TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security instrument. All of the foregoing is referred to in this Security instrument as the "Property".

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform instruments for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall on the day monthly payments which may attain priority over this Security full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over the Note, until the Note is paid in full, (b) early leasehold payments of ground rents on the Property, if any; (c) insurance as a loan on the Property; (d) early flood insurance premiums, if any; (e) yearly hazard or catastrophe insurance premiums, if any; and (f) any sums payable by Borrower to Lender, at any time, to collect and hold Funds in an amount not to exceed the lesser amount, Lender may estimate the amount due on the basis of current data and reasonable estimates of expenditures of future Escrow items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, or entity (including Lender), if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow items, unless Lender holds for holding loan instruments, or entity (including Lender), if Lender is such an institution) or in any Federal Home Loan Bank, Lender shall apply the Funds to pay the Escrow items, unless Lender may not charge a charge for holding loan instruments, or entity (including Lender), if Lender is such an institution) or in any Federal Home Loan Bank, Lender shall apply the Funds to verifying the Escrow items, unless Lender pays applying the Funds, simultaneously, or Lender may agree to the Escrow account, or verifying the Escrow items, unless Lender holds by this Security instrument. Lender to make such a charge, however, Lender may require interest on the Funds and applicable law permits Lender to make twelve monthly payments, at Lender's sole discretion.

If the Funds held by Lender exceed the amount permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law, Lender prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sum secured by this Security instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest, to principal due; and last, to any late charges due under the Note.

Upon payment in full of all sums secured by this Security instrument, Lender shall promptly refund to Borrower any Funds held by Lender, if Lender pays all taxes, assessments, charges, fines and impositions of property; Lien, Borrower shall promptly furnish to Lender receipts evidencing the payments.

4. Charges. Lien, Borrower shall promptly furnish to Lender payment of amounts due under the Note, to the extent that Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower makes these payments directly, Borrower shall promptly furnish to Lender payment of amounts due under this paragraph. If Borrower shall pay promptly furnish to Lender all notices of amounts to be paid under this paragraph, if Borrower makes these payments directly, Borrower shall promptly furnish to Lender payment of amounts due under the Note, unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) consents in good faith the lien by, or defers payment of the obligation secured by the lien in a manner acceptable to Lender; or (c) secures from the holder of

the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 11 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Payment Rider.

If Lender's estimates are too high or if taxes and insurance rates go down, the amounts that I pay under this Paragraph 2 will be too large. If this happens at a time when I am keeping all of my promises and agreements made in this Security instrument, I will have the right to have the excess amount either promptly repaid to me as a direct refund or credited to my future scheduled payments. There will be access amounts if, at any time, the sum of (i) the amount of payments of Funds which Lender is holding or keeping, plus (ii) the amount of the scheduled payments of Funds which I still must pay between this time and the due dates of escrow items is greater than the amount necessary to pay the escrow items when they are due.

If, when payments of escrow items are due, Lender has not received enough Funds to make those payments, I will pay to Lender whatever additional amount is necessary to pay the escrow items in full. I must pay that additional amount in one of more payments as I need may require.

When I have paid all of the sums secured, Lender will promptly refund to me any Funds immediately before the acquisition or sale, Lender will use any Funds which Lender is holding at that are then being held by Lender. If, as a result of the exercise by Lender of any of its rights under this Security instrument, either Lender acquires the property or the property is sold, then that are paid by Lender to me.

When I have paid all of the sums secured, Lender will promptly refund to me any Funds immediately before the acquisition or sale, Lender will use any Funds which Lender is holding at that are then being held by Lender. If, as a result of the exercise by Lender of any of its rights under this Security instrument, either Lender acquires the property or the property is sold, then that are paid by Lender to me.

At the time to reduce the sums secured,

(C) Adjustments to the Funds

Lender may not charge me for holding the Funds, for using the Funds to pay escrow items, for analyzing or paying items of Funds, or for receiving, verifying and totaling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Funds and if the law permits Lender to make such a charge. Lender will not be required to pay me any interest or penalties on the Funds unless either (i) Lender and I agree in writing, at the time I sign this Security instrument, that Lender will pay interest on the Funds; or (ii) the law requires Lender to pay interest on the Funds.

That accounting must show all additions to and deductions from the Funds and the reason for each deduction.

Lender will keep the Funds in a savings or banking institution which has its deposits or accounts insured or guaranteed by a state agency. If Lender is such an institution, Lender may hold the Funds. Except as described in this Paragraph 2, Lender will use the Funds to pay the escrow items. Lender will give to me, without charge, an annual accounting of the Funds.

Lender may hold the Funds. Except as described in this Paragraph 2, Lender will use the Funds to pay the escrow items, except for general or federal or state agency. If Lender is such an institution, Lender may not charge me for holding the Funds, for using the Funds to pay escrow items, for receiving, verifying and totaling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Funds and if the law permits Lender to make such a charge. Lender will not be required to pay me any interest or penalties on the Funds unless either (i) Lender and I agree in writing, at the time I sign this Security instrument, that Lender will pay interest on the Funds; or (ii) the law requires Lender to pay interest on the Funds.

(B) Lender's Obligations

EACH OF MY PAYMENTS UNDER THIS PARAGRAPH 2 WILL BE THE SUM OF THE FOLLOWING:

(ii) The estimated yearly premium for mortgage insurance (if any), divided by the number of scheduled payments in a year; plus.

(iii) The estimated yearly premium for hazard insurance covering the property, divided by the estimated yearly leasehold payments in a year; plus.

(iv) The estimated yearly premium for hazard insurance (if any), divided by the number of scheduled payments in a year; plus.

(v) The estimated yearly taxes and bills and reasonable estimates of future assessments, less than the superprior to this Security instrument, divided by the number of scheduled payments in a year; plus.

(vi) The estimated yearly insurance premiums, less than the property, if any, divided by the estimated yearly leasehold payments or ground rents on the property, if any, divided by the estimated yearly taxes and bills and reasonable estimates of future assessments, less than the superprior to this Security instrument, divided by the number of scheduled payments in a year; plus.

(vii) The estimated yearly property taxes and assessments on the property which under the law may be superior to this Security instrument, divided by the number of scheduled payments in a year; plus.
