	► Title (if line 1a above is a corporation, partnership, estate, or trust)		TRY A TAX RETURN TRANSCRIPT (see line 8a instructions)
	► Spouse's signature	Date	

## Instructions

Section references are to the Internal Revenue Code.

**TIP:** If you had your tax form filed by a paid preparer, check first to see if you can get a copy from the preparer. This may save you both time and money.

**Purpose of Form.** • Use Form 4506 only to get a tax return transcript, verification that you did not file a Federal tax return, Form W-2 information, or a copy of a tax form. Allow 6 weeks after you file a tax form before you request a copy of it or a transcript. For

W-2 information, wait 13 months after the end of the year in which the wages were earned. For example, wait until Feb. 1999 to request W-2 information for wages earned in 1997.

DO NOT use this form to request Forms 1099 or tax account information. See this page for details on how to get these items.

**Note:** Form 4506 must be received by the IRS within 60 calendar days after the date you signed and dated the request.

**How Long Will It Take?** • You can get a tax return transcript or verification of nonfiling within 7 to 10

workdays after the IRS receives your request. It can take up to 60 calendar days to get a copy of a tax form or W-2 information. To avoid any delay, be sure to furnish all the information asked for on Form 4506.

**Forms 1099.** • If you need a copy of a Form 1099, contact the payer. If the payer cannot help you, call or visit the IRS to get Form 1099 information.

**Tax Account Information.** • If you need a statement of your tax account showing any later changes than you or the IRS made to the original return, request tax account information. Tax account information lists certain items from your return, including any later changes.
