II Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or demands against the holder of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may affect over this Security Instrument, Lender reserves the right to require the Borrower to pay debts due under this Agreement prior to Lender's rights in the Property.

3. **Charges:** Lessor, Borrower shall pay all taxes, assessments, charges, times and impositions attributable to the Property which may affect this Security Instrument, and leasehold payments of ground rents, if any. Borrower shall pay those obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lessor all notices of amounts so paid under this paragraph.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts paid due under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

negative mountable payments, at Lender's sole discretion.

If the Funds held by Lender exceed the amounts permitted to be held by application of applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law, to the amount of the Funds held by Lender at any time is not sufficient to pay the Borrower items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than

The Funds shall be held in an institution whose deposits are measured by a federal agency, instrumentality, or authority (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow items, Lender may not charge Borrower for holding and applying the Funds, and usually analyzing the escrow account, unless Lender may require payment of interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Lender to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an amendment is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debt in the Funds was made. The Funds are pledged as additional security for all sums secured by this Security instrument.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly leasehold payments and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments of ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Excess Items". Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"). Unless another law that applies to the Funds sets a lesser amount, if so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future terms or otherwise in accordance with applicable law.

1. Payment of Principal and Interest; Preparation and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any preparation and late charges due under the Note.

CUSTOM FORM COVENANTS. Borrower and Lender covenant and agree as follows:

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgag[e].
Borrower is further obligated to furnish uniform securities instrument covering real property.
THIS SECURITY INSTRUMENT combines uniform convenants for national use and non-uniform covenants with limited

this Security Instrument. Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste of the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to

any other address unless Borromer designates by notice to Lender. Any notice to Lender shall be given by first class mail or by first class mail unless Borromer provides for in this security instrument such delivery by delivering it to the Property Address or notices; any notice to Borromer provided for in this security instrument shall be given by delivery to the mailing address Borromer designates by notice to Lender. Any notice to Lender shall be given by first class mail

13. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limits; and (b) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limits and to make this refund by reducing the principal owed under this Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any preparation charge under the Note.

make any accommodations with regard to the terms of this Security Instrument or the Note without Borrower's consent.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The conventions and agreements of this security instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants shall be joint and several. Any Borrower who co-signs this Security instrument but does not execute the Note, shall be liable to pay the amounts due under the Note and to satisfy his or her obligations under this Security instrument. (a) is co-signing this Security instrument only to mortgage, grant and convey his or her interest in the security instruments and any other Borrower may agree to extend modify, forfeit or sell such interest. (b) is not personally obligated to pay the sums borrowed by this Security instrument, and (c) is not personally liable for the debts of this Security instrument.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

award of a judgment for damages. Borrower fails to respond to Lender within 30 days after the date the notice is given to settle a claim for damage, Lender may sue for the amount of the judgment or sue for the amount of the judgment plus interest and attorney's fees.

10. Condemnation. The proceeds of any action specially brought for damages, direct or consequential, in connection with an condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and reserved to the trustee for the time of or prior to an inspection specially made for the purpose.

Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) 5 days for such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

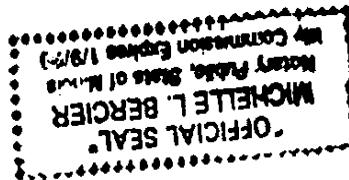

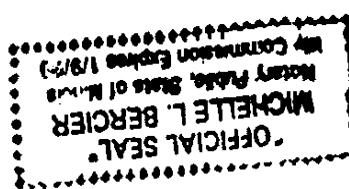

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless

MORTGAGE RIDER

THIS MORTGAGE RIDER is made this 11TH day of JUNE, 1998 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Balloon Note (the "Note") to SERVE CORPS MORTGAGE CORP. (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT OF THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

The Note provides for an initial interest rate of 7.1 %. The Note provides for changes in the interest rate, monthly payments and balloon payment as follows:

2. INTEREST

Interest will be charged on unpaid principal until the full amount of principal has been paid. The initial interest rate on my balloon mortgage loan is fixed at a yearly rate of 7.1 %. I understand that this is a preferred interest rate (the "Preferred Rate") that is lower than the interest rate I would pay if I did not choose the payment method described below (the "Regular Rate").

I will pay either the Preferred Rate or the Regular Rate, as applicable, both before and after any default described in Section 6(B) of this Note.

PAYMENTS:

(A) Time and Place of Payments

I will pay principal and interest by making payments every month. In order to receive the Preferred Rate, I agree to make my monthly payments by automatic transfers ("Automatic Loan Payments") from a deposit account (the "Deposit Account") held by the Note Holder or its designee for the term of the loan.

I will make my monthly payments on the 1ST day of each month beginning on August 1, 1998. I will make these payments every month until I have paid all of the principal and interest and any other charges that I may owe under this Note. My monthly payments will be applied to interest before principal. If, on July 1, 2013, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "maturity date".

I will make my monthly payment at ST. PAUL FEDERAL BANK FOR SAVINGS or at a different place if required by the Note Holder.

Amount of My Initial Monthly Payments

Each of my initial monthly payments will be in the amount of US \$ 3225.75. This amount may change.

Adjustable Interest and Monthly Payment Changes

The Preferred Rate, monthly payments and balloon payment can change.

(D) Calculation of Changes

If at any time the Deposit Account is closed or I no longer make Automatic Loan Payments, my Preferred Rate will increase to the Regular Rate for the remainder of the loan term. The amount of the Regular Rate will be fixed at a yearly rate of 7.35 %.

The Note Holder may change my rate at any time that is convenient to the Note Holder after I have stopped making Automatic Loan Payments from the Deposit Account and I have been notified in advance of the rate change in the manner described below. The Note Holder will determine the amount of the monthly payment and balloon payment that would be sufficient to repay the unpaid principal balance I am expected to

8522688

UNOFFICIAL COPY

owe in full on the maturity date at the Regular Rate. The result of this calculation will be the amount of my new monthly payment and new balloon payment.

Limits on Rate Changes

My interest rate will never be greater than 7.35 %.

Notice of Changes

The Note Holder will deliver or mail to me a notice 25 days before any payment adjustment will be made. This notice will include information required by law to be given to me and also the telephone number of a person who will answer any questions I may have regarding the notice.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Mortgage Recd.
