The Funds shall be held in an institution whose deposits are insured by a Federal agency, instrumentality, or entity (including Lennder, if Lennder is such an institution) or in any Federal Home Loan Bank. Lennder shall apply the Funds to pay the Escrow Items. Lennder may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lennder plays Borrower's interests on the Funds and applies it to make such a charge. However, Lennder may require Borrower to pay a one-time charge for an immediate real estate tax reporting service used by Lennder in connection with his loan, unless provides otherwise. Unless an agreement is made or applicable law requires payment to be paid, Lennder shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lennder may agree in writing, however, that interest shall be paid on the Funds. Lennder shall give to Borrower, without cause, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit is used. The Funds are pledged as additional security for all sums secured by this security instrument.

1. **Repayment of principal and interest:** Repayment shall commence
pay when due and principal of and interest on the debt evidenced by the Note and any prepayment
charges due under the Note.

UNITS AND COVENANTS; BOTTOWER AND LEANDER GOVERNOR AND AGREE AS FOLLOWS:

This SECURITY INSTRUMENT combines uniform coveralls for individual use and non-administrative convenants which limited variations by jurisdiction to constitute a uniform security instrument covering real property.

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

TOURI HER WITH THE IMPROVEMENTS HOW OF MECHANIC ELECTRIC ON THE PROPERTY, AND IN ACCORDANCE, AND FIXTURES NOW OR HEREAFTER A PART OF THE PROPERTY. ALL REPAIRS AND ADDITIONS SHALL ALSO BE COVERED BY THIS SECURITY INSTRUMENT. ALL OF THE FOREGOING IS REFERRED TO IN THIS SECURITY INSTRUMENT AS "PROPERTY".

LN# 3040827

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

8. Mortgagage Insurance. If Lender requires mortgagage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgagae insurance in effect. If, for any reason, the mortgagage insurance becomes coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage again. Mortgagage insurance shall pay the premium required to maintain the mortgagae insurance previously paid by Lender, if subsequently established or increased by Lender. Borrower shall pay the premium required to maintain the mortgagae insurance coverage established or increased by Lender. Lender may require Borrower to pay the premium required to maintain the mortgagae insurance coverage established or increased by Lender.

9. Inspection. Lender or his agent may make reasonable entries upon and inspections of the property, Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable charges for the inspection.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or if he is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enjoince laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender over this Property has priority over all other liens which have been placed upon it by any other person.

Any amounts disbursed by Lender under this Paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

LN# 3040827

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

20. Hazardous Substances. Corrector shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Corrector shall not do, nor allow anyone else to do, anything affecting the property that is in violation of any Environmental Law.

19. Sale of Note; Change of Note; Change of Lessor; Change of Servicer. The Note or a partial interest in the Note (regardless of its Securitry instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Lessor Servicer") that collects monthly payments under the Note and this security instrument. There also may be one or more changes of the Lessor under the Note or a sale of the Note. If there is a change of the Lessor Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Lessor and the address to which payments should be made. The notice will also contain any other information required by applicable law.

18. Borrower's Right to Remisitance. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the property to any Power of Sale contained in this Security Instrument; or (b) entry of a judgment pursuant to those conditions, those conditions are breached; or (c) payment of all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (d) causes any default of this Security Instrument, unless Borrower has paid all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (e) pays all expenses incurred in enforcing this Security Instrument; (f) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (g) pays all expenses incurred in enforcing this Security Instrument; (h) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (i) pays all expenses incurred in enforcing this Security Instrument; (j) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (k) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (l) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (m) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (n) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (o) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (p) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (q) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (r) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (s) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (t) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (u) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (v) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (w) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (x) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (y) causes any default of this Security Instrument and the Note as if no acceleration had occurred; (z) causes any default of this Security Instrument and the Note as if no acceleration had occurred.

If Leander exercises this option, Leander shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Leander may invoke any remedies permitted by this Security Instrument without further notice or demand of Borrower.

13. **Coverting Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note and the Note will remain in effect without the conflicting provision. To the extent that any provision of this Note is held invalid or unenforceable, the parties hereto agree that the remaining provisions of this Note shall remain in full force and effect.

14. **Power's Copy.** Borrower shall be given one conforming copy of this Note and of this Security instrument.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivery in writing it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to reasonable attorneys' fees and costs of title evidence.

23. Waiver of Homestead. Borrower waives all right of homestead exemption in the Property.

24. Riders to this Security Instrument.
