and specifications that Lender at its option may approve; (c) to allow Lender to inspect such property at all times during construction; (d) to replace any work or materials unsatisfactory to Lender, within fifteen (15) days of written notice from Lender of such fact; and (e) to perform all other obligations of Borrower under any building lease agreement relating to such property.

(3) Care and Maintenance of Property. (4) Fire and Casualty Insurance. At all times keep the improvements now existing or hereafter erected on such property insured against loss by fire, lightning included within the term "special form coverage" and such other hazards, including floods and flooding, as apply to such property for which Lender now or hereafter requires insurance (collectively, "required insurance"). Each required insurance policy shall be in an amount, for a term, and in form and content and by such company, as set forth in Schedule to Lender, with loss payable to Lender, and shall be delivered to, and remain in possession of, Lender as further security for the faithful performance of this Security Instrument. Borrower shall also furnish Lender with written evidence showing payment of all premiums thereunder. At least thirty (30) days prior to the expiration of any required insurance policy, a policy renewing or extending such existing insurance shall be delivered to Lender with written evidence showing payment of the premium thereunder. If any required insurance policy and evidence of payment of the premium are not delivered to Lender within the time period required by Lender, Lender, but without obligation so to do, without notice or demand upon Borrower and without releasing Borrower from any obligation hereof, may, acting solely for its own benefit and not as Borrower's agent, obtain such insurance through or from any insurance agency or company acceptable to it, according to offices of Lender which will be entitled to receive a commission for its services, and pay the premium therefor. Lender shall be under no obligation to retain in place any insurance policy previously purchased by Borrower. Borrower agrees that any insurance policy purchased by Lender may be "forced order" insurance, and acknowledges that (i) the cost of any insurance policy purchased by Lender may be substantially more than the cost of any policy previously purchased or thereafter available for purchase by Borrower, and (ii) the coverage provided by such insurance policy may be different from the coverage of any policy previously purchased or thereafter available for purchase by Borrower. Lender shall not be chargeable with obtaining or maintaining, or liable for not obtaining or maintaining any required insurance or for the collection of any such insurance premiums or for any inaccuracy of any insurer or insurance underwriter. Borrower hereby agrees to Lender all incurred premiums on any required insurance policy, and agrees that any and all unexpired portions shall accrue to the benefit of, and pass to, the purchaser of the property conveyed at any judicial sale held hereunder.

For purposes of this Security Instrument, a "voluntary insurance policy" shall mean and shall include any insurance policy that covers earthquake, flood, windstorm or any other hazards to such property but which is not required as a condition to the indebtedness secured hereby, and any amendment, endorsement or rider (or any other document by which such insurance coverage is established) to any fire and other insurance policy, which amendment, endorsement or rider (or such other document by which such insurance is established) covers earthquake, flood, windstorm or any other hazards to such property but which is not required as a condition to the indebtedness secured hereby, and regardless of whether any such insurance policy, amendment, endorsement, rider or other document is established before, on or after the date of this Security Instrument.

(5) Assignment and Waiver of Insurance Proceeds, Etc. Borrower hereby irrevocably and unconditionally assigns to Lender all of Borrower's rights, title and interest in and to all proceeds from any required insurance policy and any voluntary insurance policy that are due, paid or payable with respect to any damage to such property, regardless of whether the required insurance policy or voluntary insurance policy is annihilated before, on or after the date of this Security Instrument. By irrevocably and unconditionally assigning to Lender all of Borrower's rights to receive any and all proceeds from any required insurance policy and any voluntary insurance policy, Borrower hereby waives, to the full extent allowed by law, all of Borrower's rights to receive any and all of such insurance proceeds.

Borrower hereby also hereby irrevocably assigns to Lender all of Borrower's rights, title and interest in and to (a) any and all claims, present or future, known or unknown, stochastic or contingent; (b) any and all causes of action, (c) any and all judgments and settlements, (whether through litigation, mediation, arbitration or otherwise), (d) any and all funds sought against or from any party or parties whatsoever, and (e) any and all funds received or recoverable in connection with any damage to such property, resulting from any cause or causes whatsoever, including but not limited to, flood subsidence, landslide, wind, storm, earthquake, fire, flood or any other cause.

Borrower agrees to execute, acknowledge, sign, record, and deliver to Lender, under upon notice from Lender shall request any insurance agency or company to whom issued any required insurance policy or voluntary insurance policy to execute and deliver to Lender, any additional instruments or documents requested by Lender from time to time to evidence Borrower's absolute and irrevocable assignments set forth in this paragraph.

(6) Taxes and Other Items Due. To pay, satisfy and discharge: (a) before becoming past due, all general and special taxes, and all assessments on water, stock, if any, effect of which property; (b) when due, all special assessments for public improvements, without permitting any improvement to be made for any special assessment; and (c) on demand of Lender, but in no event later than the date such amount becomes due: (1) all encumbrance charges and liens, with interest, on such property, or any part thereof, which are, or appear to Lender to be, prior or superior thereto; (2) all costs, fees and expenses of this Security Instrument whether or not described herein; (3) fees, including but not limited to attorneys' fees, charges, costs or expenses to monitor bankruptcy actions directly or indirectly involving Borrower; (4) fees, including but not limited to attorneys' fees, costs or expenses incurred in connection with arrangements to cure any delinquency or breach by Borrower; (5) such other charges as the Lender may deem reasonable for services rendered by Lender and furnished at the request of Borrower, in excess of an interest to Borrower or any agent of Borrower or any successor in interest to Borrower; and (6) all payments and monetary obligations required of the owner of such property under any declaration of covenants or conditions or restrictions pertaining to such property or any modification thereof. Should Borrower fail to make any such payment, Lender, without concerning the validity or amount, may elect to make or advance such payment, together with any costs, expenses, fees or charges relating thereto. Borrower agrees to notify Lender immediately upon receipt by Borrower of notice of any increase in the assessed value of such property and agrees that Lender, in the name of Borrower, may proceed by appropriate proceedings such increase is assessed. Borrower agrees to notify Lender and apply notice to Lender immediately upon the happening of any event which does or may affect the value of such property, the assessed value or property tax basis of such property, or the availability of any exemption to which Borrower is or may be entitled.

(7) Expenses/Attachments. To pay to Lender, if Lender shall so request, in addition to any other payments required hereunder, monthly advances, installments, as authorized by Lender, for taxes, assessments, insurance premiums, ground rents or other obligations relating to such property (hereinafter in this paragraph referred to as "Attachments") for the purpose of maintaining a fund to insure payment when due, or before delinquency, of any or all of such obligations required to be paid as to such property. If the amounts paid to Lender under the provisions of this paragraph are insufficient to discharge the obligations of Borrower to pay such obligations as the same become due or delinquent, Borrower shall pay to Lender, upon its demand, such additional sums necessary to discharge Borrower's obligation to pay such obligations. All amounts paid to Lender under this paragraph may be intermingled with other monies of Lender and shall not bear interest, except as required by law. Lender may pay such obligations whether before or after they become due and payable. Amounts paid to Lender under the provisions of this paragraph shall constitute additional security for the indebtedness secured hereby. In the event of a default in the payment of any amount due on the indebtedness secured hereby, default of any obligation secured hereby, or default in the performance of any of the covenants and obligations of this Security Instrument, then all amounts paid to Lender under the provisions of this paragraph may, at the option of Lender, be applied to the payment of any indebtedness or other obligations secured hereby in lieu of being applied to any of the purposes for which the above-mentioned amounts is established. Lender will make such reports of encroachment/impounds as are required by law.

(8) Condemnation and Injury to Property. All sums due, paid or payable to Borrower or any successor in interest to Borrower of such property, whether by way of judgment, settlement or otherwise; (a) for injury or damage to such property; or (b) in connection with any condemnation for public use of or injury to such property, or any part thereof, are hereby assigned and shall be paid to Lender, in cause of action of or belonging to Borrower, whether accrued before or after the date of this Security Instrument, for damage or injury to such property, or any part thereof, or in connection with the transaction financed in whole or in part by the funds loaned to Borrower by Lender, or in connection with or affecting said property or any part thereof, including causes of action arising in tort or contract and causes of action for fraud or concealment of material fact, are hereby assigned to Lender, and the proceeds thereof shall be paid to Lender who, after deducting or from all its expenses, including reasonable attorney's fees, may apply such proceeds to the indebtedness secured by this Security Instrument or to any deficiency under this Security Instrument or may release any encumbrance received or held any part thereof, as Lender may elect. Lender may at its option appear in and prosecute in its own name any action or proceeding to enforce any such cause of action and may make any compromise or settlement thereof. Borrower agrees to waive any further assignments and other instruments as from time to time may be necessary to effectuate the foregoing provisions and as Lender shall request.

(9) Disposition of the Proceeds of any Insurance Policies, Condemnation or Other Recovery. Any amount received or receivable by Lender pursuant to this Security Instrument and any amount recoverable or receivable by Borrower (a) as proceeds of any required insurance policy or voluntary insurance policy relating to such property, regardless of whether the required insurance policy or voluntary insurance policy is established before, on or after the date of this Security Instrument, (b) in connection with any full, partial or temporary condemnation or public use of or injury to such property, (c) for injury or damage to such property or in connection with the transaction financed by the indebtedness secured hereby, without reducing the indebtedness secured hereby, shall be received and cashed solely by Lender, and shall be used to repair, replace, restore, or reconstruct such property to a condition substantially to Lender's satisfaction, or, at the sole option of Lender, may be released in whole or in part to Borrower, or any such amount may be apportioned and applied in any manner by Lender to any one or more of such uses. No such application, use or release shall cure or waive any default hereunder or invalidate any act done pursuant to such notice. Notwithstanding anything contained in this paragraph to the contrary, (i) if the repair, replacement or reconstruction is not feasible, (j) if Lender determines in good faith that the value of its security interest would remain impaired despite such repair, replacement, restoration or reconstruction, or (k) if a

condemnation of such property has occurred, then Lender, at its sole option, shall have the right to apply any such amount or any part thereof to any indebtedness secured hereby in such order as Lender may determine; and if there be a deficiency remaining after all indebtedness secured hereby is paid in full, then Lender shall distribute such proceeds to the person or persons legally entitled thereto. If such proceeds are used for repair, replacement, restoration or reconstruction of such property, Lender shall have the right to periodically inspect the work done on such property. Lender does not make any warranty or representation regarding, and assumes no responsibility for, the work done on such property, and Borrower shall not have any right to rely in any way on any inspection(s) by or for Lender or its agent. Borrower shall be solely responsible for determining that the work is done in a good, thorough, efficient and workmanlike manner in accordance with all applicable laws.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs (1) and (7) hereof or change the amount of the payments. If under paragraph (13) such property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to such property prior to the acquisition shall pass to Lender to the extent of the indebtedness secured by this Security Instrument immediately prior to the acquisition.

(10) Litigation. Borrower shall cause to be filed in this Security Instrument in any action or proceeding pertaining to affect such property whether or not it affects the title thereto, or pertaining to effect the sale hereof or pertaining to effect the rights or powers of Lender, and shall file and prosecute all necessary claims and actions to prevent or recover for any damage to or destruction of such property, and Lender is hereby authorized, without obligation so to do, to prosecute or defend any such action, whether brought by or against Borrower or Lender, or with or without suit, to execute or enforce any other right, remedy, or power or ability or customary hereunder, whether or not judgment be entered in any action or proceeding, and Lender may appear or intervene in any action or proceeding, and retain counsel thereof, and take such action therein, as either may be deemed necessary or advisable, and may settle, compromise or pay the sum of any other claims and, in so doing, may expend and advance such sums of money as either may deem necessary. Whether or not Borrower so appears in any action, Borrower on demand shall pay all costs and expenses of Lender, including but not limited to reasonable attorney fees and costs of evidence of title, in any such action or proceeding in which Lender may appear by virtue of being made a party defendant or otherwise, and irrespective of whether the interest of Lender in such property or its rights or powers hereunder may be affected by such action, including, but not limited to, any action for the condemnation or partition of such property and any suit brought by Lender to foreclose this Security Instrument.

(11) Liens on Household Estate. If such property includes a household estate, Borrower agrees to comply with all of the terms, conditions and provisions of the instrument or instruments creating such household. Borrower also agrees not to amend, change or modify his household interest, or the terms on which he has such household interest, or to agree to do so, without the written consent of Lender being first obtained.

(12) Prepayment Charge. Should any indebtedness secured hereby require Borrower to pay for a cancellation with the prepayment of any of the indebtedness secured hereby, to pay such fee to the extent permitted by applicable law, notwithstanding the fact that Borrower shall have defaulted in any obligation secured hereby to Lender, by reason thereof, shall have declared all indebtedness secured hereby immediately due and payable.

(13) Failure of Borrower to Comply with Security Instrument. Should Borrower fail to make timely payment, or fail to do any act required by this Security Instrument, or fail to perform any obligation secured by this Security Instrument, or fail to perform any agreement of Borrower contained in any papers executed by Borrower relating to the indebtedness secured hereby, or, if the indebtedness secured hereby or any part thereof is for the purpose of constructing improvements on such property, fail to perform each provision or agreement of Borrower contained in any construction loan agreement or other agreement between Borrower and Lender relating to such property, or fail to perform all agreements of Borrower to pay fees and charges to Lender, or do any act Borrower agreed not to do under this Security Instrument, Borrower shall be in default under this Security Instrument. 13. Any obligation hereof, and without curtailing the validity or amount of the same, may: (a) pay or do the same in such manner and to such extent as it may deem necessary to protect the security herein, Lender being authorized to enter upon such property for such purpose; (b) pay, purchase, contest or compromise any encumbrance, charge or lien, whether in its judgment is or appears to be prior or superior hereto; and (c) in exercising any such power, pay necessary expenses, including but not limited to reasonable attorney's fees. Borrower agrees to repay any amount so expended or incurred by Lender.

(14) **Sum Allocated to Basic Interest and To Be Added to Indebtedness.** To pay immediately upon demand any sum advanced, paid or incurred by Lender under any clause or provision of this Security Instrument. Any such sum, until so repaid, shall be accrued hereby and bear interest from the date it was advanced, paid or incurred at the same interest rate, as may be adjusted from time to time, as such indebtedness and such sum and interest thereon shall be secured by this Security Instrument.

(15) **Application of Proceeds.** Lender shall have the right at its sole discretion to direct the manner in which payments or proceeds shall be applied upon or allocated among the various items constituting Borrower's indebtedness or obligations secured hereby.

(16) **Obligations of Borrower Joint and Several.** If more than one person is named as Borrower, such obligations of Borrower shall be the joint and several obligation of such such persons.

(17) **Acceleration Clause; Right of Lender to Declare All Sum Due on Any Transfer, Etc.** Lender shall have the right, at its option, to declare any indebtedness and obligations secured by this Security Instrument, irrespective of the maturity date specified in the Note or any note or agreement evidencing the same, due and payable within 30 days after such declaration if: (a) Borrower or any transferee in interest to Borrower of such property sells, enters into a contract of sale, conveys or alienates such property or any part thereof; (b) Borrower permits his title or any interest in such property to be diverted, whether voluntarily or involuntarily, or leases such property (or any part of such property) for a term of more than 3 years; (c) Borrower leases or permits to be changed the character or use of such property; (d) Borrower drills or extracts or enters into a lease for the drilling for or extracting of oil, gas or other hydrocarbon substances or any mineral of any kind or character in such property; (e) Borrower is a partnership and the interest of a general partner is assigned or transferred; (f) Borrower is a corporation and more than 25% of the corporate stock of that corporation is sold, transferred or assigned during a 12 month period; (g) Borrower is a trust and there is a change of beneficial interest with respect to more than 25% of the trust assets; (h) Borrower is a Limited Liability company and more than 25% of the limited liability company interests is sold, transferred or assigned during a 12 month period; or (i) Borrower has made any material misrepresentation or failed to disclose any material fact in those certain financial and other written representations and warranties made by Borrower in order to induce Lender to enter into the transaction evidenced by the Note or note or agreements which this Security Instrument supports; and Lender may then or thereafter exercise any of the remedies provided by this Security Instrument following a default hereunder.

(18) **No Waiver by Lender.** No waiver by Lender of any right under this Security Instrument shall be effective unless in writing. Waiver by Lender of any right granted to Lender under this Security Instrument or any provision of this Security Instrument as to any transaction or occurrence shall not be deemed a waiver as to any future transaction or occurrence. By accepting payment of any indebtedness secured hereby after its due date, or by making any payment or performing any act on behalf of Borrower that Borrower was obligated hereunder, but failed to make or perform, or by adding any payment so made by Lender to the indebtedness secured hereby, Lender does not waive its right to require prompt payment when due of all other sums so secured or to require prompt performance of all other acts required hereunder, or to declare a default for failure to so pay such other sums or to so perform such other acts.

(17) Acceleration Remedies. Except as provided in paragraph (17) hereof, upon Borrower's breach of any covenant or agreement of Borrower in this Security Instrument, including the covenants to pay when due any sums secured by this Security Instrument, Lender prior to acceleration shall send notice to Borrower as provided in paragraph (13) hereof specifying: (a) the breach; (b) the action required to cure such breach; (c) a date, not less than 20 days from the date the notice is mailed to Borrower, by which such breach must be cured; and (d) the failure to cure such breach on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, and more by judicial proceeding and sale of the property. If the breach is not cured on or before the date specified in the notice, Lender at Lender's option may declare all of the sums secured by this Security Instrument to be immediately due and payable without further demand and may foreclose this Security Instrument by judicial proceeding in accordance with paragraph (13) hereof.

(18) Modification in Writing. This Security Instrument cannot be changed or modified except as otherwise provided in this Security Instrument or by agreement in writing signed by Borrower, or any successor in interest to Borrower, and Lender.

(19) Right to Collect and Protect Assets and Profits. Notwithstanding any other provisions hereof, Lender hereby grants permission to Borrower to collect and retain the rents, income, issues and profits of such property as they become due and payable, but Lender reserves the right to revoke such permission at any time with or without cause by notice in writing to Borrower. In any event, such permission to Borrower automatically shall be revoked upon default by Borrower in payment of any indebtedness secured hereby or in the performance of any agreement hereunder. On any such default, Lender may enter onto the same without notice, either in person, by agent, or by receiver to be appointed by the court, and without regard to the priority of any security for the indebtedness hereby secured, enter upon and take possession of such property, or any part thereof; make, cause, enforce or modify leases, obtain and eject tenants; set or readily rent; in its own name for or otherwise collect the rents, income, issues and profits thereof, including those past due and unpaid; and apply the same, to payment of costs and expenses of collection and attorney, including but not limited to receiver's fees, premiums on re-lease, bond and reasonable attorney's fees, and then to payment of any indebtedness secured hereby and in such order as Lender may determine; and except for such application, Lender shall not be liable to any person for the collection or non-collection of any rents, income, issues and profits, nor the failure to assert or enforce any of the foregoing rights. The entering upon and taking possession of such property, the collection of such rents, income, issues or profits, the doing of other acts herein authorized, and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(20) Remedies. No remedy herein provided shall be exclusive of any other remedy, having or now or hereafter existing by law, but shall be cumulative. Every power or remedy hereby given to Lender or to which it may be otherwise entitled, may be exercised from time to time and as often as may be deemed necessary by it, and it may pursue inconsistent remedies. If Lender holds any additional security for any indebtedness secured hereby, it may enforce the same thereof at its option, either before, contemporaneously with, or after any exercise of Lender's remedies hereunder, had on any default of Borrower. Lender may, at its option, offset against any indebtedness owing by it to Borrower, the whole or any part of the indebtedness secured hereby, and the Lender is hereby so limited and empowered at its option, without any obligation so to do, and without affecting the obligations hereof, to apply toward the payment of any indebtedness secured hereby, any and all sums or money, or credits of or belonging to Borrower and which the Lender may have in its possession or under its control, including, among other things, any encroachment held by Lender under paragraph (7) hereof.

Upon or at any time after the filing of a complaint to foreclose this Security instrument the court in which such complaint is filed shall appoint a receiver of such property or shall appoint Lender as mortgagee in possession. Such appointment may be made either before or after sale, without notice, either at regard to the solvency or insolvency at the time of application for such receiver, of the person or persons, if any, liable for the payment of the indebtedness secured hereby and without regard to the then value of such property whether the same shall be then occupied as a homestead or not. Such receiver or mortgagee in possession shall have power to collect the rents, issues and profits of the premises during the pendency of such foreclosure suit, as well as during any time the same when Borrower, his successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such case for the collection, possession, control, management and operation of such property during the whole said period. The court from time to time may authorize the receiver or mortgagee in possession to apply the net income held by either of them, in payment in whole or in part of the indebtedness and other sums secured hereby, or in payment of any tax, special assessment or other fee which may be or become superior to the sum named or superior to a decree foreclosing the Security Instrument, provided such application is made prior to foreclosure sale. In case of a judicial sale, such property, or so much thereof as may then be allowed by this Security instrument, may be sold in one parcel.

(24) Power of Lender. Without limiting the liability of any person, including Borrower, for the payment of any indebtedness secured hereby, or the Lien of this Security instrument upon any remainder of such property for the full amount of any indebtedness then or thereafter secured hereby, or the rights or powers of Lender with respect to the remainder of such property (other than any portion of property specifically released by Lender), Lender from time to time, without liability thereto, and without notice to Borrower, may do any one or more of the following: (a) release any or all liens security for the indebtedness secured hereby; (b) extend the time or otherwise alter the terms of payment of such indebtedness; (c) accept additional security; (d) substitute or release any property securing such indebtedness; (e) consent to the making of any lease, plus or minus thereof; (f) join in granting any easement thereon; or (g) join in any extension agreement subordinating a claim vis affecting the lien or charge thereof.

(25) Offsets. No indebtedness secured by this Security instrument shall be offset or compensated or shall be deemed to have been offset or compensated by all or part of any claim, cause of action, counterclaim or part of any claim, cause of action, counterclaim or crossclaim, whether liquidated or unliquidated, which Borrower now or hereafter may have or may claim to have against Lender and in respect to the indebtedness now or hereafter secured hereby. Borrower waives to the fullest extent permitted by law, any and all rights of offset which Borrower now or hereafter may have or claim to have in respect to all or part of the indebtedness secured hereby, and further waives the benefits of any applicable law, regulation or procedure which provides or which materially provides that, where cross demands for money have existed between persons at any point in time when neither demand was barred by the applicable statute of limitations, and no action is thereafter commenced by one such person, the other person may assert in his answer the defense of payment in that the two demands are compensated so far as they equal each other, notwithstanding that an independent action asserting his claim would at the time of filing his suit be barred by the applicable statute of limitations.

(26) Misrepresentation or Non-disclosure. Borrower has made certain written representations and warranties in order to induce Lender to make the loan evidenced by the Note or notes which this Security instrument secures, and in the event that Borrower has made any misrepresentation of material fact or failed to disclose any material fact, Lender, at its option and without prior notice, shall have the right to declare the indebtedness secured by this Security instrument, irrespective of the maturity date specified in the Note or notes, immediately due and payable and Lender may then or thereafter exercise any of the remedies provided by this Security instrument following a default hereunder.

This Security Instrument shall also constitute and serve as a "Security Agreement" and a security filing within the meaning of and shall create a security interest under the Uniform Commercial Code of the state in which such property is located, the secured party being herein referred to as "Lender" and Debtor being herein referred to as "Borrower". The Borrower agrees to and shall execute and deliver to the Lender such "Financing Statements" and such further instruments as the Lender may, from time to time, consider necessary to create, perfect and preserve the Lender's Lien upon all real, insurance proceeds, condemnation awards, and other personal property herein described and all additions, substitutions, replacements and accretions thereto, and all proceeds of the same by sale or other disposition. If Lender so directs and if permitted by applicable law, this Security Instrument shall constitute a Financing Statement and Lender shall have the right at any time to file this Security Instrument as a Financing Statement, but the failure of Lender to do so shall not impair the validity and enforceability of this Security Instrument in any respect whatsoever. The Lender, at the expense of the Borrower, may cause such Financing Statements and instruments to be recorded and rescored, filed and rolled, and renewed or continued, at such times and places as may be required or permitted by law to create, perfect and preserve such Lien. In the event the Borrower fails to promptly execute and return to the Lender such Financing Statements as the Lender may require to create, perfect and perfect its lien, the Borrower shall and does hereby designate the Lender to act as the Borrower's agent for the sole and limited purpose of executing such Financing Statements and any such execution by the Lender pursuant to this Agreement shall be effective and binding upon the Borrower as though executed originally by the Borrower. The Lender's designation as agent however shall not be subject to revocation until the Note is paid in full and all other indebtedness secured by this Security Instrument has been satisfied in full. The Lender shall have all the rights, with respect to all unencumbered hereby, afforded to the Lender under the Uniform Commercial Code of the state in which the property is located in addition to, but not in limitation of, the other rights, afforded to the Lender by the Security Instrument. Any after acquired personal property or fixtures used in connection with said property shall be encumbered by the Lien of this Security Instrument, and if appropriate or desired by the Lender, new Financing Statements covering the same shall be executed by the Borrower and forwarded to the Lender with the cost of recording same.

Section 1801, et seq., the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901, et seq., or other applicable state or federal laws, rules, or regulations adopted pursuant to any of the foregoing. The terms "hazardous waste" and "hazardous substance" shall also include, without limitation, petroleum and petroleum byproducts or any fraction thereof and asbestos. Borrower represents and warrants to Lender that (a) During the period of Borrower's ownership of such property, there has been no use, generation, manufacture, storage, treatment, disposal, release or threatened release of any hazardous waste or substance by any person on, under, about or from such property; (b) Borrower has no knowledge, actual or reason to believe that there has been, except as previously disclosed to and acknowledged by Lender in writing, (i) any use, generation, manufacture, storage, treatment, disposal, release, or threatened release of any hazardous waste or substance on, under, about or from such property by any prior owners or occupants of such property or (ii) any actual or threatened litigation or claims of any kind by any person relating to such property; and (c) except as previously disclosed to and acknowledged by Lender in writing, (i) neither Borrower nor any tenant, contractor, agent or other authorized user of such property shall use, generate, manufacture, store, treat, dispose of, or release any hazardous waste or substance on, under, about or from such property and (ii) any such activity shall be conducted in compliance with all applicable federal, state, and local laws, regulations and ordinances, including without limitation those laws, regulations, and ordinances described above. determine compliance of such property with this section of the Security Instrument. The provisions of this section of the Security Instrument, including the obligation to indemnify, shall survive the payment of the indebtedness and the satisfaction and reconveyance of the title of this Security Instrument and shall not be affected by Lender's acquisition of aovy interest in such property, whether by foreclosure or otherwise.

At any time, and from time to time, upon request of Lender, Borrower will make, execute and deliver, or will cause to be made, executed and delivered, to Lender or to Lender's designee, and when requested by Lender, cause to be filed, recorded, refiled, or rerecorded, as the case may be, at such time and in such offices and places as Lender may designate, any and all such mortgages, deeds of trust, security deeds, security agreements, financing statements, covenants, statements, instruments of further assurance, certificates, and other documents as may, in the sole opinion of Lender, be necessary or desirable in order to effectuate, complete, perfect, evidence, or preserve (a) the obligations of Borrower under the Note or the Security Instrument, and (b) the liens and security interests created by this Security Instrument on such property, whether now owned or hereafter acquired by Borrower. Unless prohibited by law or agreed to the contrary by Lender in writing, Borrower shall reimburse Lender for all costs and expenses incurred in connection with the matters referred to in this paragraph.

Borrower agrees to cooperate fully with Lender with respect to the correction of any errors contained in the Note, this Security Instrument or any of the documentation relating to the indebtedness secured hereby (hereinafter the "Documentation") and, without limitation, the execution of any documentation that Lender may request (a) to correct such errors or (b) to create documentation in substitution for Documentation that is affected by such errors. Borrower also agrees to execute substitute documentation in the event that any of the original or previously substituted Documentation shall have been lost or destroyed at any time. If the Borrower fails to execute any such documentation or to take any other action reasonably required by Lender under this paragraph within fifteen days of such request, Lender may institute an action or proceeding against Borrower to enforce the provisions of this paragraph. In that event, Lender shall be entitled to recover from Borrower its reasonable costs and expenses of such action or proceeding including, without limitation, court costs and attorneys fees.
