## UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayments and late charges due under the Note.

2. Taxes and Insurance. Subj ect to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security instrument as a lien on the Property; (b) yearly leasehold payments, or ground rents in the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Security Items". Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a Lender for a federally chartered mortgage loan may acquire for Borrower to pay any one-time charge for an independent real estate tax reporting service. However, unless Lender pays Beta's fee interest on the Funds and applies the same to the escrow items, Lender may not require Borrower to pay a one-time charge for an independent real estate tax reporting service. Lender, if it is not sufficient to pay the escrow items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender in accordance with the applicable law all amounts held by Lender as a result of or otherwise monthly payments, or Lender's sole discretion.

3. Application of Payments. Unless a applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions allocable to the Property which may attain priority over this Security instrument as a lien on the Property, Lender's opinion operate to prevent the filing to the payment secured by the obligation secured by the Note, (b) contents in good faith the lien to pay to Lender the amount of the payment made by the Note, (c) agrees in writing to the payment made by the Note.

Borrower shall promptly discharge any lien which has priority over this Security instrument unless Borrower: (a) agrees in writing to the payment made by the Note, (b) contains in good faith the lien to pay to Lender the amount of the payment made by the Note, or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this instrument of the lien; or (d) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this instrument of the lien.

5. Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attach prior to this instrument, if Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph.

6. Disputes. These obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly which may attain priority over this Security instrument, and leasehold payments of ground rents, if any. Borrower shall pay upon payment in full of all sums secured by this Security instrument, Lender shall promptly refund to Borrower any funds held by Lender, if, under paragraph 2, or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security instrument.

7. Assignment. Funds held by Lender shall be held by Lender as a separate account under paragraph 12, unless otherwise provided in the Note, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

8. Survival. These provisions shall survive the cancellation of the Note or termination of the instrument, or any modification of the instrument.

this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

**5. Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to

applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

23. Waiver of Homestead. Borrower waives all right of homestead exemption in the Property.

24. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument.

## ADJUSTABLE RATE RIDER

Loan No. 710020867

(1 Year Treasury Index - Rate Caps)

29<sup>th</sup> PD 80  
29th

THIS ADJUSTABLE RATE RIDER is made this 29<sup>th</sup> day of May, 1998, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to

LINCOLN MORTGAGE & FUNDING CORP.

(the "Lender") of the same date and covering the property described in the Security Instrument and located at:

2044 W. FLETCHER STREET, CHICAGO, ILLINOIS 60618

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.000 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Dates

The interest rate I will pay may change on the first day of June, 2003, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

#### (B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

#### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding two and seven eighths percentage point(s) (2.875 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

Rate Rider.  
BY SIGNING BELOW, Borrower accepts and agrees to the terms and conditions contained in this Adjustable Rate Rider.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to accept all the promises and agreements made in the Note and in this Security instrument. Borrower will continue to be obligated under the Note and this Security instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security instrument without further notice or demand on Borrower.

Transfer of the property or a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the security as if a new loan were being made; (b) Lender reasonably determines that Lender's transfereree as of the date of this Security instrument transfers to Lender a sum equal to the risk of a breach of any covenant or agreement in this Security instrument is impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security instrument is acceptable to Lender; and (c) Lender reasonably determines that Lender's transfereree has accepted all the promises and agreements made in the Note and this Security instrument.

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

The Note Holder will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Effective Date of Changes  
My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment twelve months. My interest rate will never be greater than 13.000 %.  
The interest rate I am required to pay at the first Change Date will not be greater than 5.000 %.

any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for or less than 9.000 %. Thereafter, my interest rate will never be increased or decreased on

(D) Limits on Interest Rate Changes  
The interest rate I am required to pay at the first Change Date will not be greater than 9.000 %.  
The Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.
