UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items". Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such cases Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Lender shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 2 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of the Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspection of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note; (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a

UNOFFICIAL COPY

Property of Cook County Clerk's Office

natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain condition, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A Sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payment due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument to Borrower. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under applicable law.

23. Waiver of Homestead. Borrower waives all rights of homestead exemption in the Property.

24. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. CONSTRUCTION RIDER TO FIXED RATE NOTE AND MORTGAGE

THIS RIDER (agreement) changes the terms of my construction loan note dated **August 24, 1998** and the Mortgage that secures it. By signing this Rider, I agree that the terms in this Rider will apply in place of those in the Note and Mortgage where the two are different.

1. CONSTRUCTION

Although the Note and Mortgage do not refer to it, my loan is to be advanced in installments to finance construction. Thus, I agree that my Mortgage shall be amended by adding the following construction language:

Whereas, buildings or improvements on the property at

393 South Williams Road, Inverness, Illinois 60067

(property) are in process of construction or repair, or to be erected or repaired; and whereas, First Union Mortgage Corporation has agreed to make the loan herein described to be paid over to me in installments as the work progresses, the time and amount of each advancement to be made after inspection of the work and upon the estimate of First Union Mortgage Corporation, so that when all of the work on said premises shall have been completed to the satisfaction of First Union Mortgage Corporation, it shall then pay over to me any balance necessary to complete the full loan of **340,000.00**; and I agree to complete the erection or repair of said buildings to the satisfaction of First Union Mortgage Corporation within a reasonable time from the date hereof or at the latest on or before **August 24, 1999**, hereinafter referred to as the "Construction Completion Date".

2. DEFINITIONS

For the purposes of this Construction Rider, the terms below shall have the following meanings.

"Construction Loan Agreement" shall mean the Construction Loan Agreement executed by the Borrower of even date herewith.

"Interest Only Period" shall mean the period of time beginning with the date on which the loan documents are executed and ending on the last day of the month during which the construction described in the Construction Loan Agreement is completed, and all of Borrower's obligations described therein are fully met and performed.

"Conversion Date" shall mean the date which shall be the first day of the month after the Interest Only Period. If construction is completed on the first day of a month, the Conversion Date shall be the first day of the following month.

"Amortization Period" shall mean the period of time beginning with the Conversion Date and continuing until the loan is fully repaid.

3. FIRST UNION MORTGAGE CORPORATION WILL INSPECT BUT NOT APPROVE THE QUALITY OR COMPLETENESS OF CONSTRUCTION

I agree to give FIRST UNION MORTGAGE CORPORATION 10 days notice before I need money to pay for construction. FIRST UNION MORTGAGE CORPORATION needs this time so it may inspect the work. FIRST UNION MORTGAGE CORPORATION's sole purpose in inspecting the work is to determine the approximate amount and value of the work which has been done. This is so that it can decide how much money to advance.

I understand that FIRST UNION MORTGAGE CORPORATION is doing its inspection solely for itself and not for me. I agree that I will not hold FIRST UNION MORTGAGE CORPORATION, (which term as used herein shall include its agents, employees or representatives), responsible for its judgment concerning the amount and value of the work that has been done. I also will not hold it responsible concerning the quality or completeness of any construction.

4. DELAY IN CONSTRUCTION

I agree that if the construction or repair that is taking place is stopped or delayed for some time or in such a manner that, in FIRST UNION MORTGAGE CORPORATION's opinion, the construction or repair will not be completed by **August 24, 1999**, then:

a. FIRST UNION MORTGAGE CORPORATION may, at its option, stop making advances of money even prior to **August 24, 1999**; and

b. it may also declare that the loan is in DEFAULT and make my loan due and payable right away, and make me pay back all the money it has advanced, with interest, expenses and legal fees to the fullest extent permitted by applicable law. In this case, the terms of Paragraph 18 of the Security Instrument I signed shall not apply.

5. ASSIGNMENT OF LOAN PROCEEDS OR ADVANCES PROHIBITED

I agree that I shall not have the right to assign or transfer to anyone my right to receive any of the money that is to be advanced by FIRST UNION MORTGAGE CORPORATION as the construction repairs are done. If I do try to assign or transfer my rights, the transfer shall be void and of no effect, unless FIRST UNION MORTGAGE CORPORATION has previously agreed in writing that I may do so.

6. ADDRESS FOR NOTICE TO LENDER.

The Borrower agrees to notify the Lender immediately (and provide copies to the Lender) upon receipt of any Statement of Parties Furnishing Labor and Materials, Notice of Supplying Labor or Materials, Claim of Lien or any other claims or demands by any contractor or subcontractor or person entitled to claim a mechanics lien. Such notice shall be given by certified mail return receipt requested to:

**BRENDA CONBO, OPERATIONS MANAGER
FIRST UNION MORTGAGE CORPORATION
ONE JEFFERSON SQUARE - JS-3
P.O. BOX 10300
WATERBURY, CT 06726-0300**

Any person wishing to claim the benefit of any Statement of Parties Furnishing Labor and Materials, Notice of Supplying Labor or Materials, Claim of Lien or any other claims or demands is advised by the recording hereof that the address of the Lender for receipt of such notice is shown above. Any such notice should be delivered to such address by certified mail return receipt requested.

7. PAYMENT OF INTEREST DURING CONSTRUCTION AND DELAY IN BEGINNING REPAYMENT OF LOAN PRINCIPAL

Notwithstanding the terms of Paragraph 3 of the Note that I signed, I will not begin to repay the principal of my loan right away. Instead, during the Interest Only Period, I will pay interest to FIRST UNION MORTGAGE CORPORATION, computed at the annual interest rate of

8.00 % on the principal amount of loan funds that it has advanced at any time. The interest payment will be due on the first day of each month, and I will make the interest payment in accordance with billing from FIRST UNION MORTGAGE CORPORATION. My last payment of interest computed hereunder shall be due on the Conversion Date.

8. LATE CHARGES FOR OVERDUE PAYMENTS

If FIRST UNION MORTGAGE CORPORATION has not received the full amount of any monthly interest payment by the end of **15** calendar days after the date it is due, I will pay a late charge to the FUMC. The amount of the charge will be **5.00** % of my overdue payment. I will pay this late charge promptly but only once on each late payment.

9. COMPLETION OF CONSTRUCTION AND CONVERSION OF THE LOAN TO AMORTIZATION

(a) I promise to cause construction to proceed in a diligent fashion and to complete construction as soon as possible, but in no event later than **August 24, 1999**, so that my loan will be ready for conversion to amortization at the earliest possible time.

(b) Upon the completion of the construction of the improvements on the Property as defined in the Construction Loan Agreement and as determined by First Union Mortgage Corporation, the interest rate that will apply to my loan for the Amortization Period will be changed in accordance with Paragraph 10, below.

(c) First Union Mortgage Corporation will then compute the amount of the monthly payment of principal and interest that will be sufficient to repay the unpaid principal that I am expected to owe in full on the maturity date at the interest rate described in Paragraph 10, below, (not the interest rate described in Paragraph 7 above), in substantially equal payments. The result of this calculation will be the amount of my new monthly payment of principal and interest, which I will pay to FIRST UNION MORTGAGE CORPORATION in accordance with its instructions and documents establishing the same.

(d) I promise to execute all such additional documents and instruments as shall be necessary in the judgment of First Union Mortgage Corporation to complete the conversion of the loan to the Amortization Period, (including without limitation, a Loan Modification Agreement To Establish Amortization) within five (5) business days of the date on which such documents are delivered to me or to the attorney or title insurance agent or representative chosen by me to act as the closer for this loan. I also promise to pay a non-refundable Conversion Modification Fee of \$ 250.00 to FUMC as well as all costs associated with the preparation, execution and recording of all such documents, and the costs of title insurance coverage for such modification.

10. INCREASE OR DECREASE IN FIXED INTEREST RATE ON CONVERSION OF LOAN TO AMORTIZATION PERIOD

(A) First Union Mortgage Corporation's Right to Increase or Decrease Interest Rate

Despite the terms of Paragraph 2 of the Note that I signed, I understand and agree that First Union Mortgage Corporation shall have the right to increase or decrease the interest rate payable hereunder effective on the Conversion Date, in accordance with the formula and provisions specified below.

(B) Calculation of New Fixed Rate

Effective on the Conversion Date my new fixed interest rate will be a rate equal to FNMA's required net yield as of the Conversion Date for 30 year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus 0.625 of one percentage point rounded upward to the next one-eighth of one percentage point. If this required net yield cannot be determined because the applicable commitments are not available, First Union Mortgage Corporation will determine my interest rate by using comparable information. My new rate calculated under this section will not be greater than the Maximum Rate of 14.00 % per annum.

11. IF I DO NOT COMPLETE CONSTRUCTION BY THE COMPLETION DATE

If I have not completed all construction or repairs on or before August 24, 1999 the loan will be in DEFAULT under the loan documents. In making this loan to me, First Union Mortgage Corporation has relied upon my representation that all construction will be 100% complete per the plans and specifications on or before August 24, 1999, and the interest rate and other material terms of this loan have been made available to me by First Union Mortgage Corporation based upon my representation that such completion shall occur no later than such date. Therefore I agree that TIME IS OF THE ESSENCE in regard to my completion of construction.

12. UNDERSTANDING

I agree that before signing I have read this Construction Rider and have received a completed copy hereof. I understand it and agree to all its terms. I EXPRESSLY ACKNOWLEDGE MY OBLIGATION TO COMPLETE THE CONSTRUCTION ON OR BEFORE August 24, 1999.
