right to require prompt payment when due of all other sums so secured or to require prompt performance of all other acts performed, or by adding any payment so made by Lender to the indebtedness secured hereby, Lender does not waive its

(23) Appointment of Receiver. Upon or at any time after the filing of a complaint to foreclose this Security Instrument the court in which such complaint is filed shall appoint a receiver of such property or shall appoint Lender as mortgagee in possession. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency at the time of application for such receiver, of the person or persons, if any, liable for the payment of the indebtedness secured hereby and without regard to the then value of such property whether the same shall be then occupied as a homestead or not. Such receiver or mortgagee in possession shall have power to collect the rents, issues, and profits of the premises during the pendency of such foreclosure suit, as well as during any further times when Borrower, his successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of such property during the whole said period. The court from time to time may authorize the receiver or mortgagee in possession to apply the net income held by either of them in payment in whole or in part of the indebtedness and other sums secured hereby, or in payment of any tax, special assessment or other lien which may be or become superior to the lien hereof or superior to a decree foreclosing this Security Instrument, provided such application is made prior to foreclosure sale. In case of a judicial sale, such property, or so much thereof as may then be affected by this Security Instrument, may be sold in one parcel.

(24) Power of Lender. Without affecting the liability of any person, including Borrower, for the payment of any indebtedness secured hereby, or the lien of this Security Instrument upon any remainder of such property for the full amount of any indebtedness then or thereafter secured hereby, or the rights or powers of Lender with respect to the remainder of such property (other than any person or property specifically released by Lender), Lender from time to time, without liability therefor, and without notice to Borrower, may do any one or more of the following: (a) release any additional security for the indebtedness secured hereby; (b) extend the time or otherwise alter the terms of payment of such indebtedness; (c) accept additional security; (d) substitute or release any property securing such indebtedness; (e) consent to the making of any map, plat or subdivision thereof; (f) join in granting any easement thereon; or (g) join in any extension agreement subordinating or otherwise affecting the lien or charge thereof.

(25) Offsets. No indebtedness secured by this Security Instrument shall be offset or compensated or shall be deemed to have been offset or compensated by all or part of any claim, cause of action, counterclaim or part of any claim, cause of action, counterclaim or crossclaim, whether liquidated or unliquidated, which Borrower now or hereafter may have or may claim to have against Lender and in respect to the indebtedness now or hereafter secured hereby. Borrower waives to the fullest extent permitted by law, any and all rights of offset which Borrower now or hereafter may have or claim to have in respect to all or part of the indebtedness secured hereby, and further waives the benefits of any applicable law, regulation or procedure which provides or substantially provides that, where cross-demands for money have existed between persons at any point in time when neither demand was barred by the applicable statute of limitations, and an action is thereafter commenced by one such person, the other person may assert in his answer the defense of payment in that the two demands are compensated so far as they equal each other notwithstanding that an independent action asserting his claim would at the time of filing his answer be barred by the applicable statute of limitations.

(26) Misrepresentation or Nondisclosure. Borrower has made certain written representations and disclosures in order to induce Lender to make the loan evidenced by the Note or notes which this Security Instrument secures, and in the event that Borrower has made any misrepresentation of material fact or failed to disclose any material fact, Lender, at its option and without prior notice, shall have the right to declare the indebtedness secured by this Security Instrument, irrespective of the maturity date specified in the Note or notes, immediately due and payable and Lender may then or thereafter exercise any of the remedies provided by this Security Instrument following a default hereunder.

(27) Security Agreement. This Security Instrument shall also constitute and serve as a "Security Agreement" and a fixture filing within the meaning of and shall create a security interest under the Uniform Commercial Code of the

state in which such property is located, the secured party being herein referred to as "Lender" and Debtor being herein referred to as "Borrower". The Borrower agrees to and shall execute and deliver to the Lender such "Financing Statements" and such further assurances as the Lender may, from time to time, consider necessary to create, perfect and preserve the Lender's liens upon all rents, insurance proceeds, condemnation awards, and other personal property herein described and all additions, substitutions, replacements and accessions thereto, and all proceeds of its or their sale or other disposition. If Lender so elects and if permitted by applicable law, this Security Instrument shall constitute a Financing Statement and Lender shall have the right at any time to file this Security Instrument as a Financing Statement, but the failure of Lender to do so shall not impair the validity and enforceability of this Security Instrument in any respect whatsoever. The Lender, at the expense of the Borrower, may cause such Financing Statements and assurances to be recorded and rerecorded, filed and resiled, and renewed or continued, at such times and places as may be required or permitted by law to create, perfect and preserve such liens. In the event the Borrower fails to promptly execute and return to the Lender such Financing Statements as the Lender may require to create, preserve and perfect its lien, the Borrower shall and does hereby designate the Lender to act as the Borrower's agent for the sole and limited purpose of executing such Financing Statements and any such execution by the Lender pursuant to this Agreement shall be effective and binding upon the Borrower as though executed originally by the Borrower. The Borrower's designation as agent hereunder shall not be subject to revocation until the Note is paid in full and all other indebtedness secured by this Security Instrument has been satisfied in full. The Lender shall have all the rights, with respect to all property encumbered hereby, afforded to the Lender under the Uniform Commercial Code of the state in which the property is located in addition to, but not in limitation of, the other rights, afforded to the Lender by the Security Instrument. Any after-acquired personal property or fixtures used in connection with said property shall be encumbered by the Lien of this Security Instrument, and if appropriate or desired by the Lender, new Financing Statements covering the same shall be executed by the Borrower and forwarded to the Lender with the cost of recording same.

(28) Hazardous Substances. The terms "hazardous waste," "hazardous substance," "disposal," "release," and "threatened release," as used in this Security Instrument, shall have the same meanings as set forth in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 4601, et seq. ("CERCLA"), the Superfund Amendments and Reauthorization Act of 1986, Pub. L. No. 99-499 ("SARA"), the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq., the Resource Conservation and Recovery Act, 49 U.S.C. Section 6901, et seq., or other applicable state or federal laws, rules, or regulations adopted pursuant to any of the foregoing. The terms "hazardous waste" and "hazardous substance" shall also include, without limitation, petroleum and petroleum by-products or any fraction thereof and asbestos. Borrower represents and warrants to Lender that: (a) During the period of Borrower's ownership of such property, there has been no use, generation, manufacture, storage, treatment, disposal, release or threatened release of any hazardous waste or substance by any person on, under, about or from such property; (b) Borrower has no knowledge of, or reason to believe that there has been, except as previously disclosed to and acknowledged by Lender in writing, (i) any use, generation, manufacture, storage, treatment, disposal, release, or threatened release of any hazardous waste or substance on, under, about or from such property by any prior owners or occupants of such property or (ii) any actual or threatened litigation or claims of any kind by any person relating to such matters; and (c) except as previously disclosed to and by acknowledged by Lender in writing, (i) neither Borrower nor any tenant, contractor, agent or other authorized user of such property shall use, generate, manufacture, store, treat, dispose of, or release any hazardous waste or substance on, under, about or from such property and (ii) any such activity shall be conducted in compliance with all applicable federal, state, and local laws, regulations and ordinances, including without limitation those laws, regulations, and ordinances described above. Borrower authorizes Lender and its agents to enter upon such property to make such inspections and tests, at Borrower's expense, as Lender may deem appropriate to determine compliance of such property with this section of the Security Instrument. Any inspections or tests made by Lender shall be for Lender's purposes only and shall not be construed to create any

responsibility or liability on the part of Lender to Borrower or to any other person. The representations and warranties contained herein are based on Borrower's due diligence in investigating such property for hazardous waste and hazardous substances. Borrower hereby (a) releases and waives any future claims against Lender for indemnity or contribution in the event Borrower becomes liable for cleanup or other costs under any such laws, and (b) agrees to indemnify and hold harmless Lender against any and all claims, losses, liabilities, damages, penalties, and expenses which Borrower may directly or indirectly sustain or suffer resulting from a breach of this section of the Security Instrument or as a consequence of any use, generation, manufacture, storage, disposal, release or threatened release occurring prior to Borrower's ownership or interest in such property, whether or not the same was or should have been known to Borrower. The provisions of this section of the Security Instrument, including the obligation to indemnify, shall survive the payment of the indebtedness and the satisfaction and reconveyance of the lien of this Security Instrument and shall not be affected by Lender's acquisition of any interest in such property, whether by foreclosure or otherwise.

(29) Further Assurances. At any time, and from time to time, upon request of Lender, Borrower will make, execute and deliver, or will cause to be made, executed or delivered, to Lender or to Lender's designee, and when requested by Lender, cause to be filed, recorded, resiled, or rerecorded, as the case may be, at such time and in such offices and places as Lender may deem appropriate, any and all such mortgages, deeds of trust, security deeds, security agreements, financing statements, continuation statements, instruments of further assurance, certificates, and other documents as may, in the sole opinion of Lender, be necessary or desirable in order to effectuate, complete, perfect, continue, or preserve (a) the obligations of Borrower under the Note or this Security Instrument, and (b) the liens and security interests created by this Security Instrument on such property, whether now owned or hereafter acquired by Borrower. Unless prohibited by law or agreed to the contrary by Lender in writing, Borrower shall reimburse Lender for all costs and expenses incurred in connection with the matters referred to in this paragraph.

(30) Documentation Correction. Borrower agrees to cooperate fully with Lender with respect to the correction of any errors contained in the Note, this Security Instrument or any of the documentation relating to the indebtedness secured hereby (altogether the "Documentation"), including, without limitation, the execution of any documentation that Lender may request (a) to correct such errors or (b) to create documentation in substitution for Documentation that is affected by such errors. Borrower also agrees to execute substitute documentation in the event that any of the original or previously substituted Documentation shall have been lost or destroyed at any time. If the Borrower fails to execute any such documentation or to take any other action reasonably requested by Lender under this paragraph within fifteen days of such request, Lender may institute an action or proceeding against Borrower to enforce the provisions of this paragraph. In that event, Lender shall be entitled to recover from Borrower its reasonable costs and expenses of such action or proceeding including, without limitation, court costs and attorneys fees.

(31) Waiver of Statute of Limitations. Time is of the essence as to all Borrower's obligations hereunder; and to the extent permitted by law, Borrower waives all present or future statutes of limitation with respect to any indebtedness, demand or obligation secured hereby in any action or proceeding for the purpose of enforcing this Security Instrument or any rights or remedies hereunder.

(32) Inspection; Business Records. Lender at any time during the continuation of this Security Instrument may enter and inspect such property at any reasonable time. Borrower agrees that in the event that such property is now or hereafter used for commercial or residential income purposes, that when requested by Lender, Borrower will promptly deliver to Lender such certified financial statements and profit and loss statements of such types and at such intervals as may be required by Lender which will be in form and content prepared according to the generally accepted accounting principles and practices, which statements shall cover the financial operations relating to such property, and Borrower further agrees, when requested by Lender, to promptly deliver, in writing, such further additional information as required by lender relating to any such financial statements.

(33) **Governing Law; Severability.** The loan secured by this Security Instrument is made pursuant to, and shall be construed and governed by, the laws of the United States and the rules and regulations promulgated thereunder, and, to the extent not inconsistent therewith, the laws of the jurisdiction in which such property is located. If any paragraph, clause or provision of this Security Instrument or the Note or any other notes or obligations secured by this Security Instrument is determined by a court of competent jurisdiction to be void, invalid or unenforceable, such decision shall affect only those paragraphs, clauses or provisions so determined and shall not affect the remaining paragraphs, clauses and provisions of this Security Instrument or the Note or other notes or obligations secured by this Security Instrument.

(34) **Notice to Borrower.** Except as otherwise required by applicable law, any notice to the Borrower provided for in the Note or this Security Instrument shall be deemed given when it is deposited in the United States mail, postage prepaid, addressed to the Borrower at the address of the Borrower as it appears in Lender's records pertaining to the indebtedness evidenced by the Note at the time notice is given.

(35) **Foreclosure of Security Instrument.** When the indebtedness hereby secured shall become due whether by acceleration or otherwise, the Lender shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree of sale all expenditures and expenses which may be paid or incurred by or on behalf of Lender for attorneys' fees, appraisers' fees, outlays for documentary and expert evidence, stenographer's charges, publication cost and costs of procuring all abstracts of title or commitments for title insurance. Such fees, charges and costs may be estimated as to items to be expended after entry of the decree as Lender may deem reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title to or the value of such property. All such expenditures and expenses shall become so much additional indebtedness secured hereby and shall be immediately due and payable with interest thereon at the rate specified in the Note. Such expenditures and expenses shall include expenditures made in connection with (a) any proceeding to which Lender shall be a party, either as plaintiff, claimant or defendant, by reason of this Security Instrument or any indebtedness hereby secured; (b) preparation for the commencement of any suit for foreclosure hereof after accrual of such right to foreclose whether or not actually commenced; (c) preparation for the defense of any threatened suit or proceeding which might affect such property or the security hereof, whether or not actually commenced; and (d) any efforts for collection of any past due indebtedness secured hereby. Lender is entitled to accept any partial cure of any default by Borrower without jeopardizing or requiring the postponement of any foreclosure proceeding hereunder. The proceeds of any foreclosure sale of such property shall be distributed and applied in the following order of priority: first, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in this paragraph hereof; second, all other items which under the terms hereof constitute indebtedness secured by this Security Instrument; third, to the person or persons legally entitled thereto.

(36) **Statement of Obligation.** Lender may charge and collect a fee of \$60.00 or such greater amount as is allowed by law for furnishing any statement of obligation, beneficiary's statement, beneficiary's demand or any other statement regarding the condition of or balance owing under the Note or notes secured by this Security Instrument.

(37) **Attorneys' Fees.** As used in this Security Instrument and in the Note "attorneys' fees" shall include attorneys' fees throughout all appeals.

(38) **General Provisions.** (a) This Security Instrument applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. (b) The term "Lender" shall mean the owner and holder (including a pledgee) of any note secured hereby, whether or not named as Lender herein. (c) Wherever the context so requires, the masculine gender includes the feminine and neuter, the singular number includes the plural, and vice versa. (d) Captions and paragraph headings used herein are for convenience only, are not a part of this Security Instrument and shall not be used in construing it.

(39) Waiver of Homestead. Borrower hereby waives all right of homestead exemption in such property.

(40) Adjustable Rate Mortgage Provisions. The Note which this Security Instrument secures contains provisions which permit: (a) increases and decreases to the rate of interest provided in the Note on a monthly basis; (b) increases and decreases to the monthly payment of principal and interest on a yearly basis; (c) a limitation on increases and decreases to said monthly payment amount; and (d) increases in the outstanding principal amount due on the loan. Reference is made to said Note for a complete description of the adjustable rate terms of the indebtedness secured by this Security Instrument.

(41) Future Advances. Upon request of Borrower, Lender at Lender's option prior to release of this Security Instrument, may make future advances to Borrower. Such future advances, with interest thereon, shall be secured by this Security Instrument when evidenced by promissory notes stating that said notes are secured hereby. At no time shall the principal amount of the indebtedness secured by this Security Instrument, not including sums advanced in accordance herewith to protect the security of this Security Instrument, exceed the original amount of the Note plus \$NONE.

(42) Arbitration. ARBITRATION IS USUALLY FINAL AND BINDING ON THE PARTIES AND SUBJECT TO ONLY VERY LIMITED REVIEW BY A COURT. BORROWER AND LENDER ARE WAIVING THEIR RIGHT TO TRIAL BY JURY.

(a) Subject to the provisions of subparagraph (b) below, Lender and Borrower agree to submit to binding arbitration any and all claims, disputes and controversies between or among us (and our respective employees, officers, directors, attorneys, and other agents), arising from or related to any documents or instruments evidencing or securing the indebtedness evidenced by the Note including without limitation, this Security Instrument ("Loan Documents"), as well as the negotiation, execution, collateralization, administration, repayment, modification, extension or collection of such indebtedness, where the prevailing party under applicable law could be adequately compensated by ascertainable money damages ("Claims"). Any Claim concerning whether an issue is arbitrable shall be determined by the arbitrator(s). Such arbitration shall proceed in the largest city of our state where the Property is located, unless otherwise mutually agreed by Borrower and Lender, and shall be conducted in accordance with the Commercial Financial Disputes Rules of the American Arbitration Association ("AAA") as limited or augmented by this Section 42. Subject to subparagraph (b) below, arbitration, as provided for in this Section 42, shall be the sole and exclusive procedure for the resolution of a Claim.

(b) Notwithstanding the provisions of subparagraph (a) above, nor the exercise of any right to arbitrate thereunder, nothing contained in this Section 42 shall limit the right of Borrower or Lender, before, during or after any arbitration proceeding: (1) to obtain provisional or ancillary remedies such as replevin, injunctive relief, attachment, or appointment of a receiver from a court having jurisdiction; (2) to exercise self-help remedies such as repossession; or (3) to foreclose through judicial foreclosure against any real or personal property collateral under any deed of trust, mortgage, or other security agreement, or instrument, or to foreclose through non-judicial foreclosure by the exercise of the power of sale. The institution and maintenance of any action or proceeding as permitted under this subparagraph (b) shall not constitute a waiver of the right or obligation of any party to submit any Claim to arbitration.

(c) In any arbitration proceeding between Borrower and Lender where the aggregate of all claims plus counterclaims is an amount less than \$500,000, the arbitration shall be before a single neutral arbitrator, who is an attorney who has practiced in the area of real estate law for at least ten years or a retired judge, to be selected in accordance with the Commercial Financial Disputes Rules of the American Arbitration Association and shall proceed under the Expedited Procedures of said Rules. In an arbitration proceeding where the aggregate of all claims plus all counterclaims equals or exceeds \$500,000, the arbitration shall be before a three-person panel of neutral arbitrators, of

which at least two are from the following categories: (1) an attorney who has practiced in the area of real estate law for at least ten years or a retired judge; or (2) a person with at least ten years experience in lending; provided, that at least one of the arbitrators belongs to the first category.

(d) The statute of limitations, estoppel, waiver, laches or similar doctrines which would otherwise be applicable in an action brought by Borrower or Lender shall be applicable in any arbitration proceeding, and the commencement of an arbitration proceeding shall be deemed the commencement of an action for these purposes. In any arbitration hereunder, Borrower and Lender shall each have the right to take the deposition of one individual and any expert witness designated by the other party. Additional discovery may be had only where the arbitrator(s) presiding over the arbitration proceeding so orders, upon showing of substantial need. The arbitrator(s) presiding over the arbitration proceeding shall have the authority to entertain a motion to dismiss and/or a motion for summary judgment submitted by Borrower or Lender. At least 30 days before the arbitration, Borrower and Lender must each exchange lists of witnesses, including any experts, and copies of all exhibits intended to be used at the arbitration. Borrower and Lender agree that Lender is a federal savings bank, and as such, this Security Instrument affects and is affected by interstate commerce.

(e) The arbitrator(s) shall award costs and expenses of the arbitration proceeding in accordance with the provisions of the Loan Documents. Notwithstanding the foregoing, in the event that the Claim is initiated by the Borrower, Lender shall advance to the AAA, on Borrower's behalf, one half of the arbitration filing fee required to initiate arbitration. In the event the Claim is initiated by Lender, Lender shall pay the entire filing fee. In the event that Borrower is not found to be the prevailing party in arbitration, the filing fee advanced by Lender on behalf of Borrower shall be deemed to be (i) an advance made pursuant to and secured by this Security Instrument if Lender has a security interest in the Property, or (ii) a cost for which Lender shall be entitled to reimbursement if the Property is not subject to this Security Instrument. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. In the event of any conflict between the arbitration provisions of this Security Instrument and the provisions of any other Loan Document or agreement between Lender and Borrower, the provision of this Security Instrument shall control.

(f) This Section 42 shall survive the termination, satisfaction, invalidation or reconveyance of this Security Instrument.

NOTICE

Unless you provide us with evidence of the insurance coverage required by your agreement with us, we may purchase insurance at your expense to protect our interests in your collateral. This insurance may, but need not, protect your interest. The coverage that we purchase may not pay any claim that you make or any claim that is made against you in connection with the collateral. You may later cancel any insurance purchased by us, but only after providing us with evidence that you have obtained insurance as required by our agreement. If we purchase insurance for the collateral, you will be responsible for the costs of that insurance, including interest and any other charges we may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to your total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance you may be able to obtain on your own.
