interest, upon demand by Landor.

Landor shall pay the amounts due and owing to Borrower, which amounts include principal, interest, and any other amounts, and shall pay for any insurance premiums, attorney fees, and any other amounts necessary to protect the value of the Property and to recover damages, or to defend against legal actions, suits, or proceedings, then Landor may do and pay for whatever is necessary to protect the rights in the Property (which is hereby acknowledged to be a legal proceeding that may ultimately affect agreements contained in this security instrument, or that is a legal proceeding that may ultimately affect agreements contained in the Note), or to defend against legal actions, suits, or proceedings, then Landor may do and pay for whatever is necessary to protect the rights in the Property.

12. Protection of Landor. Rights of Landor to perform the conditions and requirements of this instrument, or to exercise his rights under this instrument, shall not merge unless Landor agrees to the merger in writing.

13. Liquidated Damages. Landor shall not be entitled to collect any liquidated damages as defined in Paragraph 12, by causing the action of proceeding to be dismissed with a ruling that the Plaintiff has failed to state a cause of action or to proceed with a trial, if the Plaintiff could have obtained judgment for a sum substantially greater than the amount of liquidated damages contained in Paragraph 12, by failing to provide timely notice of the filing of the action.

14. Waiver of Jury Trial. Landor waives the right to a trial by jury in any action to collect any liquidated damages, or any action to collect any amount due under this instrument, or to collect any amount due under the Note.

15. Survival of Agreements. All agreements, covenants, warranties, and representations made by Landor and Borrower shall survive the termination of this instrument and shall continue to bind Landor and Borrower for one year after the date of occupancy, unless Landor and Borrower agree to extend the time of occupancy for a period longer than one year, in which case the instrument shall not be terminated by the date of occupancy, unless Landor and Borrower's principal residence is located outside the State of Illinois.

16. Occupancy. Protection, maintenance and protection of the property, Borrower's loan

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. BALLOON RIDER (CONDITIONAL RIGHT TO REFINANCE)

THIS BALLOON RIDER is made this 30th day of January, 1997, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure the Borrower's Note to LaSalle Bank, F.S.B.

(the "Lender")
of the same date and covering the property described in the Security Instrument and located at:

3041 N. Spaulding, Chicago, IL 60618
(PROPERTY ADDRESS)

The interest rate stated on the Note is called the "Note Rate." The date of the Note is called the "Note Date." I understand the Lender may transfer the Note, Security Instrument and this Rider. The Lender or anyone who takes the Note, the Security Instrument and this Rider by transfer and who is entitled to receive payments under the Note is called the "Note Holder."

ADDITIONAL COVENANTS In addition to the covenants and agreements in the Security Instrument, Borrower and Lender further covenant and agree as follows (despite anything to the contrary contained in the Security Instrument or the Note): 516 1-1

1. CONDITIONAL RIGHT TO REFINANCE

At the maturity date of the Note and Security Instrument (the "Maturity Date"), I will be able to obtain a new loan ("New Loan") with a new Maturity Date, February 1, 2007, and with an interest rate equal to the "New Note Rate" determined in accordance with Section 3 below if all the conditions provided in Sections 2 and 5 below are met (the "Conditional Refinancing Option"). If those conditions are not met, I understand that the Note Holder is under no obligation to refinance or modify the Note, or to extend the Maturity Date, and that I will have to repay the Note from my own resources or find a lender willing to lend me the money to repay the Note.

2. CONDITIONS TO OPTION

If I want to exercise the Conditional Refinancing Option at maturity, certain conditions must be met as of the Maturity Date. These conditions are: (1) I must still be the owner and occupant of the property subject to the Security Instrument (the "Property"); (2) I must be current in my monthly payments and cannot have been more than 30 days late on any of the 12 scheduled monthly payments immediately preceding the Maturity Date; (3) no lien against the Property (except for taxes and special assessments not yet due and payable) other than that of the Security Instrument may exist; (4) the New Note Rate cannot be more than 5 percentage points above the Note Rate; and (5) I must make a written request to the Note Holder as provided in Section 5 below.

3. CALCULATING THE NEW NOTE RATE

The New Note Rate will be a fixed rate of interest equal to the Federal National Mortgage Association's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment, plus one-half of one percentage point (0.5%), rounded to the nearest one-eighth of one percentage point (0.125%) (the "New Note Rate"). The required net yield shall be the applicable net yield in effect on the date and time of day that the Note Holder receives notice of my election to exercise the Conditional Refinancing Option. If this required net yield is not available, the Note Holder will determine the New Note Rate by using comparable information.

4. CALCULATING THE NEW PAYMENT AMOUNT

Provided the New Note Rate as calculated in Section 3 above is not greater than 5 percentage points above the Note Rate and all other conditions required in Section 2 above are satisfied, the Note Holder will determine the amount of the monthly payment that will be sufficient to repay in full (a) the unpaid principal,
