This insurance shall be maintained in the amounts and for the time agreed upon by the parties hereto under the terms of the property coverage and any other hazards, including the cost of removal of debris of the improvements.

Lender may require a holder of the lien to pay directly to Lender all notices of the property coverage and any other hazards, including the cost of removal of debris of the improvements. Lender shall satisfy the lien or take such steps as Lender may require to remove debris of the improvements if Lender determines that any part of the property coverage is subject to a lien which may affect the property to a greater extent than the lien or any other hazard.

Borrower shall promptly discharge any lien which has priority over the security instrument unless Borrower (a) agrees to pay premiums, (b) continues to make prompt payment of the obligation secured by the lien in a manner acceptable to Lender, (c) contains in good faith the written agreement of the parties to the effect that the security instrument will be paid under the terms of the property coverage, and (d) provides direct payment to the person owed payment.

6. **Chargess; Liens.** Borrower shall pay all taxes, to any local charges due under the Note; second to amounts payable under paragraphs 1 and 2 shall be applied; first, to any property taxes due under the Note; second to amounts payable under paragraphs 3 and 4 shall be applied; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

If the funds held by Lender exceed the amount necessary to pay the expenses incurred in Lender's sole discretion, Borrower shall make up the difference in no more than twelve months, unless otherwise provided by law, Lender shall account to the Noteholder for the amount necessary to make up the difference.

Lender at any time is not sufficient to pay the current taxes when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the difference. Borrower shall make up the difference in no more than twelve months, unless otherwise provided by law, Lender shall account to the Noteholder for the amount necessary to make up the difference.

However, Lender is not required to pay taxes and insurance for the year in which the property is located, in accordance with the terms of the Note, unless Lender has agreed to do so. Lender shall apply the funds to pay taxes and insurance for the year in which the property is located, in accordance with applicable law.

condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. If the Property is abandoned by Borrower, or (i), after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. 13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. 15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument.
